

FOR SYSTEMIC CATARRH

Peculiar to Summer Pe-ru-na Gives Prompt and Permanent Relief.

C. S. Rhoads, Indianapolis, Ind., writes: "For the past two years I have hardly known what it was to have a sweet, restful night's sleep. Cares and overwork seemed to weigh me down more than it should or would had I been able to get my proper rest. My doctor was unable to help me and ordered me South for a complete rest and change. As this was simply out of the question, and as I had heard several of the men under me speak of how much Peruna had helped them, I decided to try it and am glad indeed that I did. Six bottles made a new man of me. I eat well, sleep well and get up feeling refreshed and rested.

"My official duties are not half so hard and I certainly have good reasons to heartily endorse Peruna."—C. S. Rhoads.

A Prominent Business Man of Indianapolis Restored to Health and Vigor by Pe-ru-na. He says: "Pe-ru-na made a New Man of Me."

Judge Wm. T. Zenor, of Washington, D. C., writes from 213 N. Capital street, Washington, D. C.: "I take pleasure in saying that I can cheerfully recommend the use of Peruna as a remedy for catarrhal trouble and a most excellent tonic for general conditions."—Wm. T. Zenor

Mrs. Amanda Morrill, 150 Reid street, Elizabeth, N. J., writes: "I have been sick over two years with nervous prostration and general debility, and heart trouble. Have had four doctors; all said that I could not get well. I had not walked a step in nine months, suffering with partial paralysis and palpitation of the heart every other day, and had become so reduced in flesh as to be a mere skeleton, weighing only 85 pounds.

"Up to this date I have taken Peruna for seven months. It has saved my life

as I can safely testify. I have not felt so well in five years, having walked over one mile without ill result, and have also gained thirty pounds since commencing to take Peruna. In fact, I cannot praise it too highly."—Mrs. Amanda Morrill.

Peruna never fails to prevent systemic catarrh or nervous prostration if taken in time. Peruna is the most prompt and permanent cure for all cases of nervous prostration caused by systemic catarrh known to the medical profession.

If you do not derive prompt and satisfactory results from the use of Peruna, write at once to Dr. Hartman, giving a full statement of your case and he will be pleased to give you his valuable advice gratis.

Rheumatism

What is the use of telling the rheumatic that he feels as if his joints were being dislocated?
He knows that his sufferings are very much like the tortures of the rack.
What he wants to know is what will permanently cure his disease.
That, according to thousands of grateful testimonials, is

Hood's Sarsaparilla

It promptly neutralizes the acid in the blood on which the disease depends, completely eliminates it, and strengthens the system against its return. Try Hood's

FINE SUMMER THEATER

Salem Has a Firstclass Open Air Vaudeville Entertainment Nightly

Patton Bros. deserve great credit for securing the Shield's Park summer theater for this city. It gives Salem a distinctly metropolitan character to have nightly vaudeville entertainments, and for the second week of its run it has achieved a great success. It not only affords a good bill of amusement, but brings a great deal of business to the town, making traffic for the car lines, and adds to all lines of business by putting money into circulation. The program this week is excellent, every feature being a specialty, and the best people of the town would find it worthy of attendance, and probably some of them will attend after there is no longer a free show in town. The audiences are growing, however, and before a month is up Shield's Park will be doing a paying business.

Stole a Bicycle.

Oscar Hiett, a boy about 14 years old, was arrested this morning while trying to sell an almost new Tribune wheel, 1903 model, No. 91,100. Chief Gibson was satisfied that the wheel was stolen, and looked the boy up. He told several different stories, but at last confessed that he stole the wheel at Independence last night, and rode over here. The boy claims to be from Seattle, and left home several weeks ago. He does not know whether or not his parents are still living in Seattle. He will be sent to the reform school.

Linn County Divorce.

A new divorce case is Ella McHargue against G. W. McHargue. Complaints of cruel, harsh treatment, etc. Weatherford & Wyatt are attorneys for the plaintiff. They were married October 11, 1874, and have four children, three sons and one daughter. Mrs. McHargue is living upon the farm, and has been since January, without her husband.

Help for Heppner.

The Salem Woman's Relief Corps has shown its loyalty to charitable enterprises by donating \$5.00 to the Heppner relief fund.

Miss Marguerite Chamberlain, of Portland, is the guest of Mrs. C. B. Shelton.
