

A Letter to Dr. Pierce is the First Step to Health for Weak and Sick Women.

Sick women are invited to consult Dr. Pierce, by letter, free, and under seal of the strictest privacy. In a little over thirty years of practice as chief consulting physician to the Invalids' Hotel and Surgical Institute, Buffalo, N. Y., Dr. Pierce, assisted by his staff of nearly a score of physicians, has treated and cured over half a million women. Address Dr. R. V. Pierce, Buffalo, N. Y.

Offers of "free medical advice" made in imitation of Dr. Pierce's offer of free consultation by letter are advertised by persons who are not physicians, and are not qualified to give medical advice. Every woman should consult her own safety by careful inquiry into the genuineness of such offers.

There is no offer similar to Dr. Pierce's, which has behind it an institution of national note, such as the Invalids' Hotel and Surgical Institute, Buffalo, N. Y., with its staff of nearly a score of physicians, presided over by a specialist of Dr. Pierce's experience and success, in the treatment and cure of diseases peculiar to women.

How Other Women Have Been Cured.

"I suffered untold misery for many years with uterine trouble," writes Mrs. Mary E. Wilcox, of Emo (Rainy River), Algoma Co., Ont., "until I commenced taking Dr. Pierce's good medicine and I used the local treatment as advised. I took two bottles of 'Favorite Prescription' and two of 'Golden Medical Discovery.' I also sent for one box of your 'Antiseptic and Healing Suppositories.' I have only used two and that was two months ago. I would advise every woman who suffers from ulceration of the uterus and piles to use Dr. Pierce's Favorite Prescription and 'Golden Medical Discovery.' They are the best medicines in the world. Also write to Dr. Pierce for his fatherly advice. I have felt better in these past seven months than I have for years. Every month I used to have to go to bed and have hot poultices and take laudanum to ease the pain. I don't go to bed now nor do I take laudanum."

"I have used your medicine as you directed," writes Mrs. Caroline Hammac, of Hammac, Escambia Co., Ala. "I have only used one bottle of Dr. Pierce's Favorite Prescription and in connection I used one bottle of 'Golden Medical Discovery.' Six doses a day, three of each, and sometimes I used the tablets as you directed. I feel well. I am hard at work and have been for some time. I had been under a good doctor five years for this same disease and you see how quick your medicine cured me."

"About a year ago I had a mishap which left me in very poor health for some time afterward," writes Mrs. Gene Johnson, of Gordon, Sheridan Co., Neb. "I employed a local doctor but got only temporary relief, until I commenced using Dr. Pierce's medicine, which I did after consulting you. I am now as well as ever. I took five bottles of the 'Favorite Prescription' and one of the 'Golden Medical Discovery.' I would recommend these medicines to all who suffer as I did."

If you are sick or ailing take advantage of Dr. Pierce's offer of free consultation by letter and write today to Dr. R. V. Pierce, Buffalo, N. Y.

ADMIRAL DEWEY AT CULEBRA

Will Command the Mimic Naval Manouvers

Washington, D. C., Nov. 21.—There is now assembled in the Caribbean Sea the most formidable fleet of warships ever brought together under the Stars and Stripes. Within a few days Admiral Dewey will hoist his pennant over the flagship of this big force as commander-in-chief.

The general plan of the manouvers is similar to that pursued in the North Atlantic off the coast of New England last summer, but the present mobilization is to be conducted on a much larger scale than ever before attempted by the American navy. Secretary Moody and the President believe in practical drills—exercises that will prepare the officers and men for service should a foreign foe send a fleet against the American shores. The "search problem" is to be the chief feature of the program.

A naval base has been established at Culebra Island, a short distance east of the island of Porto Rico. For several weeks past colliers and supply ships have been rendezvousing in the vicinity of the island. Admiral Sumner, commanding the South Atlantic squadron, and Admiral Crowninshield, commanding the European squadron, are now on their way to the "seat of trouble." Admiral Sumner, being the senior, is to have command of a combined squadrons. The plan is to

TO END BOARD'S LABORS

Counsel on Both Sides Will Endeavor to Agree

Scranton, Nov. 21.—Counsel on both sides in the anthracite hearing have a meeting tonight. Everything indicates that they will attempt an amicable settlement, and satisfactory agreement, before next week, thus relieving the commission from hearing further evidence. Portions of the operators' counsel hurried to the afternoon train for New York, where a conference is to be held with the coal presidents. Neither Gray nor the counsel deny or affirm. Darrow ultimately told the reporters he would have something to say after tonight's meeting.

Later.—A confirmation is received that the miners' and operators' attempt to settle their differences before the commission again meets and a decisive meeting will be held next week, either here or in New York. The operators' counsel say there may be a meeting of the miners and coal presidents. This is admitted by both sides. The miners have so far made a poor showing, and request that the effect of the settlement outside the commission come from them.

Heavy eating is usually the first cause of indigestion. Repeated attacks inflame the mucous membranes lining the stomach, exposing the nerves of the stomach, producing a swelling after eating, heartburn, headache, sour risings and finally catarrh of the stomach. Kodol relieves the inflammation, protects the nerves and cures the catarrh. Kodol cures indigestion, dyspepsia, all stomach troubles by cleansing and sweetening the glands of the stomach. P. G. TWENTY YEARS TRIAL.

There are lots of good things the doctors know nothing about. We frequently cure people of disease after the doctors have given them up. If the disease comes from over work, dissipation, of exposure, causing weak and watery blood, and loss of flesh and strength, we have the one sure remedy in Dr. Gunn's Blood and Nerve Tonic. These tablets taken with meals turn the food into rich red blood, making strong steady nerves, and increasing the strength, building up solid flesh at the rate of 1 to 3lbs per week. This means health. For nervous prostration, loss of memory, or a pale, sallow complexion, a better remedy was never made. Doctors know nothing about this remedy only the fact that we make cures; as we have been doing this for twenty years we know our method to be the right one. Druggists sell Dr. Gunn's Blood and Nerve Tonic for 75c per box, or 3 boxes for \$2, or sent by mail on receipt of price. Write us for a pamphlet telling all about this great medicine. Address Dr. Gunn, Philadelphia Pa. For sale at Dr. Stone's Drug Stores. 1
