

The Hammer Is Stilled

The hammer of the auctioneer is stilled and the Barr Store has resumed conventional placidity. We feel a trifle lonesome after the sale crowds of last week, but special sales cannot last forever and this one could hardly be of long duration because auctioneers have a knack of disposing of a good many articles in a short space of time. A vast quantity of goods were disposed of during our auction and we have more than made up for the apathy of trade during May and June. Do not imagine, please, that we shall hibernate during the summer. There's an ample stock here still and we shall not at any time be niggardly in regard to price inducements. Whatever you may chance to need in any of our lines, you will find the Barr Store the best place to buy it.

DESTROY THE CAUSE.

You Cannot Cure Dandruff Without Destroying the Cause of It.

Many people wash their scalps Saturday night or Sunday to try to keep the dandruff down for the week, but on Monday night the scalp has begun to itch, and Tuesday morning will find a good supply of dandruff when the hair is brushed. There is but one real scientific way of curing dandruff; and that is to kill the germ that causes it, and falling hair, and finally baldness. There is only one preparation that will destroy the germ, and that is Newbro's Herpicide. It is an entirely new discovery and the only hair preparation that is based on the new scientific principle. In addition Herpicide is a very refreshing hair dressing for regular toilet use. Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich. Daniel J. Fry, Special Agent, Salem.
