KICKED BY A HORSE AND SUFFERED NEARLY FORTY YEARS BEFORE THE BONE HEALED

BY AN ATTACK OF TYPHOID, WHICH LEFT ME IN BAD SHAPE, I WAS OBLIGED TO USE CRUTCHES FOR OVER TWO YEARS FROM THAT TIME UNTIL I WAS CURED ABOUT SIX YEARS AGO I ALWAYS USED TWO CANES. THE DOCTORS TOLD ME THERE WAS NO HOPE FOR A CURE UNLESS I HAD MY LEG SPLIT AND SCRAPED AND THE CORDS CUT. SOME ALSO ADVISED AMPUTATION, BUT I REFUSED, AND FINALLY DR. COOK, THE BOTANICAL SPECIALIST OF SALEM, TOOK MY CASE. I BEGAN TO IMPROVE AT ONCE, AND IN SIX MONTHS MY LEG WAS WELL. IN FACT I FEEL THAT DR. COOK SAVED MY LIMB, AND I WANT EVERYBODY TO KNOW IT, FOR IT WAS A WONDERFUL CURE. SOON AFTER TREATMENT THE BLACK FLESH BEGAN TO GROW OUT OVER THE BONE WITH A HEALTHY COLOR."

"AM I ALL RIGHT? OF COURSE I'M ALL RIGHT," SAID MR. A. COOPER, OF POLK COUNTY, WHEN ASKED ABOUT HIS LEG WHICH WAS HURT WHEN HE WAS A BOY. "I WAS KICKED BELOW THE KNEE BY A HORSE IN 1860 WHEN A MERE BOY, AND SUFFERED FOR YEARS. IT ACHED TERRIBLY AND SOON BROKE; THEN PIECES OF BONE COMMENCED COMING OUT AND CONTINUED FOR ABOUT A YEAR. THIS WAS FOLLOWED

Worry

And Overwork Caused Nervous

Prostration—Completely Worn Out.

Dr. Miles' Nervine Cured Me.

Dr. Miles' Nervine will cure nervous prostration. It will bring sweet sleep and rest; it will relieve the mind of the tendency to worry; it will make the nerves strong and the patient well. It has cured thousands. It will cure you. Try it to-day.

"Some years ago I was stricken with nervous prostration caused by overwork and worry. I was in such a weakened, exhausted, run down condition that I was unable to do my housework. I felt too weak and tired to even make calls on my neighbors. Frequently when out driving I would become so exhausted that it seemed that I would die before I reached home. I was also troubled with sinking spells at night which left me so weak that I thought I could not live until morning. I was in this deplorable condition when one day Dr. Miles' Nervine was brought to my notice. I had little faith in proprietary remedies but determined to give the Nervine a trial. After the second dose of the Restorative Nervine I was able to sit at the table and eat a meal, something I had been unable to do for many days. I have since taken a number of bottles of Nervine. I consider myself cured. I am doing my own work and give Dr. Miles' Nervine credit for my general good health. My object in writing this is to recommend your medicine but I cannot write as strongly as I feel."—Miss Anna B. Vankle, 405 E. Marion St., Guthrie, Oklahoma.

AMERICA'S STOCKMEN IN SESSION

Next Convention to Be Held in Oregon

Large Western Delegation in Attendance

Kansas City, Mo., Jan. 12.—The National Livestock Association, which was formed at a convention held in Denver in 1896, is celebrating the completion of its sixth year, with a convention containing nearly 2000 delegates, besides a large number of other visitors. Every state and territory in the Union is represented, but the largest delegations naturally come from those localities where the stock raising industry flourishes most. Oregon, Washington, Utah, New Mexico, Colorado, Idaho, Montana, the Dakotas, Texas, Kansas, Arizona, Wyoming, Minnesota, Iowa and Nebraska are much in evidence.

President John W. Stringer, of Denver, in his annual address, summarized the aims of the association, and reviewed the half decade of successful work it has accomplished in the interests of the livestock raisers. At the same time he emphasized the necessity of continued vigilance on the part of the stockmen, in order to protect themselves against the forces at work to undermine their independence and destroy the profits of their industry.

Secretary Charles F. Martin presented an interesting report, showing the gratifying growth of the association, which now embraces several hundred local organizations of stockmen, with a combined capital representing \$300,000,000.

The sessions of the convention will continue until Friday. Among the most important subjects which will be discussed are the adoption of some plan to oppose the contemplated merging of the packing plants of the country, opposition to the removal of the tariff on wool, hides, meats and livestock, to urge congress to immediately pass the Grosvener anti-shoddy bill, the amendment to the census act, so as to provide for the classified census of livestock, to amend the Interstate Commerce act by extending the time limit for unloading livestock in transit from 28 to 40 hours, the practicability of co-operation in marketing live stock, and to discuss what can be done to improve the present laws governing forest reserves and the public domain.

Portland, Oregon, seems today to be in the lead as a candidate for the next convention. Mention is also made of New Orleans and Sioux City, but the delegation from the Oregon city is working with might and main, and its chances for securing the prize seem to be excellent.

Tobacco Dealers' Convention.

Chicago, Ill., Jan. 12.—Independent cigar and tobacco retailers from all over the country met in convention in Handel Hall today, to discuss ways and means of fighting the tobacco trust. Preliminary steps were taken for the formation of a strong national association, which will have headquarters in Chicago. The plan of campaign calls for a close combination with the trade unions, particularly the cigarmakers and tobacco workers' union. A fight against the retail branch of the tobacco trust is to be inaugurated simultaneously in New York, Chicago, Philadelphia, Buffalo, Indianapolis and other cities where the trust has attempted to obtain control of the retail trade.

Damon Brothers

Commencing tomorrow morning January 14th will sell their entire stock of crockery and glassware at 25 per cent less than their regular prices. Their object is to close these lines of goods, and confine their trade to groceries. All white iron stone china or queensware; all white and decorated Gorman and French china and all glassware come under this "cut to close out." Buyers would do well to call soon, while stock is large and assortment complete. d-w-11
