**MECHANICS LIEN
CASE DECIDED**

In Suit of Haselbacker Versus Gehrman

Judge Boise this morning rendered judgment for the defendant in the suit of Ferdinand Haselbacker against Anton Gehrman, to foreclose a mechanic's lien. The plaintiff claimed to have performed labor for the defendant in the capacity of a carpenter, and, having filed a lien against the property for an alleged balance of about \$50, brought suit to foreclose the lien, and apply the proceeds of the sale of the property to the satisfaction of his claim.

In deciding the case Judge Boise held that there was but a single question involved, and that was as to whether or not the work was performed at an agreed price, or was left for a settlement at a reasonable val-

ue. In this particular he found that the weight of the testimony was in favor of the defendant, since the plaintiff's main witness failed to substantiate his contentions, and the further natural custom that a man ordinarily has some definite understanding with workmen as to the probable cost of an undertaking before it is performed. The court held that the plaintiff failed to establish a lien against the defendant, and ordered the case dismissed, and the costs assessed to the plaintiff, who appeared by M. E. Pogue. The defendant was represented by Bonham & Martin.

County Judge J. H. Scott was in Marion today.

**Funeral of
Mrs. Hefty**

Mrs. Sophia Hefty, a former Salem resident, died in Portland Friday afternoon. The remains will arrive in this city at 11 o'clock Sunday, and taken to the City View cemetery, where burial will follow, after brief services conducted by Rev. Geizer, pastor of the German Methodist church. The deceased was a sister of Mrs. Eugene Willis, now of Portland, and the late Mrs. J. G. Booth. For many years she resided in this city.

**Seven Hundred
Telephone Calls**

W. H. Dancy, local manager of the Salem telephone exchange, reports that a new telephone directory is being printed, and will be ready for distribution to subscribers within a few days. The printing of the directory has been delayed, or it would have been issued some time ago. There are now 715 subscribers on the local exchange, and the new directory will be much appreciated, for its need has been apparent for several weeks.

**Burglars Work
In North Salem**

Mrs. John H. Brooks, who resides on North Cottage street, last night notified the police officers that an attempt had been made to enter her home some time Friday evening during the temporary absence of herself from the building. A badly marred window sill and a crushed ivy vine beside the window gave mute evidence of the attempted burglary.

**Fire Alarm
This Morning**

An eruptive chimney at the home of H. N. Lacy, No. 477 Commercial street, caused the Salem fire department to make a run this morning. The threatened blaze failed to develop, and the department was not required to turn any water onto the building.

W. H. Dancy, local manager of the Salem telephone exchange, was in Brooks today.

AFTER THE GRIP COMES CATARRH.

LIKE A TERRIBLE CYCLONE grip bacillus has passed over our country, from the Atlantic to the Pacific, leaving behind it a dark cloud of anguish and despair.

Catarrh follows grip as effect follows cause.

A multitude of catarrh victims will spring up in the trail of the awful epidemic of grip that has just passed over our fair country.

The hope to these people is Peruna.

Most people know this already.

Everyone who has had the least touch of grip, should not fail to take a course of treatment with Peruna.

Peruna eradicates every vestige of the disease and leaves the system in a normal condition.

Hon. Joseph B. Crowley, Congressman from Illinois, writes from the National Hotel, Washington, D. C., as follows:

"After giving Peruna a fair trial I can cheerfully recommend your remedy to anyone suffering with coughs, colds, la grippe and all catarrhal complaints."—J. B. Crowley.

Hon. George H. White, Congressman from North Carolina, writes:

"I am more than satisfied with Peruna, and find it to be an excellent remedy for the grip and catarrh. I have used it in my family, and they all join me in recommending it as an excellent remedy."—George H. White.

Hon. J. P. Megrew, Superintendent U. S. Capital Police Force, of Washington, D. C., says:

"Having suffered from the grip, I was advised by a friend to use your Peruna.

I also used it for my catarrh, and I can now cheerfully recommend your remedy to anyone who is suffering from the grip and catarrh."—J. P. Megrew.

Miss Anna Russell, Past Worthy Counselor, Loyd Mystic Legion, 26 Endicott Building, St. Paul, Minn., writes:

"For years I have unfortunately found my system in a peculiarly receptive condition for catarrh when I was exposed in any way to inclement weather. At those times I would be severely afflicted with la grippe and its unpleasant consequences."

"Now for the past year and a half I have used Peruna in such cases and have found that it not only cures me quickly, but it also cleanses my blood and renders me less liable to catch cold. It is the finest preventative of colds that I know of and a very superior tonic."—Anna Russell.

Miss Emily Milburne, President of the Westside Young Woman's Club, No. 152 West Congress street, Chicago, Ill., writes of several members of the club of which she is president, who have had the grip and have been quickly restored to health by Peruna.

Mr. Nicolas F. Rossiter, of 463 Norwood avenue, Cleveland, O., had a severe attack of the grip, was very sick and under the physician's care. He, like many others, passed the acute stage but did not receive strength. Peruna not only quickly restored him to his former health, but to much better health than he has had for years. He gives Peruna all the praise.

Hon. Max J. Porges, Alderman of the Eighth District, residing at 36 Rivington

street, New York, suffered with the grip, two bottles of Peruna cured him. He also writes that he knows a large number of people who have been cured of the grip by Peruna.

Hon. Charles W. Calkin, Alderman of the Seventh Assembly District of the Borough of Manhattan, residing at 61 Eighth avenue, New York, writes that he was laid up several days with the grip. On the fifth day he was advised to try Peruna. He did so and found himself better within twenty-four hours. This remedy soon restored him to his usual vigorous health.

Mr. Martin Edwards, President of the County Clare Men's Benefit Society, 222 West Forty-Ninth street, New York, writes that he was cured of the grip by a short course of treatment with Peruna.

Miss Blanche Dumont, President of the Athenia Club, 410 Aldrich avenue North, Camden Place, Minneapolis, Minn., says she was cured of the grip. Nothing helped her until she tried Peruna. Felt better next day after beginning its use. Was able to be out of bed the third day. She also tells of others who were cured by Peruna.

La Grippe is epidemic catarrh. Peruna cures catarrh, hence Peruna is specific for la grippe.

If you do not derive prompt and satisfactory results from the use of Peruna, write at once to Dr. Hartman, giving full statement of your case and he will be pleased to give you his valuable advice gratis.
