LICENSES TO MARRY INCREASED

Heartless Legislature Raised the Price 20 per Cent

Initiative Being Taken, Should Invoke the Referendum

An unmarried man, one probably with marriage in view, submits the following:

"The legislature adjourned unfortunately before outraged adolescence learned that an unholy act had been passed raising the price of marriage licenses. The individual members sneaked off to their respective homes, to seek that oblivion the ungracious and uncalled for tax on bliss demands.

What strens sang into their elongated individual and collective ears, that the God of Love should have his assessment raised, and that too, without his day in court? What spirit of evil, tempted them to drive from Hymen's altar, the rose and orange blossoms, the music, the milliners' dreams and dress-makers' confessions; the white kids and dress coats, and wedding marches, and presents, and promises for divorce proceedings?

Did they think that because Love is blind the county clerks of the state of Oregon, could with impunity run their avaricious hands into his pockets, or wherever he carries his finances and surreptitiously abstract therefrom even a solitary four-bit piece, from among his scanty resources? Did they think that \$2.50, coin of the realm, was not enough largesse to punge to the state of Oregon before a man could kiss his own wife, and have the sanction of the constitution and by-laws of the great commonwealth in so doing. Where is the quid pro quo? Where the Roland for the Oliver? Where is the subject matter, the consideration given by the state for that extra half a plunk? Will the extra shekel make warmer the kisses of the new-made ones, or assist in contracting the flexors of the groom's arm that he may get his money's worth extra, in the additional squeeze he gets on the very sweetest thing in shirt waists? Why in those days of goods reduced to 49 and 98 cents, put a raise of 20 per cent on the old price, where a fellow gets in, and takes a job lot assortment of dry goods and millinery? Was it a deep and crafty scheme of plotting Democracy, to stab the pet hobby of our strenuous President? There is no answer and Echo herself is dumb. Still, through the black pall of gloom comes one faint ray of blessed light. Against the scissors of the Fates outraged bachelordom may interpose one impenetrable shield. There is still the referendum.

If you are troubled with impure blood, indicated by sores, pimples, headache, etc., we would recommend Acker's Blood Purifier, which we sell under a positive guarantee. It will always cure Scrofulous or Syphilitic poisons and all blood diseases, 50 cts. and \$1.00. D. J. FRY, Druggist.

\$500 REWARD FOR WOMEN WHO CANNOT BE CURED.
So uniformly successful has Dr. Pierce's Favorite Prescription proved in all forms of Female Weakness, Prolapsus, or Falling of Womb, and Leucorrhoea, that after over a third of a century's experience in curing the worst cases of these distressing and debilitating ailments, Dr. Pierce now feels fully warranted in offering to pay \$500 in cash for any case of these diseases which he cannot cure.

IT STANDS ALONE.—The "Favorite Prescription" stands alone as the one and only remedy for these distressing common forms of weakness, possessed of such positively specific curative properties as to warrant its makers in proposing, and binding themselves to forfeit, as the proprietors of that wonderful remedy hereby do, to pay the sum of \$500 in legal money of the United States in any case of the above diseases in which after a fair and reasonable trial of our treatment, we fail to cure. No other medicine for the cure of woman's peculiar ailments is backed by such a remarkable guarantee; no other medicine for woman's life is possessed of the unparalleled curative properties that would warrant its manufacturers in making such an offer; no other remedy has such a record of cures on which to base such a remarkable offer.
