Two-base hits—Davis, Louder, Joerger, Morrow.

Passed balls—White 1.

Bases on balls—Bradley 4; Ross 3. Wild pitches—Ross 2.

Time of game, 2:30. Umpire, McCormick.

The game between Eugene and Albany Saturday was very good ball, according to the Eugene Guard, but Eugene was too heavy for Albany, and won by a score of 6 to 2.

Sunday's game was different, the score showing 18 to 6 in favor of Eugene. It is rumored that Eugene has strengthened her team by adding seven men from California. It is said these men arrived in Eugene Friday morning, and that Eugene now stands ready to put good money on its team. It would seem from the score of the last two games, that there might be some foundation for the rumor. When Roseburg and Eugene meet, something is going to happen, and it is pretty certain that Salem has got to get a move on and strengthen its team or take a third place. Salem is in the game, and, being in, it must play the limit or quit.

WOODMEN SERVICES SUNDAY

Camp and Circle Keep Their Decoration Day

Woodman memorial day was observed Sunday by Salem Camp, No. 118, and ladies of Silver Bell Circle, No. 48, Women of Woodcraft. The organization met at their hall in the Holman building, and at 1:30 o'clock proceeded by the Salem Marine band marched to the Hotel Willamette, where they took the cars for the cemetery. Re-forming they took up the march. The first grave unveiled being by the Circle, that of Mrs. Anna Hanson, wife of R. P. Hansen. The Woodmen then took charge of the services, and unveiled the monuments over the graves of Geo. T. Baillie, T. H. Simpkins, G. P. Card, Z. Taylor, Wm. G. Westcott, L. L. LaFore and Frank B. Ferrell; Prof. W. C. Hawley being the orator of the day, and E. F. Averill the reader. The vocal music for the occasion was furnished by a quartet of members of the Circle.

This was the first public appearance of the marine band, as it is a recent organization of the city, scarcely three months old, and composed of 18 pieces. They made excellent music, and received many compliments for their progress in the short time they have been working.

Lewis and Clark Club.

Mrs. William Hancock Clark has recovered from her recent illness, at Portland, and on next Tuesday will accompany her husband to this city. Major Clark and wife will come up from Portland next Tuesday, arriving on the 11 a. m. train. They will remain in Salem until the same hour next day, when they will visit Albany, returning to Portland Friday evening, and leaving for their home in Washington, D. C., the following Monday. The members of the Lewis and Clark Club will tender them an informal reception on Thursday evening.

Ragians Lose to Roseburg

(Continued from first page.)

The Roseburg boys are a very clever lot, and they play good ball. To add to their reputation in this line, however, it might be well to gag the first baseman. He plays rattling good ball, but his mouth is of the hair-trigger variety, and his vocabulary of the breech-loading magazine class.

TWIN OAK CEMETRY

Holds Impressive Woodmen Memorial Exercises

At Twin Oak cemetery, near Turner, on Saturday afternoon, was held the unveiling ceremonies of the monument erected to the memory of Jas. W. Brown, a Woodman, who was a member of Pine Camp, No. 198, of Silverton. Mr. Brown was quite well known in Salem, where he married Miss Cora Adams in 1894. He was at one time in the employ of the Statesman, and also worked at the Salem woolen mills. He was killed in a railroad accident near Rocky Ford, Colorado, last winter, while in the employ of the Oregon Nursery Company, of Salem. His wife and daughter were present at yesterday's ceremonies, which were beautifully rendered, under the management of Neighbors Kinney and Simeral, of Pine Camp, and Postmaster Robertson, of the Turner Camp of the Woodmen of the World. Prof. E. T. Moores officiated as consul commander. Miss Gladys Riches was the reader of the poem for the occasion. Walter L. Toozo, of Woodburn, delivered the oration. Music was furnished by the Turner band. Large delegations attended from Pine Creek camp and Stayton. Altogether the exercises were of a most impressive and solemn character.

A marriage license was issued today to William Dennis and Irie E. Williams.

TWENTY YEARS TRIAL.

There are lots of good things the doctors know nothing about. We frequently cure people of disease after the doctors have given them up. If the disease comes from over work, dissipation, of exposure, causing weak and watery blood, and loss of flesh and strength, we have the one sure remedy in Dr. Gunn's Blood and Nerve Tonic. These tablets taken with meals turn the food into rich red blood, making strong steady nerves, and increasing the strength, building up solid flesh at the rate of 1 to 3 lbs per week. This means health. For nervous prostration, loss of memory, or a pale, sallow complexion, a better remedy was never made. Doctors know nothing about this remedy only the fact that we make cures; as we have been doing this for twenty years we know our method to be the right one. Druggists sell Dr. Gunn's Blood and Nerve Tonic for 75c per box, or 3 boxes for \$2.00, sent by mail on receipt of price. Write us for a pamphlet telling all about this great medicine. Address Dr. Bosanko Co., Philadelphia, Pa. For sale at Dr. Stone's Drug Stores.

THE QUEEREST STRAW HATS

You ever saw are on display in our south window. They're made by the natives of Mexico and are so peculiarly constructed that they can be bent into any conceivable shape and will not break, and water will not hurt them, either. Too much to believe, is it? But it's so. Roll your hat up and stow it away—take it out and shape it in any of a dozen unique styles and it looks as though from the milliner's hand. Just the thing for ladies' negligence wear, but they're made for men and children also, and no more serviceable summer hat was ever sold for the price which is only 25c. Ask to see one—then you will see that we have not exaggerated in the least.
