Pleasant Dancing Party.

The ladies of Viola lodge, Degree of Honor, entertained their friends Christmas night, by giving a dancing party in Tioga hall. There was a large attendance of young people, and, with these popular hostesses in charge of the affair, a splendid time was the result. Ristine's orchestra furnished the music, and the pleasures of the dance were continued until after midnight.

The James Boys' Play.

Those who remained away from the Salem Grand Wednesday night, because the attraction for the evening carried the name of the notorious James Boys, of Missouri, were not justified in doing so. While there was a great deal of gun play, and not a little powder was burned, still there was nothing of an offensive or objectionable nature about the performance. With the exception of the character of Frank James and Mrs. Dr. Samuels, all of the main parts were well sustained. The play gave an opportunity to present the better sides of the lives of the desperadoes, and this was faithfully done by the fairly competent company.

HANDSOME BAKER CITY TEACHER

Mortally Wounded by Jealous Lover

As She Was Returning From a Christmas Dance

Baker City, Or., Dec. 26.—Mingie Ensminger, the handsome daughter of Jacob Ensminger, a wealthy pioneer rancher near Haines, was shot Christmas morning at 3 o'clock by Plex Armstrong, a farm hand, who afterwards attempted suicide. Armstrong is half Spanish, 35 years old, and for a year or more has been keeping company with the young woman, who is the teacher of the Muddy Creek school, and made her break off the engagement.

Armstrong wrote the girl a few days ago, threatening to "make it hot" for her if she broke with him. Christmas there was a big dance at Reddings ranch, near North Powder. The girl went in company with another man. Armstrong was there and became insanely jealous. At 3 o'clock, when the dance broke up, Armstrong lay in wait at the gate of a neighboring ranch, where Miss Ensminger was to sleep. As she entered the gate Armstrong shot her in the back with a long new Colt's revolver, and as she fell he sent a second shot into her left breast. He then took a shot at himself, the bullet barely grazing his left temple.

He was soon corralled and taken in charge by the town marshal. A mob watched over him, ready to lynch him as soon as the girl died. Sheriff Brown brought the murderer here this afternoon and locked him in the county jail. The young lady still lives, but cannot recover. It is said the mob will yet attempt to get him here if the young lady dies. She was very popular, and her family very highly connected. All that part of the country is in mourning.

MISCALLED "HAIR TONICS."

Most Hair Preparations are Merely Scalp Irritants, of No Value.

Most hair preparations are merely scalp irritants, miscalled hair tonics. When hair is brittle, lusterless and begins to fall out the dandruff germ is getting in its deadly work at the root, sapping the vitality. Since science discovered that dandruff is a germ disease there has been only one preparation put on the market that will actually destroy the dandruff germ, and that is Newbro's Herpicide. It always itching instantly, destroys the germ; and then falling hair stops, and hair grows luxuriantly. Ask your druggist for Herpicide. It always itching instantly; makes hair grow.

For sale by Daniel J. Fry. Send 10 cents in stamps for sample to The Herpicide Co., Detroit, Mich.
