DR. J. F. COC

Has come to the conclusion that all profession of the healing art out side of the regetable kingdom is a failure. When your system is run our without pure blood. You will only find vitality in the vegetable kingdom. Polecuous drugs nor doctors' knives nor thunder and lighteling will not remove the cause but lay the foundation for al kinds of disease. These poisons go into your bones, and kill the life of then and create all kinds of diseases, cancerous tumors, consumption, dropsy bone diseases, atc. You must bear in mind that his medicine is not poisonous tonic, nor + stimulant, nor temporary relief which you get from poisonous drags, where the results are sure death sooner or later. Do not blams the medicine, when it dakes an effect and stirs up the poisons or disease in the system. You must not expect to be cured in a few days, for your sickness or disease has been a long time coming on, and it will take a fong time to get it out of your system. It will take months or a year to build a new body from the bones up. This is what the people do not un derstand. They are used to being humbugged. His medicines are composed of Nature's Herbs-what the human system requires. When the ant mals get sick they will help themselves to those herbs, for they have the in stinct, and the people have not, so we have to make a study of it. It has been a life study with Dr. Cook. Do not get weary; this life is too short and too sweet to worry out of this world.

CAUTION

This is not a gentle word-but when you think how liable you are not to purchase the only remedy universally known and a remedy that has the largest sale of any medicine in treatment of Consumption and Throat and Lung troubles without losing its great popularity all these years, you will be thankful we called your attention to Boschee's German Syrup There are so many ordinary cough remedies made by druggists and others that are cheap and good for light colds perhaps, but for severe coughs, bronchitis, croup-and especially for consumption where there is difficult expectoration and coughing durings the nights and mornings, there is nothing like German Syrup. Relief

From Nervousne and Insomnia

Through Dr. Miles' Nervine. I Use Dr. Miles' Anti-Pain Pills For Headache.

There been troubled greatly with alceplessness and nervousness for twenty-five years. I have never taken Dr. Miles' Kerrine steadily for a long time but it newer falls to help me when I do take it. In addition to this I can say that my general health is much better since my occasional use of Nervine, than it was several years ago. I have used Dr. Miles' Anti-Pain Pills for neuralria and acryous headaches and have always had prompt relief. The headaches usually occur at intervals in the mouning and by taking a Pain Pill when I feel the headaches coming on I can prevent the attack entirely. My hushand is also subject to headaches and finds the same relief from the Anti-Pain Pills that I do. We are parfectly willing that you should use our names because of the relief we have found it using Dr. Miles' Remedies"—Max W. H. Brange-LEY, Moscow, Idaho.

There is nothing that will so surely undermine the health as sleeplessness. A slight affection of the nerves is sufficient to bring about this distressing condition and unless treatment is at once begun it grows worse rapadly, bringing about loss of appetite, indigestion, a gradual undermining of nerve-force and vitality, until finally the victim suffers from nervous prostration. If Miles' Nervine quiets the nervous system against the attacks of any or all nervous disorders.
