San Francisco Preparing for the Old Veterans

National Convention will Four Days but Guests Will be Entertained a Week

San Francisco, July 11.—The members of the local committees on arrangements express the opinion that the coming national encampment of the Grand Army of the Republic in this city will be the most significant, the most interesting and one of the most largely attended reunions held in recent years by the veterans of the civil war. And so indeed it will be if the present plans, now well toward completion, are carried out in detail.

It will be the first national encampment ever held on the Pacific coast by the great organization and as a consequence the entire state of California is taking an interest with the city of San Francisco in arranging for the reception and entertainment of the visitors. The expert testimony of passenger agents whose roads reach San Francisco directly or indirectly is that the crowd will be the largest ever entertained in this city.

Commander-in-chief Stewart and his associates of the executive committee have chosen four days—Aug. 18, 19, 20 and 21—as the period of the national convention. The entertainment of the veterans and their guests, however, will cover about a week. The whole city will be handsomely dressed for the occasion, the crowning feature being an illuminated court of honor in a conspicuous locality in the business section.

Advices already received indicate that large delegations will be on hand from the Middle West and also from the Eastern section of the country, despite its distance, while the states west of the Missouri river will undoubtedly be more largely represented than at any former national encampment. School houses and other public buildings will be utilized to accommodate the visitors, while those veterans who prefer it may be housed in tents, a large number of which will be erected in a convenient part of the city.

Catarrh Cannot be Cured.

With LOCAL APPLICATION, as they cannot reach the seat of the disease, Catarrh is a blood or constitutional disease, and in order to cure it you must take internal remedies. Hall's Catarrh Cure is taken internally, and acts directly on the blood and mucous surfaces. Hall's Catarrh Cure is not a quack medicine. It was prescribed by one of the best physicians in this country for years and is a regular prescription. It is composed of the best tonics known, combined with the best blood purifiers, acting directly on the mucous surfaces. The perfect combination of the two ingredients is what produces such wonderful results in curing Catarrh.

Spanish War Veterans

Milwaukee, Wis., July 11.—The state encampment of the Spanish war

veterans' association came to a close today with a magnificent parade through the downtown streets, followed by an outing at Schlitz park. The parade, under the command of Major J. A. Namitz, was one of the biggest affairs of its kind seen in Milwaukee in several years. Twenty-two camps were in line, besides infantry, artillery and cavalry of the local National guard organizations. At Schlitz park the reunion culminated in a sham battle witnessed by several thousand interested spectators.

Paris Will Celebrate

Paris, July 11.—There are unmistakable signs of the approach of the "Glorious Fourteenth" Venetian masts strung with colored electric lights, are being placed along many thoroughfares, and excursion trains are already bringing shoals of provincial visitors. This is the only time of the year when the most inveterate Parisian flees from Paris. It is like a taste of the exposition year. The municipality is not emulating private enterprise, and much less money will be devoted to fireworks and public illuminations than usual.

WOMEN WHO WORK

May Look to Miss Florence O'Brien as an Example

She Tells How They May Find Relief From Much-Unnecessary Pain and Suffering

Women who work must keep well. They cannot afford to be sick. But frail women frequently overestimate their strength and endurance, or an unsuspected trouble makes work impossible. Two years ago Miss Florence M. O'Brien was in a low state of health from a trouble to which her sex is subject, but now, thanks to Dr. Williams' Pink Pills for Pale People, she is entirely free from it. Miss O'Brien is a dressmaker, living at No. 305 Florn street, Washington, Ind., and is glad to tell for the benefit of others, how she was cured. She says: "Regularly I had terrible cramps and vomiting spells which lasted for several days. I was dizzy and awfully sick, was very much constipated, my stomach became disordered and bloated and at last got so sore and tender that I could not bear the least pressure upon it. The doctor who attended me said my trouble came from lack of out-door exercise and too much work running the sewing machine. But he did not help me and I found no relief until, upon the recommendation of a friend, I began taking Dr. Williams' Pink Pills for Pale People. That was in May. In June I was much better and in July the change was remarkable. I took four boxes altogether and was perfectly cured. Everywhere I go I recommend Dr. Williams' Pink Pills and I know of several other cases which they have cured."

Dr. Williams' Pink Pills for Pale People are not only of inestimable value to women but restore to health men, women and children who are thin, pale, nervous and depressed. They embody Dr. Williams' wonderful discovery and have cured stubborn cases of locomotor ataxia, partial paralysis, St. Vitus' dance, sciatica, neuralgia, rheumatism, nervous headache, the after effects of the grip, palpitation of the heart, pale and sallow complexions and all forms of weakness either in male or female. Dr. Williams' Pink Pills for Pale People are sold by all dealers, or will be sent postpaid on receipt of price, fifty cents a box, or six boxes for two dollars and fifty cents (they are never sold in bulk, by the dozen or hundred) by addressing Dr. Williams Medicine Company, Schenectady, N. Y.
