Jews Have Gala Day

New York, March 13.—Jews every-
where celebrate Purim feast today. It
marks the anniversary of King
Ahasuerus' order rescinding the edict
for the killing of the Jews and over-
throwing the plans of Haman for the
destruction of the race. Through the
efforts of Esther the King issued the
order and gave the Jews permission
to defend themselves when attacked.

The race was preserved by this or-
der, and the people have celebrated it
ever since, covering a period of 2400
years. The celebration has not the
religious sentiment which marks so
many of the Jewish holidays. In an-
cient times the anniversary was cele-
brated by giving dances, especially
masquerades, and this custom has
been continued to a large extent by
thousands of Jews. One of the pre-
scribed customs is for the assembling
of the family in the morning and eve-
ning, when the Book of Esther is
read, and there is a general exchange
of presents. It generally is made the
most of the Jewish holidays, mark-
ing, as it does, the preservation of the
Jews.

North Dakota-Manitoba Debate.

Grand Forks, N. D. March 13.—The
debate between the University of
Manitoba and the University of North
Dakota will be held here tonight, and
it promises to be the most interesting
event of the college year. The ques-
tion is embraced in the following:
"Resolved, That undenominational re-
ligious instruction should be given in
our public schools." North Dakota
will take the negative, and will be re-
presented by Messrs Wardrop, Larson
and Thordarson.

RECORD OF THE PAST.

What Stronger Evidence Can the
Reader Ask For.

Look well to their record. What
they have done many times in years
gone by is the best guarantee of fu-
ture results. Any one with a bad
back, any reader suffering from urina-
ry troubles, from any kidney ills,
will find in the following evidence
proof that relief and cure is near at
hand:

Eugene Lario, of 751 20th Avenue,
ticket seller in the union station, Den-
ver, Colo., says: "You are at liberty
to repeat what I first stated through
our Denver papers about Doan's Kid-
ney Pills in the summer of 1899, for I
have had no reason in the interim to
change my opinion of the remedy. I
said when first interviewed that if I
had a friend and acquaintance suffer-
ing from backache or kidney trouble,
I would unhesitatingly advise them to
go to a drug store for Doan's Kidney
Pills, and take a course of the treat-
ment. I was subject to severe at-
tacks of backache for a considerable
length of time, always aggravated if I
sat long at a desk. It struck me while
reading a newspaper that if Doan's
Kidney Pills performed half what they
promised they might at least help.
This induced me to try the remedy. It
absolutely stopped the backache. I
have never had a touch or a twinge
since."

Sold for 50 cents per box. Foster-

THE FEAR OF HUMBAG

Prevents Many People From Trying a Good Medicine

Stomach troubles are so common
and in most cases so obstinate to cure
that people are apt to look with suspi-
cion on any remedy claiming to be
a radical, permanent cure for dyspep-
sia and indigestion. Many such pride
themselves on their acuteness in
never being humbugged, especially in
medicines.

This fear of being humbugged can
be carried too far, so far, in fact,
that many people suffer for years
with weak digestion rather than risk
a little time and money in faithfully
testing the claims made of a prepa-
ration so reliable and universally
used as Stuart's Dyspepsia Tablets.

Now Stuart's Dyspepsia Tablets
are vastly different in one im-
portant respect from ordinary prop-
rietary medicines for the reason
that they are not a secret patent
medicine, no secret is made of their
ingredients, but analysis shows them
to contain the natural digestive fer-
ments, pure aseptic pepsin, the diges-
tive acids, Golden Seal, bismuth, hy-
drastis and nux. They are not cath-
artic, neither do they act powerfully
on any organ, but they cure indiges-
tion on the common sense plan of di-
gesting the food eaten thoroughly be-
fore it has time to ferment, sour and
cause the mischief. This is the only
secret of their success.

Cathartic pills never have and never
can cure indigestion and stomach
troubles because they act entirely on
the bowels, whereas the whole trou-
ble is really in the stomach.

Stuart's Dyspepsia Tablets taken
after meals digest the food. That is
all there is to it. Food not digested
or half digested is poison as it cre-
ates gas, acidity, headaches, palpi-
tation of the heart, loss of flesh and
appetite and many other troubles which
are often called by some other name.
They are sold by druggists every-
where at 50 cents per package.

Willing to Demonstrate

London, March 13.—Marconi today,
in speaking of the challenge recently
sent him, to submit his wireless tele-
graphy to a test of four editors, two on
each side of the Atlantic, said he
could not accept the conditions im-
posed, as it would be an insult to the
governments which had already taken
up the invention. He said he was
willing at any time to demonstrate
his system to any responsible tribu-
nal, but was not prepared to accept
newspaper challenges.

pleased to learn that there is at least
one dreaded disease that science has
been able to cure in all its stages and
that is catarrh. Hall's Catarrh Cure

constitutional treatment. Hall's
Catarrh Cure is taken internally, act-

destroying the foundation of the dis-
ease, and giving the patient strength
by building up the constitution and
assisting nature in doing its work.

A NATURAL RESULT.

It is very reasonable to suppose if the
foundation of a structure was removed
that the building itself is bound to
come down. This same principle can
be applied to disease. Take a medi-
cine into the system that will remove
the cause of sickness, and the illness
leaves of itself. Dyspepsia, indiges-
tion, sick-headache and biliousness
have their foundation in stomach dis-
orders. Remove this weakness and
the other symptoms are no more.
There is one cure for all this that all
druggists sell for 25c per box. It is
called Dr. Gunn's Improved Liver
Pills. They get right at the beginning
of these diseases and make the cure
by taking away the cause of it. We
will send a small box free by mail, or
a large box on receipt of 25c. Address
