DR. J. F. COOK

Has come to the conclusion that all profession of the healing art out side of the vegetable kingdom is a failure. When your system is run out without pure blood. You will only find vitality in the vegetable kingdom. Poisonous drugs nor doctors' knives nor thunder and lightning will not remove the cause, but lay the foundation for all kinds of disease. Those poisons go into your bones, and kill the life of them and create all kinds of diseases, cancerous tumors, consumption, dropsy bone diseases, etc. You must bear in mind that his medicine is not a poisonous tonic, nor a stimulant, nor temporary relief which you get from poisonous drugs, where the results are sure death sooner or later. Do not blame the medicine, when it takes an effect and stirs up the poisons or disease in the system. You must not expect to be cured in a few days, for your sickness or disease has been a long time coming on, and it will take a long time to get it out of your system. It will take months or a year to build a new body from the bones up. This is what the people do not understand. They are used to being humbugged. His medicines are composed of Nature's Herbs—what the human system requires. When the animals get sick they will help themselves to those herbs, for they have the instinct, and the people have not, so we have to make a study of it. It has been a life study with Dr. Cook. Do not get weary; this life is too short, and too sweet to worry out of this world.

BOB TRAIN HARD

Jeffries and Corbett Getting Ready for Their Match

Champion Expects to Get Down to 215, and Corbett to Get up into 187 Pounds

San Francisco, July 10.—With both men in active training, interest in the heavyweight championship battle between Corbett and Jeffries, to take place in the arena of the Yosemite Athletic club four weeks hence, is rapidly increasing. Jeffries has now had about two weeks of active training and appears to be rounding into splendid condition. He has begun to take off weight and appears confident of his ability to reach 215 pounds without much difficulty. At Harbin Springs, where the champion is in training, he boxes every day with his brother and Kennedy and also indulges in considerable road work in company with Bob Fitzsimmons.

Corbett's training camp is likewise a scene of activity these days, in fact, the activity there is more strenuous than with Jeffries and his trainer as Corbett believes in more active work than does the champion. Since he commenced training more than a month ago Corbett has kept at it constantly and it is with difficulty that his trainers persuade him to ease up for any length of time. The former champion says he is much stronger and weighs considerably more than when he fought Jeffries, a few years ago, as Coney Island. He expects to enter the ring in the approaching contest weighing in the vicinity of 187 pounds.

The More People Know Newbro's Herpicide the Better They Like It.

The more it becomes known the better it is liked. One bottle sells two, and those two sell four. Newbro's Herpicide is what we are talking about. It cleans the scalp of all dandruff, and destroying the cause, a little germ or parasite, prevents the return of dandruff. As a hair dressing it is delightful, it ought to be found on every toilet table. It stops falling hair, and prevents baldness. It should be used occasionally, as a preventive to protect the scalp from a new invasion of the dandruff microbe. Sold by leading druggists. Send 10c in stamps for sample to The Herpicide Co., Detroit, Mich. Daniel J. Fry, Special Agent, Salem.

A Great Agency

We Have Secured Control for This City of the Fulton Compounds, the Only Thing Known to Medicine That Cure Kidney Diseases in Both the Primary and Secondary Stages.

The kidneys are not sensitive and the disease is sometimes masked and steadily chronic with the very first symptoms. If it has hung on eight to ten months it is surely chronic. In either case why take chances? Why not take at first the only thing known that cures kidney disease in the chronic as well as the primary stages. The Fulton Compound is a powerful medicine, is especially valuable for its insurability and its safety. It is a powerful medicine, and after recovery under the Fulton Compound the recovery was also doubly attested.

On May 1st, 1928, the son of R. C. Fell, the manager of the Pacific Coast Lumber Company of Second and Polson streets, San Francisco was declared by the family physician to have chronic kidney disease and incurable. Another physician was called in and confirmed the diagnosis. The whole family was worried with the disease and a fatal termination looked for. The Fulton Compound was then turned to as the only hope. On September 1st the boy was discharged and the boy was well, and after several examinations the physician declared the recovery complete and gave Mr. Fell a written report which he now has.

