If you are troubled with impure blood, indicated by sores, pimples, headache, etc., we would recommend Acker's Blood Elixir, which we sell under a positive guarantee. It will always cure Scrofulous or Syphilitic poisons and all blood diseases. 50 cts. and \$1.00. D. J. FRY, Druggist.

Heavy eating is usually the first cause of indigestion. Repeated attacks inflame the mucous membranes lining the stomach, expose the nerves of the stomach, producing a swelling after eating, heartburn, headache, sour risings and finally catarrh of the stomach. Kodol relieves the inflammation, protects the nerves and cures the catarrh. Kodol cures indigestion, dyspepsia, all stomach troubles by cleansing and sweetening the glands of the stomach. F. G. Haas, 96 State Street.

TWENTY YEARS TRIAL.

There are lots of good things the doctors cure nothing about. We frequently cure people of disease after the doctors have given them up. If the disease comes from over work, dissipation, of exposure, causing weak and watery blood, and loss of flesh and strength, we have the one sure remedy in Dr. Gunn's Blood and Nerve Tonic. These tablets taken with meals turn the food into rich red blood, making strong steady nerves, and increasing the strength, building up solid flesh at the rate of 1 to 3 lbs. per week. This means health. For nervous prostration, loss of memory, or a pale, sallow complexion, a better remedy was never made. Doctors know nothing about this remedy only the fact that we make cures; as we have been doing this for twenty years we know our method to be the right one. Druggists sell Dr. Gunn's Blood and Nerve Tonic for 75c per box, or 3 boxes for \$2, or sent by mail on receipt of price. Write us for a pamphlet telling all about this great medicine. Address Dr. Gunn, Philadelphia Pa. For sale at Dr. Stone's Drug Stores. 1

CURED OF PILES AFTER 40 YEARS. Mr. C. Hasty, of Geneva, Ohio, had the piles for forty years. Doctors and dollars could do him no lasting good. DeWitt's Witch Hazel Salve cured him permanently. Available for cuts, burns, sprains, lacerations, eczema, tetter, salt rheum, and all other skin diseases. Look for the name DeWitt on the package—all others are cheap, worthless counterfeits. F. G. Haas, 96 State Street.

BELLE OF NEW YORK

Presented at Salem Next Monday Night

Most Popular Musical Performance on the Road

There need be no fear that popular interest in the splendid Swedish production, "Yon Yonson," will become exhausted while it is presented by such a capable company as that headed by Nels Erickson.

This interesting story of the large-hearted, honest Swede, was presented at the Grand last night by a company which merited a much larger house. Mr. Erickson, as "Yon Yonson," was a favorite, and at no time overacted his part. In the concluding act, Mr. Erickson sang a selection that captured his audience. He was repeatedly encored, his rich tenor voice being appreciated to the fullest extent. He concluded his vocal work with several improvised verses, in which he humorously related facts about persons in the audience. Len Wain, in the orchestra, was made to blush as the Swedish comedian designated him the "bald headed fellow." Other equally amusing designations were made. The lumbermen's quartet sang a number of selections, and received encores. This quartet is one of the best that has ever been heard in Salem. The cast of characters was strong, with the exception of Jennings, the owner of the mill property, but the audience was too much absorbed in interest in "Yon Yonson," and the other members of the company, to note the short comings of one actor.

The next attraction at the Grand will be "The Belle of New York," a musical farce comedy company, presented by 50 people.

Belle of New York.

The record of the famous "Belle of New York" company, which comes to the Grand Opera House on Monday next, is unique in its way. The company is the most successful organization ever sent from the popular Casino Theater, New York. Its reputation is well known to all, and covers both continents. After a successful run in American metropolises, this merry musical comedy was taken to London.

JAMES DARLING

and there it established a record hitherto unprecedented abroad for an American comedy of 975 performances. In Australia the company's success was equally noteworthy, and a run of 342 performances achieved. At home the success of "The Belle" has never been approached by a similar attraction, and at the conclusion of last season the astonishing record for this company figures up to 2500 performances. It is a reputation Manager Sam Schubert is justly proud of, and his excellent company is starting out this season to roll up more centuries to be added to its remarkable record. Prices \$1.50, \$1.00, 75c and 50c. Seats on sale at box office Monday at 9 a. m.

Cartoonist to Lecture.

Homer C. Davenport, Oregon's fa-

mous cartoonist, seems to be successful as a lecturer also. L. B. Geer, state land agent is in receipt of a letter from his nephew, Mr. Davenport, in which the latter informs him that it is his intention during the winter to deliver lectures in all the large cities of the East. The noted cartoonist is capable of giving a most interesting account of his travels and experiences, which have both been extensive, and in doing so he interweaves much interesting information concerning art and cartooning. Before returning to the East, on the occasion of his last visit to the coast, Mr. Davenport delivered one of his lectures in this city, and the entertainment will be remembered by those who attended the lecture.

In the same connection, Mr. Geer is in receipt of a communication from J. B. Bond, of New York, who, having heard Mr. Davenport give a lecture recently, wrote a letter to Arthur Brisbane, also of New York, in which he very highly complimented Mr. Davenport as a lecturer. Mr. Brisbane is the business manager of the Chicago American and the New York World, and it is by the syndicate that publishes these papers that Mr. Davenport is employed at a princely salary.

