Truth to Tell

There are no other milk cans made that can equal in wearing qualities the genuine **BUHL CANS**

They are tinned to stay tinned, and put together to stand years of hard service. Other cans crack easily, become dented, and being lightly tinned soon rust and go to pieces. Not so with the "Buhl Factory." Improved Elgin and "Genuine Iowa." They will outlast any other cans on the market, and are thoroughly and quickly cleaned. Remember, the Buhl is the only can in the world that is made with the Buhl "Victor" Can Breast and the Buhl "Victor" Round Handle. As there are many inferior imitations of this can, we stamp all ours with the Milk Can Trade Mark. Look for it.

THEIR WORSHIP CEASED

When it Came to Going Into Their Pockets

Misguided Cranks Build Monument for Whitman's Glory But Won't Pay for it

Since the implied threat to move the Whitman monument from its position seven miles west of the city unless the balance due is paid the question again comes up, who is expected to pay the piper, says the Walla Walla Union.

A. Vinson, the contractor who made the shaft and placed it on the spot of the Whitman massacre, claims a balance of \$1100 is still unpaid, and intimates that the monument will be moved if the matter is not straightened out soon.

A Union representative asked one of the trustees of the Whitman monument yesterday regarding the situation, and he said the people of Oregon started the project and that it was understood the people of Washington would not be called upon to assist in paying for the shaft.

When the monument was first started the citizens of Walla Walla and the authorities of Whitman college made it distinctly understood that they would have nothing to do with the monument one way or the other except to participate in the dedicatory ceremonies. Walla Walla's citizens at that time had been called upon to contribute sums to Whitman college which was then struggling for existence, and for that reason they and the college authorities could not assist in the payment of the monument.

This was agreed to by the Oregon promoters and after paying a little over \$1000 of the total cost they evidently dropped the matter. The original cost of the monument was about \$2100.

Shriners Assemble

Tonight the Mystic Shrine meets in Portland, the occasion being the initiation of a large class of Free Masons into its mysteries, men who have attained sufficient rank to entitle them into this branch of the fraternity. Salem has a number of Shriners, and a considerable delegation of them went down to Portland on the Albany local this morning to attend the business session at 6 o'clock this evening, and the "work" meeting a few hours later, when the "sands" being sufficiently warmed, the class of pilgrims will be conducted over them, and made worthy members of the Shrine. Among those going down to attend the festivities and the banquet following were: Dr. W. H. Byrd, Major C. F. Cramer, George Brunk, F. W. Steusloff, W. A. Cook and Wm. Steusloff.

Woodmen, Attention.
Salem Camp, No. 118, will tomorrow, Sunday afternoon, unveil the monument over the grave of our late Brother, Patrick D. Prunty, at the Catholic cemetery. All neighbors are requested to attend, and those that can bring a bouquet of flowers. We will leave the hall at 2:30 o'clock, sharp. "Pat" was a true Woodman; let us give him the last honors in a becoming manner.

WORLD'S DISPENSARY MEDICAL ASSOCIATION, Proprietors, Buffalo, N. Y.
A Massachusetts woman, Mrs. Carrie P. Hamford, of No. 64 Hale street, Beverly, Mass., who is well known socially there, being Treasurer of the Order of the Eastern Star, wrote her experience as follows: "Your Favorite Prescription" is without a doubt, the finest remedy on the market to-day, for female difficulties. I suffered for four years with pains every period, and I dreaded the approach of the time as I knew it meant two or three days' misery. Tried several different widely advertised remedies, and found that they did me no good whatever. One day a friend called, who had suffered as I was suffering, and she told me that she had been cured through the use of Dr. Pierce's Favorite Prescription, so I purchased a package. I found that the real value of your medicine was greater even than my expectations, and the next month I had hardly any pains. The following month had none at all, and found that my general health was much better and new life and strength had come to me.

"Favorite Prescription" makes weak women strong, sick women well. Accept no substitute for the medicine which works wonders for weak women. The Common Sense Medical Adviser, 1000 large pages in paper covers, is sent free on receipt of 21 one-cent stamps to pay expense of mailing only. Address Dr. R. V. Pierce, Buffalo, N. Y.

Osteopathy does not claim to cure everything. It deals in no miracles. It has nothing to do with mysticisms. It does induce Nature to cure many diseases, however, which other schools utterly fail to and incidentally, all diseases which other schools are able to.
