

A Pleasure And A Treasure

A fountain pen is like a great many other modern conveniences: when a person has once taken to using one, he wonders how he could possibly have been so blind as not to have bought one before. A good fountain pen is really a pleasure and a treasure to anyone, man or woman. It is always ready for use, wherever you may be, writing a steady even line without recourse every few seconds to an untidy, dripping ink bottle. If you are not yet the owner of a fountain pen, drop in and see what excellent ones the Barr Store has to sell. The Laughlin and the Parker Lucky Curve are the makes we handle. And none that are better, if any as good, can be bought anywhere.

Committee is Working

The Carnival committee met with Manager Judah at the city hall last night, and began the work of auditing the bills incurred last week. All the bills were not in, and the committee was unable to make a complete report of its work, but, from all indications, it is safe to say that a balance of from \$50 to \$100 will be left to turn into the treasury of the Greater Salem Commercial Club, to be used in properly advertising the advantages of the Capital City. The committee, after an extended session, adjourned at the call of the chairman. From the bills on hand it was found that about \$1200 was expended for labor and supplies in this city alone, aside from what supplies were secured outside of Salem. The committee is well pleased with the outcome, and congratulates itself that it will be unnecessary to call upon those who pledged a guarantee toward the expense of the Carnival.

Statistics show that the net income of American street car companies is \$30,955,233 annually, and that the earnings are twice the expenses.

[Letters From Two Prominent Men.]

CONGRESSMAN DUNGAN.

Congressman Irvine Dungan of Jackson, O., elected to the Fifty-second Congress as a Democrat, in a recent letter from Washington, D. C., says:

"I desire to join with my many friends in recommending your invaluable remedy, Peruna, to anyone in need of an invigorating tonic, and whose system is run down by catarrhal troubles. Peruna is a permanent and effective cure for catarrh, and I would advise all who are afflicted with this disease to try this remarkable remedy."—Irvine Dungan.

Everybody is subject to catarrh. Peruna cures catarrh, acute or chronic, wherever located.

Hon. Thomas Gahan of Chicago, member of the National Committee of the Democratic party, writes as follows:

"I was afflicted with catarrh for fourteen years and though I tried many remedies and applied to several doctors I was not able to find a cure. I took Peruna for twenty-two weeks and am now entirely cured."—Thomas Gahan.

If you do not derive prompt and satisfactory results from the use of Peruna write at once to Dr. Hartman, giving a full statement of your case and he will be glad to give you his valuable advice free.