Mr. Pond's complimentary letter is follows: "Please pardon my presumption in hurrying to write to you of the affair at our home last evening. I wish you might have been there to have seen and heard Mr. Homer Davenport. I will try to enlighten you.

"As a lecturer he is simply peerless, and I believe as effective and eloquent with his voice and his pencil; and such a magnificent personality, and child-like simplicity and power of expression I never before witnessed. He held as intelligently and refined an audience as he ever saw, or will ever see, fairly spell bound for an hour and a half, wholly unconscious of the effect he was producing; not the slightest effort for oratorical effect, wholly without gesture; with a voice as silvery and charming as that of the late Wendell Phillips. It is impossible to predict the success that must be in store for this young genius. He is the best equipped man for wielding an influence more potent in all contemporary reforms than any man of his time. So it seems to me from the brief acquaintance of about four hours with him.

"I am writing of Davenport as I could not write of any other man I know or have known, excepting Henry Ward Beecher, to whom I had the privilege and honor of being the nearest friend during the last eleven years of his life, and who died in my arms. I am Yours enthusiastically and dead earnestly."

FAKE ADVER. SCHEMES

How People are Being Worked to Death

How a Fakir is Using the Eugene Papers to Swindle

Under the heading of a deadbeat, the Eugene Register prints the following:

The advertising fakir who got up the "Uncle Bill" story in Eugene last week left Roseburg without paying his newspaper bill. In Eugene he borrowed money from an acquaintance, and left without paying it back. The only reason he did not beat the Register was because he was requested to pay in advance, and his copy held until the money was paid. We do not believe in that sort of advertising, but our columns are open to unobjectionable advertising matter when the price is paid. The papers down the valley should make the fakir pay in advance.

The Register seems to imply that if the fakir only paid the newspaper publisher in advance, it would be all right to let him go around in the name of the paper, and work his "Uncle Bill" and Uncle Rube story on the business man.

Newspapers do a great wrong when they allow the people of their own community, who are the best supporters of a newspaper, and the life of the town, in a business way, to be taken in by such a fellow, whether he has paid for a page of space or not.

The most intelligent business men are coming to see that a live daily or weekly paper is the only real means of reaching the people with bona fide business propositions to the reader. It is the purpose of the Salem Press Club banquet next Tuesday evening to afford an opportunity to discuss some of these abuses in the name of advertising.

ONE MINUTE COUGH CURE is the only harmless cough cure that gives quick relief. Cures Coughs, Colds, Whooping Cough, Bronchitis, Asthma, Laryngitis and all Throat, Chest and Lung troubles. I got soaked by rain, says Gertrude E. Fenner, Manlio, Ind., and contracted a severe cold and cough. I failed rapidly; lost 48 lbs. My druggist recommended One Minute Cough Cure. The first bottle brought relief; several cured me. I am back to my old weight, 148 lbs. One Minute Cough Cure cuts the phlegm, relieves the cough at once, draws out inflammation, cures croup. An ideal remedy for children. F. G. Haas, 96 State Street.

Could Not Manage Boy

Roy Williamson, aged 15 years, of this city, was today committed to the state reformatory school by County Judge Scott and Deputy Prosecuting Attorney McNary. The lad's commitment was made on complaint of his mother, Mrs. R. B. Williamson, who has been unable to manage the boy. The family reside at the corner of Oak and Twenty-third streets.

Marion County Social News

Personal Mention and Matters of Interest to Many... The Journal would like social and personal news from towns in Western Oregon where it largely circulates, and where "nearly everybody knows everybody."

Brooks Items.

- Latest topic: What is the price of hops today?
- Lost, at or near Harding's hop house—a \$2 back comb.
- Clyde Harris is home from Eastern Oregon.
- Proceeds of benefit supper at St. Louis amounted to about \$22.
- Gus Arel went to Gates, Oregon, and took up a timber claim.
- St. Louis people regret the recent illness of their pastor, Rev. La Croix.
- Arel Brothers will place their hops in Association's hop pool.
- Oliver Boers is a strong holder for better prices.

Kreb's and T. B. Jones' hops are still for sale. That's encouraging. M. H. Durst says the Finney lot of 110 bales are very nice. A sourkrot and pickle establishment might do well in Brooks. Every time I read the Journal Special Session stares me in the face. The Listons, Rogers, Muney's and O. Blaines are newcomers. They give excellent character. Clara Savage, Grace Dodge and Ivan Fruit are on the sick list. A benefit concert will be given by K. L. C. E. in U. E. church in Brooks, on Thanksgiving night. Homer Goulet is remodeling his house. He says he is letting his hop crop take care of itself.

Turn about is fair play. Let Old England send her money over here to beautify Oregon homes. Albert Egan has a new gun. He is now ready for childhood's happy days down on the farm. Mr. and Mrs. Frank Arel's youngest child fell into a large kettle of water. If not discovered by her mother it would have drowned. Conrad Krebs has up to present date the honor of offering the highest and lowest price for Finney's hops—a year ago 10 cents to contract, and on Friday Nov. 14, 26 cents a pound for the hops. They are still for sale.

