EXERCISES LARGELY ATTENDED

Gov. Chamberlain Succeeded Geer Wednesday

Inaugural Address Was Well Received

The house was reconvened at 1:45 p. m. and proceeded with the second reading and reference of house bills.

Five minutes later the joint committee, appointed on the part of the two houses reached the representative hall with Governor Geer, the retiring chief executive of the state.

At 4:30 when the exercises were concluded and the house adjourned until 10 a. m. Thursday.

FLAT SALARY BILL

Senator Miller Fathers the Measure

Salaries Range from \$3000 to \$5000

Senator M. A. Miller, of Linn county, has introduced a bill in the senate that proposes the placing of the four principal state officers on flat salaries.

The measure further provides as follows: Governor \$5000, Secretary of state 4500, State treasurer 3000, State printer 4500.

All laws in reference to the payment of fees or perquisites to any of said officers shall remain in force, except that all fees or perquisites to be paid to any of said officers by existing laws shall be collected by such officers, but no part thereof shall be retained by him, but shall be paid over to the state treasurer monthly.

It is provided that as to the state printer the law shall not take effect until 1907. An emergency clause is attached, declaring that it is necessary for the immediate preservation of the public peace and safety that the act take effect upon the approval of the governor.

Appoints His Successor.

Following the inauguration ceremonies, Governor Chamberlain formally resigned as district attorney for Multnomah county, and appointed John Manning as his successor.

Factory Will Rebuild.

Albany, Or., Jan. 15.—The factory of the Sugar Pine Mill & Fixture Company, which was destroyed by fire Tuesday morning, will be rebuilt as soon as possible, and the business will be on a larger scale than before.

A. M. Hanson, of Salem, has been selected as manager of the new company, and is now here looking into the situation.

The stockholders have not yet decided on the policy they will pursue.

Frank Walter, drunk, paid a fine of \$5 in the city police court this morning.

WORTH KNOWING

At this Season of the Year.

Any cough accompanied by expectation which lasts over three or four days, requires attention and treatment; this does not mean a visit to the hospital, nor to your physician nor wholesale drugging with patent medicines; but it means that some simple, harmless effective antiseptic remedy like Stuart's Catarrh Tablets should be used to ward off any possible termination in Pneumonia, Chronic Catarrh, Bronchitis or Consumption.

All of the formidable diseases start from a common cold, neglected or allowed to run its course and it is only the exercise of common every day caution to cure a cold as quickly as possible, not so much for what it is at the moment, but what it may become if neglected.

Perhaps no remedy is so safe, reliable and convenient to stop a cold or obstinate cough as Stuart's Catarrh Tablets.

The extract of blood root contained in them combined with the red gum of the Eucalyptus tree seem to put the mucous membrane of the nose, mouth and throat in a condition to throw off the germs of catarrh, bronchitis and consumption, and as they are taken internally they seem to equalize the circulation and place the body in that condition of health which resists, and throws off the germs of disease.

A person in perfect health rarely catches cold and if he does, throws it off in a day or two, but, where the cold hangs on, stopping up the nostrils irritating the throat or there is persistent annoying cough it is evident that the system for some reason is unable to throw off the disease germs which cause the trouble; a little assistance is necessary, and this is best given by the use of some harmless germ destroying antiseptic like Stuart's Catarrh Tablets which are so palatable and equally so for children and adults.

Druggists sell these tablets at 50 cents full sized package, higher in price than troches and cheap cough syrups, but Stuart's Catarrh Tablets contain antiseptic properties which actually cure colds, catarrh and throat and lung troubles while it is a notorious fact that cough drops and cough syrups are largely composed of opium, cocaine and similar drugs that have no curative power.

It is also true that many popular liquid medicines and tonics for catarrh depend upon the alcohol they contain which give simply a temporary stimulation of no real benefit for any trouble catarrhal or otherwise.
