E., will observe Sunday, December 7th, as Memorial Day, in keeping with the custom of the order, by which the first Sunday in December is annually given to honor the memory of the deceased members. The committee on arrangements expects soon to announce the order of the day. Two selections, "The Vacant Chair" and "Consolation," will be given by the newly organized ladies quartet, consisting of Mrs. Hallie Parrish-Hinges, Miss Miriam Heulst, Mrs. W. P. Babcock and Mrs. Etta Squires-Seley.

Burglars Get Some Booty

The residence of E. J. Thatcher, on Oak street, in Yew Park, was entered by burglars Thursday evening, and thoroughly ransacked. It is reported that about \$10 in money, a lady's gold watch and other articles of jewelry were taken. Entrance to the house was gained by breaking through a window. The attention of the police has been directed to the robbery, and an investigation is being made. This is the first burglary in this city that has been reported to the police officers for some time.

Forty-Four Club Formed

The "Forty-Four Club" has been reorganized, and arrangements will be made for the giving of a series of pleasant dancing parties during the winter. As applied in the name, the club will limit its membership to 44. The first of the series of select dancing parties may be given next week, during the Thanksgiving festivities. Officers of the club have been elected as follows: President, Dr. W. B. Morse; vice-president, J. G. Graham; secretary and treasurer, Harry E. Albert.

Citizen's Committee Arrange All Plans

To Hold Mass Meeting Monday Night

A well-attended meeting was held last night at the office of Dr. W. A. Cusick, to form all details for the coming city campaign, on the part of the Citizens' administration. Sub-committees were appointed after full consideration of the work to be done, as follows: On mass meeting and speakers to nominate ticket Monday night, W. A. Cusick, R. P. Boise, Jr., N. J. Judah. On finance, Max Boren, Wm. Brown, J. P. Frizzell.

A review of the work of the non-partisan administration for the past four years will be presented, and a platform adopted. The present city officials and four outgoing aldermen will be renominated, and asked to stand for another term of two years.

Among other things it was decided to make an aggressive campaign, and get out a full vote. The comparative showing of administration made for the past four years, as compared with the four years preceding, will be put in the hands of every voter in the city.

Among the Republicans everything awaits the action at the primaries, to be held Monday, at which delegates are to be chosen for the coming city convention. Not much can be learned as to candidates. Ad. Dilley and Mark Savage are mentioned for the city marshaling, and E. H. Flagg seems to have a clear field for recorder. The only man mentioned for alderman is Thomas Sims, of the Third ward, who was elected as a Republican, and if renominated by the Republicans, will be endorsed by the Citizens, as he has made a good non-political business record. Several are mentioned for alderman in the second ward, but no one has been slated. There is virtually no demand for places among Republicans, and the indications are that there will be no contest, except for the salaried officers. City Chairman H. Geo. Meyer is at Portland today on business for the State Barbers' Board, and could not be seen.

Odd Fellows Golden Jubilee

The members of Chemeketa and Valley lodges, I. O. O. F., of this city, are completing arrangements for a proper celebration of their golden anniversary on December 5th and 6th. Exercises will be held in the I. O. O. F. temple, and an elaborate banquet will be served in the armory, at the city hall. Among the musical numbers that will be given in connection with the anniversary exercises, will be two selections by a special ladies' quartet, that will be composed of the following voices: Mrs. Hallie Parrish-Hinges, first soprano; Miss Miriam Heulst, second soprano; Mrs. W. P. Babcock, first alto; Mrs. Etta Squires-Seley, contralto. Mrs. Hinges will also sing two solos.

Two Games of Football

Games will be played on the Willamette campus, in this city, Saturday afternoon, and lovers of the sport will see some good fun. Willamette vs. Oregon State Agricultural College at 2:30. First half between the second team and state reform school will be called at 2 p. m., and the second half will be played during the intermission in the big game. Admission 25 cents.

MEN AND BOYS' OUTFITTERS

Before partaking of our Thanksgiving turkey we pause for a moments reflection. One year ago we were preparing to move to our present location:

The wisdom of our move has been fully demonstrated for our sales have been unprecedented. Indeed they have so far exceeded our most sanguine expectation, that we have been encouraged to prepare for the largest holiday trade in our history.

IN MENS' SUITS and OVERCOATS we show a handsome line. For the smart dresser, who likes to be at the very fore front of the fashion, we have all the new fads, both in cut and design, while the man of more moderate taste, but none the less dressy, may also suit his every whim.

OUR BOYS DEPARTMENT has never been better equipped. Our values in Boys' HATS, SHIRTS, UNDERWEAR, HOSIERY, NECKWEAR, GLOVES, OVERALLS Etc., can not be surpassed, while a big invoice recently opened, enables us to show a COMPLETE NEW LINE OF BOYS' KNEE PANT SUITS with and without Vests. Ages 3 to 16 years, at from \$1.50 to \$7.00

XMAS IS NOT FAR AWAY

The new furs are very rich. Many of them come shaped on the shoulders so as to form a cape, and from there they fall almost to the feet in the shape of flat tabs edged with tails. Sometimes the back of the neck is softened with brown chiffon. The cuffs are large and pliable, the tails trimming them so arranged that whichever way the muff is held they fall into place.

The gray squirrel is one of the most fashionable furs of the moment. It is made into these dark back paletots, while the pelts and cape combined is the newest form of fur garment.

A great many odd and even more penurious furs are made up after the fashion of cashmere skins.

One of the latest fur models is shown in the cut. It is of squirrel, with pieces of point lace over primrose velvet. The hat is of lace and chiffon to match. JUDIC CHOLLET.
