

KICKED BY A HORSE

AND SUFFERED NEARLY FORTY YEARS BEFORE THE BONE HEALED

"AM I ALL RIGHT? OF COURSE I'M ALL RIGHT," SAID MR. A. COOPER, OF POLK COUNTY, WHEN ASKED ABOUT HIS LEG WHICH WAS HURT WHEN HE WAS A BOY. "I WAS KICKED BELOW THE KNEE BY A HORSE IN 1860 WHEN A MERE BOY, AND SUFFERED FOR YEARS. IT ACHED TERRIBLY AND SOON BROKE; THEN PIECES OF BONE COMMENCED COMING OUT AND CONTINUED FOR ABOUT A YEAR. THIS WAS FOLLOWED

BY AN ATTACK OF TYPHOID, WHICH LEFT ME IN BAD SHAPE. I WAS OBLIGED TO USE CRUTCHES FOR OVER TWO YEARS FROM THAT TIME UNTIL I WAS CURED ABOUT SIX YEARS AGO I ALWAYS USED TWO CANES. THE DOCTORS TOLD ME THERE WAS NO HOPE FOR A CURE UNLESS I HAD MY LEG SPLIT AND SCRAPED AND THE CORDS CUT. SOME ALSO ADVISED AMPUTATION, BUT I REFUSED, AND FINALLY DR. COOK, THE BOTANICAL SPECIALIST OF SALEM, TOOK MY CASE. I BEGAN TO IMPROVE AT ONCE, AND IN SIX MONTHS MY LEG WAS WELL. IN FACT I FEEL THAT DR. COOK SAVED MY LIMB, AND I WANT EVERYBODY TO KNOW IT, FOR IT WAS A WONDERFUL CURE. SOON AFTER TREATMENT THE BLACK FLESH BEGAN TO GROW OUT OVER THE BONE WITH A HEALTHY COLOR."

September 1st, 1902. A. COOPER.
PERSONS WISHING TO KNOW DETAILS OF MR. COOPER'S CASE CAN LEARN ALL THE PARTICULARS BY CALLING ON HIM AT INDEPENDENCE, OREGON, OR AT DR. COOK'S OFFICE, 103 LIBERTY STREET, SALEM, OREGON.

GREAT NILE DAM

Completed—A Triumph of Modern Engineering
Great River of Egypt Checked in Its Floods

Cairo, Dec. 10.—The completion of the great Nile dam was celebrated at Assouan today with great ceremonious pageantry. In the presence of the Duke and Duchess of Connaught, who appeared on behalf of King Edward VII, the Khedive and delegates from cities throughout Egypt. The ceremony of inauguration, which was performed by the Duke of Connaught, consisted in laying the last coping stone, and opening a number of sluices to let the water flow down the Nile. Following the ceremonies the dual party and other guests left by a special boat for Assiout to inspect the supplementary dam, which has been built at that point.

Today's ceremonies at Assouan mark the completion of the greatest work of the kind ever attempted. As a triumph of engineering the Assouan dam stands perhaps at the head of human achievements. The dam is 1 1/4 miles long. It is pierced by 189 openings, 23 feet high and seven feet wide, which have steel sluice gates. The supplementary dam at Assiout, a few miles up the river, is intended as a reinforcement of the great dam to resist the spring floods, and restrain them in a local reservoir, capable of storing more than 1,000,000,000 cubic feet of water. The irrigation works supplied by this great reservoir will enable a wide tract of land to bear two crops a year. Instead of one, will bring waste districts into tillage, and will greatly increase the area of sugar cultivation. The work of construction was performed by the English firm of John Aird & Company, and it is estimated that the total cost will amount to a little over \$25,000,000.

The Hawaiian Missions.
The American Board of Commissioners for Foreign Missions, by whom the first Christian missionaries to these islands were sent, 83 years ago, will definitely withdraw all financial aid to the religious work of the churches here at the end of this year. The first missionaries sent to these islands left Boston in the brig Thaddeus in 1819, arriving here in the following year. They were re-enforced from time to time by others sent out by the American board, until along in

the 50s, when the board ceased its support of missionaries here, believing that the work already done had built up self-supporting and stable churches. The Hawaiian board was organized to carry on the work up to that time carried on by the American board. At the same time the American continued certain financial aid to the Hawaiian board, particularly in the work of creating and instructing a body of native preachers capable of ministering acceptably to the native churches. The aid, amounting to several thousand a year, will be withdrawn at the end of the year. There is some talk of enlisting the Hawaiian churches to join with the Congregational Home Missionary Society and carry on the work through this agency.

THE GHOST

Of our boyhood resolved itself to an old tree when we had courage to examine it. Manhood has its ghosts, which, to the man who has courage to confront them, prove to be as harmless as the ghosts of boyhood. One of the ghosts which scare a great many people is the ghost of lung disease. But experience shows this ghost to be very harmless. In cases almost innumerable "weak" lungs have been made strong, obstinate coughs stopped, and bronchial affections cured by the use of Dr. Pierce's Golden Medical Discovery. And these cures have been wrought in many cases after the doctor had said—"There is no help for you." Don't give in to the superstition of a past age. Give the "Golden Medical Discovery" a fair and faithful trial. It always helps. It almost always cures.

"When I commenced taking your medicine eighteen months ago, my health was completely broken down," writes Mrs. Cora L. Sutherland, of Chatsville, Colvert Co., Mo. "All times I could not even walk across the room without pain in my chest. The doctor who attended me said I had lung trouble, and that I would never be well again. At last I concluded to try Dr. Pierce's medicine. I bought a bottle of 'Golden Medical Discovery,' took it, and soon commenced to feel a little better; then you directed me to take both the 'Golden Medical Discovery' and the 'Favorite Prescription,' which I did. Altogether I have taken six bottles of the 'Golden Medical Discovery,' twice of the 'Favorite Prescription,' and see none of 'feels' left. I am now almost entirely well, and do all my work without any pain whatever, and can run with more ease than I could formerly walk."

Dr. Pierce's Medical Adviser in paper covers, is sent free on receipt of 21 cent stamps to pay expenses of mailing only. Address Dr. R. V. F., Buffalo, N. Y.

The price of bread was raised 1 cent per loaf in the east end of London, thus intensifying the distress of the persons who are out of work.

ONE MINUTE COUGH CURE
Is the only harmless cough cure that gives quick relief. Cures Coughs, Colds, Croup, Bronchitis, Whooping Cough, Pneumonia, Asthma, Laryngitis and all Throat, Chest and Lung troubles. I got soaked by rain, says Gertrude E. Fenny, Muskegon, Mich., and contracted a severe cold and cough. I failed rapidly; lost 48 lbs. My druggist recommended One Minute Cough Cure. The first bottle brought relief; several cured me. I am back to my old weight, 148 lbs. One Minute Cough Cure cuts the phlegm, relieves the cough at once, drains out inflammation, cures croup. An ideal remedy for children.
