

# KICKED BY A HORSE

## AND SUFFERED NEARLY FORTY YEARS BEFORE THE BONE HEALED

"AM I ALL RIGHT?" SAID MR. A. COOPER, OF POLK COUNTY, WHEN ASKED ABOUT HIS LEG WHICH WAS HURT WHEN HE WAS A BOY. "I WAS KICKED BELOW THE KNEE BY A HORSE IN 1860 WHEN A MERE BOY, AND SUFFERED FOR YEARS. IT ACHED TERRIBLY AND SOON BROKE; THEN PIECES OF BONE COMMENCED COMING OUT AND CONTINUED FOR ABOUT A YEAR. THIS WAS FOLLOWED

BY AN ATTACK OF TYPHOID, WHICH LEFT ME IN BAD SHAPE. I WAS OBLIGED TO USE CRUTCHES FOR OVER TWO YEARS FROM THAT TIME UNTIL I WAS CURED ABOUT SIX YEARS AGO. I ALWAYS USED TWO CANES. THE DOCTORS TOLD ME THERE WAS NO HOPE FOR A CURE UNLESS I HAD MY LEG SPLIT AND SCRAPED AND THE CORDS CUT. SOME ALSO ADVISED AMPUTATION, BUT I REFUSED, AND FINALLY DR. COOK, THE BOTANICAL SPECIALIST OF SALEM, TOOK MY CASE. I BEGAN TO IMPROVE AT ONCE, AND IN SIX MONTHS MY LEG WAS WELL. IN FACT I FEEL THAT DR. COOK SAVED MY LIMB, AND I WANT EVERYBODY TO KNOW IT, FOR IT WAS A WONDERFUL CURE. SOON AFTER TREATMENT THE BLACK FLESH BEGAN TO GROW OUT OVER THE BONE WITH A HEALTHY COLOR."

A. COOPER.  
September 1st, 1920.

**PERSONS WISHING TO KNOW MORE OF MR. COOPER'S CASE CAN LEARN ALL THE PARTICULARS BY CALLING ON HIM AT INDEPENDENCE, OREGON, OR AT DR. COOK'S OFFICE IN SALEM.**

### JOURNAL X-RAYS.

Even the combs, the legislator, Full of trouble and human nature.

The new Salem city charter should wheel the wheels off the sidewalks.

Young Payne's tariff cartoon was a very policy treatment of a dry subject.

The Marshfield Daily Coast Mail will issue a Christmas number. The Mail is a daily Santa Claus to Coos bay.

There are some very pleasant people who do not pay their bills; but they are pleasantest when they owe the other fellow.

We notice that hog killing is now on in several parts of the state. The biennial slaughter at Salem begins Jan. 12th.

The widow of the famous gunmaker Krupp has given \$750,000 to establish a benefit fund for workmen in memory of her late husband.

There are more swell society events early in Salem this season than usual. People seem to wish to get all out of the way of the legislature.

The style seems to be short coats for long women and long coats for short women. This is entirely without regard to the length of the purse.

Basket ball may be good exercise but what the girls need most is a physical training course that will recognize the dishpan and the effective sweep of a broom.

Frick is giving the city of Pittsburg a university that will far outshine Carnegie's \$5,000,000 polytechnic school. It is not to be supposed that he will endow it for the orphans at Homestead.

A Push politician who writes this paper an abusive wall is referred to the account in Ezekiel 37, where the dead bones were called to life, and advised of another passage:—"Cast thy burden upon the Lord and he shall sustain thee: he shall never suffer the righteous to be moved."

Opportunity knocks not often at any community's door. Do the young men and the live active business men want to go ahead and make Salem a city as it should be, or shall we sit in the mud and suck our thumbs while the moss grows on our backs?

Vice is not extirpated until the sinner is regenerated. It can be scattered or change its habit at one city to another, from the tenderloin to the suburb, as witness this item from

a state paper: "A reform wave has swept Seattle clean of dissolute class, men and women, with the result that Portland gets not a few of the unwelcome waifs. The gain of the Sound city is the loss of Oregon's metropolis."

O. W. Dunbar is pushing a new paper—the Pendletonian, which stands for a non-partisan business administration of that town. It is an ably and intelligently edited paper "in the interest of good government."

Real estate is moving faster and faster. The demand for lots in the cemetery may increase after awhile. But it is only when the dirt flies that working people are happy.

Salem has had two important fraternal gatherings the past few days—the Odd Fellows Centennial and the Elks Memorial. The legislature is still to come.

For every evil under the sun There is a remedy or there is none If there be one, try and find it. If there be none, never mind it."

**The Happy Home.**

Happiness must be founded on health. Where there is ill-health there will surely be unhappiness. The happiness of many a home has received its downfall at the table, spread with rich and dainty foods. The first symptoms of disease of the stomach are ignored as being disagreeable but not dangerous. Presently dyspepsia or some other form of disease fastens on the stomach.

At any stage Dr. Pierce's Golden Medical Discovery will cure diseases of the stomach and other organs of digestion and nutrition. But the cure is quicker if the "Discovery" is used in the earlier stages of disease. If you have any symptoms of diseased stomach use "Golden Medical Discovery" and be cured.

Dr. Pierce's Common Sense Medical Adviser, paper covers, is sent free on receipt of 21 one-cent stamps to pay expense of mailing only. Address Dr. R. V. Pierce, Buffalo, N. Y.

**Bed Time**  
I take a pleasant herb drink the next morning I feel bright and my complexion is better. My doctor says it acts gently on the stomach, liver and kidneys, and is a pleasant laxative. It is made of herbs, and is prepared as easily as tea. It is called Lane's medicine. All druggists sell it at 25c and 50 cents. Lane's Family Medicines moves the bowels each day. If you cannot get it, send for free samples. Address, Orator Woodward, LeRoy, N. Y.

### Positions Are not held by incompetents.

Promotion and preferment in business is the result of ability to do. At this school is the best place to obtain the knowledge of how to do. There is an increasing demand for competent help. Persons completing the business and shorthand courses at the CAPITAL BUSINESS COLLEGE can secure employment. For eleven years but one young man has graduated from our short hand department after first completing the business course. Why? Because all took positions before ready to graduate. It costs but little to secure a usable education compared to the benefit derived. Send for catalogue.
