# BUHL CANS

They are tinned to stay tinned, and put together to stand years of hard service. Other cans crack easily, become dented, and being lightly tinned soon rust and go to pieces. Not so with the "Buhl Factory," "Improved Elgin" and "Genuine Iowa." They will outlast any other cans on the market, and are thoroughly and quickly cleaned. Remember, the Buhl is the only can in the world that is made with the Buhl "Victor" Can Breast and the Buhl "Victor" Round Handle. As there are many inferior imitations of this can, we stamp all ours with the MUK Can Trade Mark. Look for it.

## KANSAS SHIPPING BERRY

### Valuable Variety at Salem that Stands a Week

### Demand for Oregon Berries for Long Distance Shipment is Increasing

Among the 29 new varieties of strawberries now being tested in field culture on the grounds of E. Hofer, president of the Salem Fruit Growers' Union, there is one variety that is attracting unusual attention, and is probably the most valuable berry that has been introduced in this part of Oregon. It is called "Kansas," was originated in that state, and has shown remarkable powers of resisting drought there. The three hot days in the fore part of June that hurt strawberries all over Oregon, did not faze the "Kansas," as they are a late berry, and were still green.

The first pickings, about a week ago, were taken in part to the cannery and a few crates shipped to Portland, one crate being shipped back to San Francisco, for trial of its merits as a shipping berry. Two boxes were picked last Thursday, and are now to be seen at the office of the Fruit Growers' Union, and have very few bad berries, those decaying having a dry mould that does not spread to the other berries in the box. Nine out of ten after standing open for a week are sound, and firm, and have a good flavor, being quite acid and having the wild strawberry flavor quite marked. They have a tough skin and seem to keep dry and solid instead of giving way to decay. A shipment will be made this week to Omaha. They are prolific, have a good stand of foliage, endure field cultivation on old worn out land without fertilizer, and will become, from all present indications, our most valuable canning and shipping berry. They are not a round berry, but pack flat and make a showy box of fruit, rather darker than the Wilson, and red clear through. Persons wishing to see samples can call at the Union office on South Commercial street, or at the grounds in South Salem, three blocks southeast of the Lincoln school.

## Big Balloon For Jefferson

The Publicity Committee for the Greater Salem Carnival has decided to send a grand prize balloon to Jefferson, and the committee headed by Chairman Hinges will go up Friday evening to touch it off, provided the weather is favorable. The balloon will contain a string of prizes including many free season tickets to the Carnival, and all will be set free by the explosion of a bomb in mid-air. Several hundred sheets of tissue paper will be sent up and thus scattered.

## Letters from Women

Cured by the use of Kodol are received daily. Their troubles nearly all begin with indigestion or other stomach disorder. If the food you eat fails to give strength to your body, it is because the juices secreted by the stomach and digestive organs are inadequate to transform the nutrient properties of the food into blood. That is indigestion. The system is deprived of the amount of nourishment required to keep up the strength, and the result is that one or more of the delicate organs gradually grows weak, and then weaker, until finally it is diseased. Here a great mistake is made. That of treating the diseased organ. The best doctors in the land make this very mistake. Why should they? It is so easy to see that the trouble is not there.

## Kodol Cures

This famous remedy puts the stomach and digestive organs to a healthy condition so that rich, red blood is sent coursing through the veins and arteries of every muscle, tissue and fiber throughout every organ of the entire body, and by Nature's law of health, full strength and vigor is soon restored to each. Kodol cures indigestion, dyspepsia and all stomach disorders. I have taken Kodol for nearly two months after each meal and it is the only remedy that gave relief from the terrible pain I endured. After a time I would take it but once a day, and now, while I keep a bottle handy I seldom need it, as it has cured me. Mrs. J. W. Goodale, Milo Center, N. Y. Kodol Digests What You Eat. Bottle only \$1.00. The 3 1/2 lb. tin \$3.00. Prepared by E. G. Dewitt & Co., Chicago. K. G. Hess, Drug Store.

## "I wrote to Dr. Pierce for advice though I thought surely I would die."

"After my baby came in January, 1928," writes Mrs. Nancy Abner, of St. Paul, Ark. "I suffered severely from all sorts of aches and pains, until the following May, when I read one of your pamphlets, treating on female diseases. I wrote to Dr. Pierce for advice, although I thought surely I would die, as our physician told me I was more liable to die than to get well; your fatherly advice caused my health to be restored. I took five bottles of Dr. Pierce's Favorite Prescription, three of 'Golden Medical Discovery' and three vials of 'Pellets,' together with your other remedies, and I am now able to do all my work."

Weak and sick women are invited to consult Dr. Pierce, by letter, free, and so obtain without charge or fee the advice of a specialist upon diseases peculiar to women. All correspondence is held in strictest privacy and sacredly confidential. Address Dr. R. V. Pierce, Buffalo, N. Y. The invitation to consult Dr. Pierce, by letter, free, is not to be confused with offers of "free medical advice" made by irresponsible persons who are not physicians and are professionally and legally disqualified for the practice of medicine. Dr. Pierce's Favorite Prescription is a safe and reliable remedy for the cure of womanly ills. It establishes regularity, dries weakening drains, heals inflammation and ulceration and cures female weakness. FREE. Dr. Pierce's Common Sense Medical Advisor is sent free on receipt of stamps to pay expense of mailing only. Send 21 one-cent stamps for the book in paper covers, or 11 stamps for the cloth-bound volume. Address Dr. R. V. Pierce, Buffalo, N. Y.

The prizes will be indicated on the sheets, and will be paid upon presentation. The large number of blanks will be sent up along with these bearing prizes, and thus great sport will be made for the multitude of men, women and children. If the evening is pleasant a good turnout is expected.

### WHAT TIME PROVES.

This thing of being sick and looking for a cure is a mighty serious business. People are not given to joking even at the first symptom of the approach of the grim destroyer. They do not want to be the subjects of experiment, but want medicine that has been the test of years behind it. A medicine that has been made and used for 20 years gives assurance of its worth, and can be taken with a faith that they have the very best cure the world affords. All this can be said about Dr. Gunn's Improved Liver Pills as a remedy for sick-headache, dyspepsia and indigestion, it begins right at the source of the trouble and removes the cause. We will send a sample box of these pills free, or a full box on receipt of 25c. Sold by all druggists for 25c per box, or address Dr. Bo-sank-ko Co., Philadelphia, Pa. For sale at Dr. Stone's Drug Stores, 2

You can buy your fruit jars cheaper at The Fair Store than any place else in the city.

### Cook Was the Doctor.

"Twer a new governor of New-foundland, and he was shocking careful of the sealers' health," began the old sealing captain, his deep set eyes twinkling. "The night afore the North Star left Sen John's for the ice he came aboard t' inquire what for medicine-chist we had.

"You ought to have a ship's doctor aboard her with 200 men shipped," says he. "Who gives out the medicine?"

"The cook, o' course," I answers. "But I'm sarten o' one thing, governor," I says, "there's nothin' there that's pizen."

"How do you know?" he asks pretty sharp. "Well," I answers, "a man comes runnin' to the cook and he says, 'My chum's sick, and I want some medicine for he.' The cook never asks no questions as to what's ailin'. He grabs up the first bottle he gits his 'and on and pours out some in a cup. If it don't do the man's chum no good, he comes back and the cook pours something out of another bottle, and so on till he strikes something that 'eips him. That's why I know there's nothin' pizen in that rist or the cook would 'ave killed 'art of 'em 20 'y'ers ago."—Lippincott's