Judge G. A. Cabaniss, the Police Judge of San Francisco, also attests the recovery under his own observation of a friend of his who was recovered from the case (chronic Bright's Disease of the kidneys) was well known to be incurable according to all medical authorities. Up to the advent of the Fulton Compound medicines were advised that would cure kidney troubles after they became chronic. About nine-tenths of all cases are now curable, even after they have developed into the dreaded chronic forms of Bright's Disease and diabetes. No statements are published or listed except from chronic cases that, like the above, are incurable by all other known medicines. If your kidney troubles be recent, Fulton's Fulton Compound will cure it quickly. If it is of ever night to let months standing it is the only thing known that will save your life. John J. Fulton Co., 241 Washington Street, San Francisco, and everywhere. Fulton's Fulton Compound is Bright's and Kidney Disease. For Details, Write. Free analysis made for patients. Send for sample. We are the exclusive agents in this state.

The distracting headaches from which so many women suffer make life a daily purgatory. If men suffered with headache as women do, business would be almost at a standstill. Does not the fact that men do not suffer from these severe headaches suggest that there must be a womanly cause for them?

When the womanly organism is diseased, headache, backache, nervousness and sleeplessness are consequences which are sure to follow.

Dr. Pierce's Favorite Prescription cures headaches and other aches and pains by curing their cause. It establishes regularity, dries unhealthy drains, heals inflammation and ulceration, and cures female weakness. It soothes pain and builds up the nerves. It transforms weak, sickly, nervous invalids into happy, healthy women. Thousands have testified to its marvelous merits.

"I took two bottles of your 'Favorite Prescription' and two of the 'Golden Medical Discovery' and am feeling well," writes Mrs. Dan McKenlie, of Loring Mines, Cape Breton Co., Nova Scotia. "I had terrible trouble, pain in the side and headache. After taking your medicines I got well. You may publish this or use it in any way you think best, as I cannot speak too highly of Dr. Pierce and his medicines."

"Favorite Prescription" has the testimony of thousands of women to its complete cure of womanly diseases. Do not accept an unknown and unproved substitute in its place.

First, Dr. Pierce's Common Sense Medical Adviser is sent free on receipt of stamps to pay expense of mailing only. Send twenty-one one-cent stamps for the book in paper covers, or thirty-one stamps for the cloth-bound volume. Address Dr. R. V. Pierce, Buffalo, N. Y.

meetings, which were held at the different churches between 6 and 7 o'clock but owing to the warm weather the large majority waited until later in the day to offer their devotions.

There was no room to spare in the mammoth meeting place when President Chapman called the convention to order. The features of the convention were the election of officers and the reports of state work. It was generally conceded that John H. Chapman, of Chicago, would again be selected as president, and when the nominating committee presented his name he received an ovation. After the election President Chapman was introduced and thanked the delegates for the honor paid him. The presentation of banners was another interesting feature of the day's program.

"Workers Conferences" were held in a number of churches this afternoon. Delegates and visitors who did not assist at these conferences piloted by one or more members of the reception committee, enjoyed the afternoon making short excursions or taking drives or easy walks through public parks and to points of interest in the city.

Duties of Civil Life

Denver, July 10.—This was "Good Citizenship" day in the Christian Endeavor convention. At nearly all the meetings of the day the reports, addresses, presentations and songs tended toward the subject, and the leading speakers, among them District Attorney Joseph W. Folk of St. Louis, were men whose fame is the result of their efforts for municipal and state reform.

Many thousands of delegates began the day, as they did yesterday, with devotions. Morning prayer meetings were held in a score of churches at 6:30 o'clock. Many impromptu meetings were held in the streets, and many a toiler in store or factory lingered to take part in the services on the way to work. An hour before the entrance to Tent Endeavor was opened City Park was thronged with several thousand persons who sang Endeavor songs while they waited for the services to begin. The big tent was the scene of an almost continuous session throughout the day, the addresses of eminent speakers being interspersed with prayer and with stirring Christian hymns. One of the most interesting and novel features of the gathering is scheduled for tonight when several thousand of the enthusiastic young delegates will assemble on the steps of the Colorado state capitol and unite in singing the stirring song for which the organization is famous.