It is reported that Conrad Krebs said on Sunday that hops were 27 cents. M. J. Egan thinks they will be worth 40 cents by spring. A Chinaman in the vicinity of Fairfield, who controls a lot of hops was offered and refused 32 cents. It seems authentic. An Eastern firm could easily offer it and get hops cheaper than in New York.

W. B. Lawler, the popular mining man said Oregon hop growers could make a strong combine and have cable communications of their own. Mr. Lawler is erecting a winter residence near Eldridge hop fields, and will reside here till spring. Johnny Krebs and Elmer Savage, Carmichael's hop men, while waiting for orders from England, are down on the farm for a three days hunt out in the rain like President Roosevelt.

Frank Evans was occupied last week in the real estate business for Ralph Shepard. Three Brooks farmers changed location—one of them moved twice. Mannie Blanton wishes hops would reach 35 or 40 cents, says it is none too much to make up for the many years growers worked without recompense.

Mr. J. H. Frederick and Mrs. M. J. Linsley, representatives of the Modern Brotherhood of America, came down from Salem to solicit a membership for Mr. and Mrs. Charles Whitcomb—a lodge had been instituted at Chema wa.

Mrs. Homer Goulet was on Howell Prairie visiting her parents. Her father, Mr. Norwood, sold his farm and

The Misses Marie Mickle, Eva Porgard, Annie Miller and their escorts of Gervais, attended the benefit social at St. Louis. St. Paul also had its representatives—their presence was appreciated.

Special thanks are due to Editor Clarke, to the Shullis family, and the Misses Mary DuBois, Domitti LaBrun, Mrs. Ed Kavanaugh; also to the Dubuis and Freshwelder orchestra for their public spirited interest in a good cause.

The main object in dancing should be sociability and a desire to look ones best. Attention then to neatness of attire and position. The most graceful dancers at Harding's hop house were Miss Emily Vanderback of St. Louis, and Mr. Dave Hall of Gervais.

Retrospect.

It is an evil day for the wife and mother when she scans her worn face in the mirror, and asks the question, "Does it pay? Does it pay to sacrifice health and happiness to wedded love?" But there is another question which rightly takes precedence. "Does it pay? It is this: "Is it necessary to sacrifice health and happiness to wedded love?" Half a million women answer, No! They have been weak and have been made strong by Dr. Pierce's Favorite Prescription. They were sick and "Favorite Prescription" made them well. It will do the same for almost every woman who gives it a fair and faithful trial. It stops weakening, drains, heads female weakness. It tranquilizes the nerves and encourages the appetite.

"I expected to become a mother, and a threatened miscarriage greatly weakened me," writes Mrs. E. A. Nations, of Wills Springs, near Co. Ark. "and my old disease returned. My husband got another doctor for me but I seemed to just drag along and get no better. At last I told the doctor that if his medicine did not help me I would go back to Dr. Pierce's medicine. I did so, and by the time I had taken them one month I could do my own housework, except washing, and leaded my garden. I was stouter than I had ever been while waiting baby's coming since my first baby came (this one was the sixth child). She is now eleven months old and is a healthy child. As for me, I feel as young now as I did at eighteen years of age. I am thirty now. I can cheerfully recommend Dr. Pierce's medicine to all suffering women."

Dr. Pierce's Pleasant Pellets cure biliousness and sick headache.

Mr. Oliver Beers returned from the East on November 13, brighter and the better for his trip. He takes pleasure in telling friends of the beautiful country he passed through. But for him there is no place like Oregon.

Mr. and Mrs. Evans have rented Lester's hotel. Fourteen travelers with wagons and stock happened along for first dinner. The family are suited for the business, being good cooks, musical and fine entertainers. Mr. Evans may have postoffice and store in hotel building, also the use of telephone.

Hon. P. H. D'Arcy attended church fair at Woodburn Thursday, and is highly delighted with Father LaVeck's progressive ability. A new paragon now adorns the church property. Mr. D'Arcy was invited to speak. It was not necessary to hear the address to know that it was eloquent.

KILL THE DANDRUFF GERM

Or Your Hair Will Fall Out Till You Become Bald.

Modern science has discovered that dandruff is caused by a germ that digs up the scalp in scales, as it burrows down to the roots of the hair, where it destroys the hair's vitality, causing falling hair, and, ultimately, baldness. After Prof. Unna, of Hamburg, Germany, discovered the dandruff germ, all efforts made to find a remedy failed until the great laboratory discovery was made which resulted in Newbro's Herpicide. It alone of all other hair preparations kills the dandruff germ. Without dandruff, hair grows luxuriantly. "Destroy the cause, you remove the effect."

For sale by Daniel J. Fry. Send 10 cents in stamps for sample to The Herpicide Co., Detroit, Mich.

Eighty thousand bales of hops harvested in Oregon the present season. Eighty bales of hops make a carload. The whole crop would make up a train that would reach almost the distance from Salem to Turner, eight miles.
