

Not a Rival in Sight Anywhere
When the linen that has been done up at the Salem Steam Laundry is put in contrast with that laundered anywhere in Salem. The beauty of our laundry work makes us justly proud, and we feel like crowing every time we see the difference in our superb color and finish on the shirts, collars and cuffs done up by our methods with the linen worn by anyone laundered by any other process.

GRIP CONVALESCENCE

There's nothing better than Scott's Emulsion after the grip. When the fever is gone the body is left weak and exhausted; the nervous system is completely run down and vitality is low.

Two things to do: give strength to the whole body and new force to the nerves. Scott's Emulsion will do it; contains just what the worn-out system needs.

Rich blood, healthy flesh, resistive force, more and better nourishment are what Scott's Emulsion supplies to the convalescent.
