As Old Age Creeps On Men and Women Can Keep Themselves Hale, Vigorous, and Happy by Using

Paine's Celery Compound. The human system in old age must have a sufficient store of nervous energy, and rich, nourishing blood, so that the liver and kidneys may be kept in perfect action, and the body free from the true invigorator when old age creeps on and the vital powers commence to fail. Paine's Celery Compound gives the needed stimulus to digestion and assimilation that the system requires; it maintains a regular supply of pure blood, and removes such troubles as rheumatism, neuralgia, nervous weakness, heart palpitation, liver complaint and digestive disturbances, that makes the lives of old people miserable. Rev. John Rice, Scotch Grove, La., says: "My wife and I have used two bottles of Paine's Celery Compound with great advantage to our health. It cured her rheumatism and proved a good regulator of the system in general and a tonic for the nerves. In my own case I have found it a cure for kidney trouble, arising from old age, as I am now in my 75th year. In this trouble it has given me almost instant relief."

It is the only positive cure now known to the medical fraternity. Catarrh is a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have great faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address, F. J. CHENEY & CO., Toledo, O. Elery's Royal Italian Band. Of all the really first-class foreign musical organizations that have ever visited America, this band is easily the best. It is a well-known and always copied fact that the Italians excel other nations of the world in the arts, particularly music, and what America is to the world in a commercial way, Italy is in art. Her supremacy has never been questioned, hence when it is known that the Royal Italian band is composed of 55 of the leading band musicians of their native country, it will be readily seen that it is a most superior organization. When the band was organized the utmost care was taken to get only those who were capable soloists. Prior to the organization of this band, the members were all identified with leading bands, which are sustained by the cities and provinces, and it requires as much influence and red tape procedure to get them released as it would to secure a man's discharge from the United States' standing army before his time expires.

A remarkable feeling of mutual affection and respect exist between the members of the Royal Italian band and its organizer and manager, Mr. Channing Elery. Mr. Elery is a musician himself, an artist by temperament, and a fluent speaker of Italian, is in perfect sympathy with the young men of his band, who regard him with the same love of sons or brothers, and who respect or admire him for his championship of the art of their native land in America. On the last night of the recent 15,000 mile tour of the great band, the musicians presented Mr. Elery with a beautiful watch chain set with a solitaire diamond. This great musical aggregation gives its concerts in this city under the auspices of the Salem Lodge of Elks. Prices, \$1.00, 75c and 50c. Seats on sale at box office Thursday at 9 a. m.

Take your umbrellas to Shipp & Houser's for repairs. Thirty-fourth Anniversary. The Members of Protection Lodge, No. 2, A. O. U. W., and Degree of Honor Lodge, No. 19, hold a joint social session Saturday evening, and celebrated the 34th anniversary of the founding of this fraternal organization. Addresses were delivered by Frank Davey, G. Stok, P. H. Darcy, S. A. McPadden and Mrs. R. D. Holman. Miss Helen McCoy gave an instrumental selection on the piano, Miss Van Wagner sang a solo and Miss Merle Davey gave one of her best recitations. It was one of the pleasant anniversary programs that has been carried out by local fraternal societies.

On Monday evening the members of Valley lodge, A. O. U. W., and the ladies of Viola lodge, D. of H., held anniversary exercises in the same hall. The program included a baritone solo by Mr. Baker, recitations by Miss Glover and Master Sammie Glover, followed by addresses by P. H. Darcy, Frank Davey and S. Friedman. Light refreshments were served, and the remainder of the evening was devoted to dancing. An enjoyable time was had, as is always the case when these popular lodge people entertain.
