DROPSY

Do Your Ankles or Limbs Swell?
Are Your Eyes Puffy? We are
the Sole Agents for the Only
Thing Known That Cures the
Kidney Diseases That Cause
Dropsy, viz: Fulton Compound.

It is now well known that dropsy is not a
real disease, but is merely a symptom
of kidney disease that accompanies the
chronic stages heretofore incurable. Hence,
up to the discovery of the Fulton Compound,
dropsy was incurable. It is now, however,
curable in nearly nine-tenths of all cases. Here
is an interesting recovery, to which we refer by
permission.

Mrs. Peter Gorbach of 585 Fillmore street,
San Francisco, became alarmingly dropsical.
Her physician had finally to lay her every few
days. She was tapped nearly forty times and
grew worse from day to day. The physician
finally told her husband that she had Bright's
Disease of the Kidneys, that it was an ad-
vanced chronic state and beyond medical aid.
Her heart also gave her the usual trouble and
was in such a serious condition the relatives
were sent for. They put her on Fulton's com-
pound. It stayed on the stomach, the swelling
went down, the dropsy declined a little and the im-
provement was then gradual till her recovery
was complete. This case was examined by
representatives of the San Francisco Board
and the Overland Monthly, and the genuineness
of the cure and the recovery were fully attested
in their columns.

Mrs. Thomas Christ of 212 Twenty-seventh
street, San Francisco, was also swelling with
dropsy, as the result of chronic kidney disease
to such that seventy-five pounds beyond her
normal weight, and had to be moved to a hotel
and was close to death's door although she had
her physicians. She was put on the Fulton
Compound. Three weeks later she was improved
and in six months she was well, and permits
this reference.

If you have dropsy don't postpone. There is
only one thing known that will cure the chronic
kidney disease that is behind it and that is
Fulton's Compound. The Fulton Compound is
made by Fulton & Co., 212 Twenty-seventh
street, San Francisco, sole manufacturers. Read
the pamphlet. We are the only agents for this
city.
