DR. J. F. COOK

Has come to the conclusion that all profession of the healing art out side of the vegetable kingdom is a failure. When your system is run out without pure blood. You will only find vitality in the vegetable kingdom. Poisonous drugs nor doctors' knives nor thunder and lightning will not remove the cause, but lay the foundation for all kinds of disease. Those poisons go into your bones, and kill the life of them and create all kinds of diseases, cancerous tumors, consumption, dropsy, bone diseases, etc. You must bear in mind that his medicine is not a poisonous tonic, nor a stimulant, nor temporary relief which you get from poisonous drugs, where the results are sure death sooner or later. Do not blame the medicine, when it takes an effect and stirs up the poisons or disease in the system. You must not expect to be cured in a few days, for your sickness or disease has been a long time coming on, and it will take a long time to get it out of your system. It will take months or a year to build a new body from the bones up. This is what the people do not understand. They are used to being humbugged. His medicines are composed of Nature's Herbs—what the human system requires. When the animals get sick they will help themselves to those herbs, for they have the instinct, and the people have not, so we have to make a study of it. It has been a life study with Dr. Cook. Do not get weary; this life is too short and too sweet to worry out of this world.

EPWORTH LEAGUE MEETING

Hosts of Methodists Meet Today in Detroit

A Significant Feature is the Absence of Sectional and Denominational Feeling

Detroit, Mich., July 16.—The sixth international convention of the Epworth League is proving to be as big a religious demonstration as the most sanguine had expected. Eight bishops of the church, besides eminent divines without number, are here. A score of special trains have already arrived with delegates from every section of the United States and Canada. Ten thousand visitors are already on the ground and trains bearing 5000 more are on the way. In addition to these there are special excursions planned from adjoining states and from Canada which will swell the number of visitors to at least 20,000. Detroit is proving herself equal to the emergency. Delegates are being assigned to comfortable quarters as fast as they arrive. The visitors spent the morning in visiting Belle Isle and other nearby resorts, there being special trains and boats for these side excursions.

Among the many notable visitors may be mentioned Bishops Mallison, Hoss, Joyce, Galloway, Williams and Carman. President Bashford of Ohio Wesleyan University, Rev. A. C. Crews, general secretary of the Canadian Epworth League and Rev. W. F. McDowell, D.D., of New York. A significant feature is the colors adopted, being red, white and gold. Red and white are the colors of the northern and Canadian leagues, and red and gold of the southern league. To give each of these representation the tricolor was adopted.

Headquarters have been opened for the various state and conference departments. Rallies of these are arranged in addition to the state program. The conference formally opened at 2:30 this afternoon, with three monster meetings held simultaneously. Tent Ontario had an audience of 5000, presided over by former Bishop A. Carman of Toronto. Mayor Maybury delivered an address of welcome, as did also Dr. William H. Shier, representing the Detroit district of the Methodist Episcopal church. A response was delivered by N. W. Howell, K. C., of Toronto, and this was followed by the keynote address of the convention, the speaker being Rev. David G. Downey, D. D., of Brooklyn, N. Y.

The second meeting was held in the Detroit Opera House, which was crowded from pit to dome with an enthusiastic and cheering mass of delegates. Here Governor Bliss welcomed the delegates, seconded by Rev. Geo. Elliott of the Central M. E. church. Dr. H. M. Dubose, general secretary of the Southern M. E. church, responded on behalf of the visitors. The third of the simultaneous meetings was held in the commodious Central M. E. church, where a program similar to that of the other two meetings was carried out. Dr. J. H. Potts, D. D., of the Michigan Christian Advocate, welcomed the visitors and Rev. Stephen J. Herben, of New York, responded.

Tonight four monster rallies are to be held, the speakers to include Bishop Mallison, Bishop Hoss, of the Southern M. E. church, Dr. Henry Spellmeyer, of Newark, N. J., and Rev. E. M. Mills, D. D., of Elmira, N. Y., who successfully carried through the famous twentieth century movement of the M. E. churches, raising a vast fund of \$20,000,000.

