DR. J. F. COOK

Has come to the conclusion that all professed of the healing art outside of the vegetable kingdom is a failure. When your system is run out without pure blood. You will only find vitality in the vegetable kingdom. Poisonous drugs, nor doctors' knives nor thunder and lightning will not remove the cause, but lay the foundation for all kinds of disease. Those poisons go into your bones, and kill the life of them and create all kinds of diseases, cancerous tumors, consumption, dropsy, bone diseases, etc. You must bear in mind that his medicine is not a poisonous tonic, nor a stimulant, nor temporary relief which you get from poisonous drugs, where the results are sure death sooner or later. Do not blame the medicine, when it takes an effect and stirs up the poisons or disease in the system. You must not expect to be cured in a few days, for your sickness or disease has been a long time coming on, and it will take a long time to get it out of your system. It will take months or a year to build a new body from the bones up. This is what the people do not understand. They are used to being humbugged. His medicines are composed of Nature's Herbs—what the human system requires. When the animals get sick they will help themselves to those herbs, for they have the instinct, and the people have not, so we have to make a study of it. It has been a life study with Dr. Cook. Do not get weary; this life is too short and too sweet to worry out of this world.

Epworth League Begins Work at Sunrise

Hold Four Separate Conferences, Besides Having a Wide-ranging Discussion

Detroit, July 17.—The second day's session of the Epworth League international conference began at an early hour this morning with a "sunrise prayer meeting" in the Central M. E. church. There were present nearly a thousand delegates. The exercises were led by Rev. S. B. Towne, D. D., of Greencastle, Ind. Following the exercises an experience meeting was held, in which delegates from nearly every state of the Union and from several of the Canadian provinces participated.

It is estimated that there are fully 15,000 leaguers in the city. In spite of the crowd Detroit was so well prepared for the entertainment of the visitors that not near half its entertaining capacity is exhausted. The residents report that they are not crowded in the least.

Four separate conferences were held this morning in as many meeting places. When the delegates assembled in the Central M. E. church, H. E. V. Porter of Jamestown, N. Y., presiding, the splendid choir led a short service of song, after which the morning topics were taken up in ten-minute speeches by the delegates. "The Heart of the Weekly Devotional Meeting" was the first subject, by the Rev. H. E. Warren, of Lennoxville, Que. Under the head of "Our Obligation to the Juniors," Mrs. Annie H. Woodcock of Aurora, Neb., delivered an interesting address. "Training the Worker for Personal Work" was the topic assigned Rev. A. B. Higgins of Middleton, Can. Rev. F. S. Parker of Crowley, La., spoke on the subject, "Prayer a Farce in League Work," and Rev. J. J. Robinette of Maryville, Tenn., closed the session with an address on "The Presence of the Spirit an Essential."

Missionary papers and discussions occupied the time of the delegates assembled in the Detroit opera house. W. W. Cooper of Kenosha, Wis., presided over this meeting and the speakers included John W. Pennington of Colorado Springs, Colo., Rev. Seth Ward, D. D., of Nashville, Tenn., and Miss Beattie Brooks of Beaver, Pa. The Juniors held away in the Central Presbyterian church, where the problems of child culture, study courses, and the enlistment of adult helpers were some of the topics discussed.

The literary and social work of the league were the chief subjects of consideration at the fourth of the forenoon conferences, held in the Fort street Presbyterian church. Rev. J. M. Workman of Banton, Ark., presiding. An offering of prayer by the Rev. M. W. Dogan of Marshall, Texas, papers treating of social fellowship, reading rooms and the literary activities of the league were presented by Rev. W. P. Eveland of Bloomsburg, Pa., Miss Clara Wallace of Toronto, Rev. C. O. Jones of Knoxville, Tenn., Rev. W. E. Grosse of Baldwin, Kans., and others.

A wide range of subjects relating to league and denominational work were discussed at the three large meetings of the afternoon, prominent among the speakers being Rev. S. G. Thompson of Oklahoma City, Rev. F. H. Coman of Buffalo, Rev. A. G. Hough of Los Angeles, I. Garland Penn of Atlanta, James S. Ogden of Indianapolis and Rev. C. E. Manning of Montreal. The Rev. B. J. Campbell, pastor of the People's Temple, London, is one of the eminent speakers to be heard at the meetings tonight.

WHAT TIME PROVES.

This thing of being sick and looking for a cure is a mighty serious business. People are not given to joking even at the first symptom of the approach of the grim destroyer. They do not want to be the subjects of experiment, but want medicine that has the test of years behind it. A medicine that has been made and used for 20 years gives assurance of its worth, and can be taken with a faith that they have the very best cure the world affords. All this can be said about Dr. Gunn's Improved Liver Pills as a remedy for sick-headache, dyspepsia and indigestion, it begins right at the source of the trouble and removes the cause. We will send a sample box of these pills free, or a full box on receipt of 25c. Sold by all druggists for 25c per box, or address Dr. Bosanko Co., Philadelphia, Pa. Thousands of women who have suffered from backache, headache, and other consequences of womanly disease, have been made well women by the use of Dr. Pierce's Favorite Prescription. It establishes regularity, dries unhealthy drains, heals inflammation and ulceration and cures female weakness.

"I cannot say enough in praise of Dr. Pierce's Favorite Prescription as it has done me so much good," writes Mrs. Henry Harrell, of Tallapoosa, N. C. "Box 109. I was swollen so I could hardly walk when I began taking the 'Favorite Prescription.' I also had uterine trouble and could neither eat nor sleep only as I took morphine. Tried four different doctors and they all failed to do me any good, so one of my friends recommended your 'Favorite Prescription' to me and I took only three bottles and am now well and hearty. Can you imagine any kind of work."

Vanderbilt His Ferryman

New York, July 17.—William Blair of River Edge, N. J., was ninety-one years old today, and his relatives and neighbors gave him a reception on his lawn. Despite his advanced age Mr. Blair was as chipper as any of his grandchildren present.

In his prime Mr. Blair was one of the most widely known sailmakers on the Atlantic coast and during the sixty years he was engaged at his trade he rigged out many of the best boats that left this port. It was while making a trip between Staten Island and Perth Amboy to measure a vessel that he paid 25 cents to Commodore Vanderbilt for rowing him across the Kills.

Suffered 8 Months

I can heartily recommend Acker's Tablets for dyspepsia and stomach troubles. I have been suffering for eight months, and tried many remedies without any relief, until I got Acker's Dyspepsia Tablets, which I used only a short time, and am now perfectly well. Thanking you for the speedy recovery, I am gratefully yours, Francis I. Gaanor, Vancouver, Wash.
