

# DIAMOND INSURANCE

**DIAMONDS** sold by the BARR STORE are practically insured against depreciation. We agree to buy back, after one year, any diamond bought here, paying for it ninety per cent. of the purchase price. Do you know of any other saleable commodity in which such an offer could be made? Do you know of any store making big profits on its diamonds that would like to buy them back on such conditions? We make this offer to show the good faith that is back of Barr diamond selling. We claim that no other store in Salem sells diamonds at so modest a profit-margin. This ninety per cent. repurchase offer would seem to be good proof.

### When it's Pure It's Harmless

Altered "forty-rod" whiskey is said to "knock out" the strongest constitution. The good, honest, properly distilled rye or bourbon article, such as we sell in bottles or bulk, used in moderation, don't hurt any one, but rather better you when exhausted when the appetite fails.