One of the most significant features of the convention is the absence of sectional and denominational feeling, and the spirit of unity prevails. Many of the most noted visitors are unhesitatingly in favor of wiping out the lines that separate the southern and northern divisions of the Methodist Episcopal churches. This will probably not be discussed in the conference, but it is frequently made the topic of conversation in fraternal gatherings of northern and southern delegates.

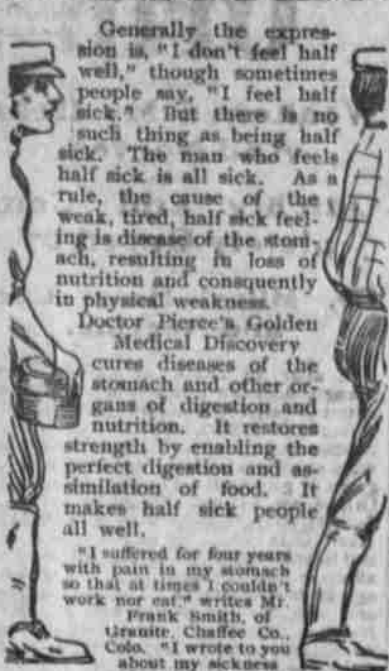

History of the League. The Epworth League occupies the same place in the Methodist church that the Baptist Young People's Union does in the Baptist church. The league was organized at Cleveland, Ohio, May 12, 1890. Prior to that time there had been a number of young people's societies bearing various names in the thousands of Methodist churches over the country, but each was more or less independent of the others, although all had nearly the same object in view, that object, which now dominates the combined league and formulates its universal and globe-encompassing motto: "Look up; Lift up; All for Christ."

The local organizations in the various churches are called chapters. Of these already enrolled the number is more than 20,000. The aggregate membership reaches nearly one million and a half. In its spirit and form

HALFSICK

Generally the expression is, "I don't feel half well," though sometimes people say "I feel half sick." But there is no such thing as being half sick. The man who feels half sick is all sick. As a rule, the cause of the weak, tired, half sick feeling is disease of the stomach, resulting in loss of nutrition and consequently in physical weakness.

Doctor Pierce's Golden Medical Discovery cures diseases of the stomach and other organs of digestion and nutrition. It restores strength by enabling the perfect digestion and assimilation of food. It makes half sick people all well.

"I suffered for four years with pain in my stomach so that at times I could not work nor eat," writes Mr. Frank Smith, of Granite, Chaffee Co., Colo. "I wrote to you about my sickness and was told to use your medicine, which I did with good results. I only used four bottles of your 'Golden Medical Discovery,' and must say that I am entirely cured and feel like a new man, and I can highly recommend your medicine to any sufferer."

"Golden Medical Discovery" contains no alcohol and is entirely free from opium, cocaine and all other narcotics. It is strictly a temperance medicine.

Accept no substitute for "Golden Medical Discovery." There is nothing "just as good" for diseases of the stomach. The "Common Sense Medical Advice," one thousand and eight large pages, in paper covers, is sent free on receipt of twenty-one one-cent stamps, to pay expense of mailing only. Address Dr. R. V. Pierce, Buffalo, N. Y.

the league was found to be consonant with the genius of Methodism and so well adapted to the end for which it was designed that the Methodist church of Canada as well as the Wesleyan Methodists of Great Britain have adopted it. Branches have also been established in Mexico, Norway, South America, Germany, Sweden, Italy, in China, and Japan and even in the jungles of India.

We sell the greatest of blood purifiers, Acker's Blood Elixir, under a positive guarantee. It will cure all chronic and other blood poisons. If you have eruptions or sores on your body, or are pale, weak, run down, it is just what you need. We refund money if you are not satisfied. 50 cents and \$1.00. D. J. Fry, druggist.
