Grip

Weakened My Heart And Nerves.

Quickly and Completely Cured by

Dr. Miles' Heart Cure and Nervine.

If, after an attack of LaGrippe, your strength does not return, you cannot sleep, or rest or eat; if you have frequent headaches, or your heart flutters, blood is thin, your circulation poor, you are in more danger than when stricken with fever and in the deadly grasp of grip itself. The after effects of LaGrippe are terrible. To guard against its dangers, strengthen the heart with Dr. Miles' Heart Cure which, by enriching the blood and improving its circulation, will cure any affection of the heart and strengthen it against further attacks. Tone up the system and revitalize the nerves with Dr. Miles' Nervine. When your nerves are in proper condition, you need never fear the attacks of LaGrippe or its terrible after effects.

"From my personal experience with Dr. Miles' Remedies I always take pleasure in recommending them to my customers. Six years ago I suffered from a severe attack of LaGrippe which left me with a weakened heart and nervous system. I was weak, run down, frightened at my condition and miserable. I used two bottles each of Dr. Miles' Restorative Nervine and New Heart Cure and I was quickly and completely cured, furthermore I have never had a return of the trouble. I am selling vast quantities of your medicine, especially the Anti-Pain Pills. Every customer is thoroughly satisfied with the results."—EUGENE MARSH, Druggist, Ft. Scott, Kansas.

TWENTY YEARS TRIAL.
There are lots of good things the doctors know nothing about. We frequently cure people of disease after the doctors have given them up. If the disease comes from over work, dissipation, of exposure, causing weak and watery blood, and loss of flesh and strength, we have the one sure remedy in Dr. Gunn's Blood and Nerve Tonic. These tablets taken with meals turn the food into rich red blood, making strong steady nerves, and increasing the strength, building up solid flesh at the rate of 1 to 3 lbs per week. This means health. For nervous prostration, loss of memory, or a pale, sallow complexion, a better remedy was never made. Doctors know nothing about this remedy only the fact that we make cures; as we have been doing this for twenty years we know our method to be the right one. Druggists sell Dr. Gunn's Blood and Nerve Tonic for 75c per box, or 3 boxes for \$2.00 sent by mail on receipt of price. Write us for a pamphlet telling all about this great medicine. SHE MADE A CHANGE

A Charleston Mother Did So With Advantage to Herself and Children

A mother living in Charleston, Mass., the happy possessor of four children, writes: "Every fall and winter I have laid in a stock of cough remedies, croup mixtures and throat medicines for my children, for some how or other they never seem to be free from colds, coughs or sore throat.

This fall I made a change in the usual program. I had myself been cured of an obstinate catarrh from which I had been suffering for years, by Stuart's Catarrh Tablets, and as they were pleasant to take I determined to try them with my children. Our family physician told me he knew them to be perfectly safe, and nothing better could be used for catarrh, coughs and colds.

So I gave them to the children, and have continued to do so ever since, whenever there is the least sign of croup or sore throat, and I no longer dread the approach of cold weather as I once did.

Stuart's Catarrh Tablets not only cured me of chronic nasal catarrh, but they have saved me many an anxious night with my little ones. The children like the taste of them, and it is really wonderful how quickly they will break up a croupy cold or an obstinate, deep-seated cough."

People who have used sprays, inhalers, salves or washes for catarrh and have found how useless they are, will be agreeably surprised at the results following the use of a pleasant, convenient, internal remedy in tablet form. Druggists everywhere admit that Stuart's Catarrh Tablets, which sell for 50 cents full-sized package, is the safest, most effective and popular of catarrh medicines. 3-17-19-21

A recent report from Lincoln, Neb., indicates that Football Coach Yost intends to return to Michigan university next fall, and the students of the university are correspondingly pleased.
