The Hindoo Wonder Recognized as the World's Greatest CLAIRVOYANT And Psychic Palmist.

He arrived in the city and can be consulted on all affairs of life. The Hindoo Wonder is too well known in this country to need much introduction, but for the benefit of the few who may not have heard of him he will say that he is a graduate of the occult colleges of India and France, and has been a professional medium for the past 15 years, the past year in Spokane, Wash., where he gave the very best satisfaction to all.

Professor Delmar guarantees to tell you what you came for or charge you nothing. This is fair, is it not? He will tell you what you came for without asking a single question; no matter what your troubles are, he will guide you out of them with success on your side; he will give you names, dates, facts and localities in a way that will astonish the most skeptical. It may be of vital interest to you to know the outcome of your present distress. The happiness of your future life may depend upon the right solution, and proper advice. The Hindoo Wonder makes no mistakes. All his predictions are true, and may be relied upon. You may wish to know if it is advisable to make a change in business, in love or in marriage. Shall I succeed in my new undertaking? Can I trust my friends? Have I enemies? Whom shall I marry? How often shall I marry? Shall I ever be divorced? Does another share the love that rightfully belongs to me? If so, who? Am I loved in return? Have I a rival in my love? Whom shall I marry? How many children will I have? When will my domestic troubles end? How can I make my life and home happy? When will my absent friend return? Why do I not receive a letter? Should I invest my money? In what should I invest? Is my disease curable? Shall I win my law suit? Delmar tells you all these things, and a great many more. He settles lovers' quarrels, reunites the separated, and shows how to overcome all difficulties.

He is ever ready to assist those with small capital to find a quick and sure paying statement. If you wish to make a sure paying investment see Delmar. Hundreds have been made independent for life through his advice and counsel. He can do the same for you.

Office hours, 9 a. m. to 9 p. m. Sundays, 10 a. m. to 8 p. m.

ATTENTION.

Do you wish to learn to read the hand, as a pastime or as a pleasure, Prof. Delmar can teach you. He has been requested by a number of ladies and gentlemen of Salem to start a class in Palmistry, and the professor has concluded to do so, providing he can get enough interested to make it worth while, as he has agreed to give a course of lessons, lectures and demonstrations at a very small fee for the course. If you are interested, call and hear his plans.
