DR. J. F. COOK

Has come to the conclusion that all profession of the healing art out side of the vegetable kingdom is a failure. When your system is run out without pure blood. You will only find vitality in the vegetable kingdom. Poisonous drugs nor doctors' knives nor thunder and lightning will not remove the cause, but lay the foundation for all kinds of disease. Those poisons go into your bones, and kill the life of them and create all kinds of diseases, cancerous tumors, consumption, dropsy, bone diseases, etc. You must bear in mind that his medicine is not a poisonous tonic, nor a stimulant, nor temporary relief which you get from poisonous drugs, where the results are sure death sooner or later. Do not blame the medicine, when it takes an effect and stirs up the poisons or disease in the system. You must not expect to be cured in a few days, for your sickness or disease has been a long time coming on, and it will take a long time to get it out of your system. It will take months or a year to build a new body from the bones up. This is what the people do not understand. They are used to being humbugged. His medicines are composed of Nature's Herbs—what the human system requires. When the animals get sick they will help themselves to those herbs, for they have the instinct, and the people have not, so we have to make a study of it. It has been a life study with Dr. Cook. Do not get weary; this life is too short and too sweet to worry out of this world.

FATHER COLTON A BISHOP

Consecrated at Buffalo, N. Y., This Morning

Receives Many Splendid Presents Among Them a Ring From His Old Parish

New York, July 25.—The ceremonies attending the consecration of Rev. Charles H. Colton as Bishop of Buffalo in St. Patrick's cathedral this morning were of a most impressive nature. The cathedral was crowded to its utmost capacity with the most prominent Roman Catholics of this city and vicinity, together with a large delegation from the diocese of Buffalo.

The ceremony was conducted by Archbishop Farley, who was assisted by Bishops McQuade of Rochester and McDonnell of Brooklyn. Other prominent priests and prelates were in attendance from various parts of New York, New Jersey, and New England. The sermon was preached by Bishop McFaul of Trenton.

At the conclusion of the ceremonies many costly presents were bestowed upon the newly consecrated bishop. These include a set of gold mitres from the alumni of Troy seminary, where Father Colton studied; a costly gold cross from St. Stephen's parish, and an Episcopal ring from the school children of his old parish.

Rev. Charles H. Colton, the new Bishop of Buffalo, was born in New York city in 1848. He was graduated from St. Xavier's college in the class of 1873 and was ordained a priest at St. Joseph's seminary in Troy in 1876. His first pastorate was at St. Stephen's, New York city, as assistant to the late Dr. McGlynn. Father Colton remained at St. Stephen's until 1886, when he was sent to Port Chester, but the year following, when Dr. McGlynn's difficulties threw St. Stephen's parish into a turmoil and resulted in his excommunication, Father Colton was recalled, and was entrusted with the difficult task of building up a harmonious spirit in the parish and at the same time wiping out a threatening debt. The result of a few years' work was that St. Stephen's parish was reunited, the debt was cleared from the church, and St. Stephen's school was established as one of the strongest of its kind in New York. By this service Father Colton won the highest esteem in ecclesiastical circles, and in 1896 Archbishop Corrigan made him chancellor of the diocese, to succeed Mr. Mooney, when the latter became vicar general.

The diocese of Buffalo, to which Bishop Colton has been elevated, was established in 1847. It has an area of nearly 7000 square miles. The estimated Catholic population is 171,000, and there are in the diocese 243 priests, 150 churches, 73 parish schools, and 23,659 scholars.

Osteopathy cures menstrual troubles, because it finds out what causes such unnatural conditions and removes those causes.

Dr. Schoettie, Barr & Barr, Osteopaths, Grand Opera House, Salem, Or.

In the good old days the sexton announced a death in the community by a stroke on the church bell for every year of the life that was gone. People expected, then, to live to old age, and speculation at the first tap of the bell took a narrow range including only those who had lived the allotted time. There is no reason why people should not have the same expectancy of age to-day, except for the neglect and abuse of the one organ on which all the other organs depend—the stomach.

Dr. Pierce's Golden Medical Discovery enables men and women to be strong and healthy, by curing diseases of the stomach (and other organs of digestion and nutrition), which prevent the proper nourishment of the body.

"I had been sick for two years with indigestion and nervous debility, and had taken medicine from my family doctor for a long time without much benefit," writes Mrs. W. H. Peckles, of Lockport, N. C. "Was induced by my husband to consult Dr. Pierce by letter. You advised me to take Golden Medical Discovery, and 'Favorite Prescription,' which I did, and to my great surprise, after taking six bottles I was cured."

The Medical Adviser, in paper covers, is sent free for 21 one-cent stamps to pay expense of mailing only. Address Dr. R. V. Pierce, Buffalo, N. Y.

Women of the day are putting no limit to the scope of their possibilities, says the Baltimore American. The lady sandbagger and the lady ambulance surgeon have both arrived, and both, doubtless, will do as good work in their respective specialties as the men.

Nothing happens itself in the cycle of disease. Every disease has its cause, it is only an effect.

Drs. Schoettie, Barr & Barr, Osteopaths, Grand Opera House, Salem, Or.

Next year when Eugene enters the Willamette valley league it should be with the understanding that she is to be given a fair deal. This year she has run up against rank decisions of umpires, been turned down on three protests, and thrown out of one game that was fairly won from Albany. In other words, if the Eugene team had received justice in the pending contests she would now be tied with Salem, but, as it now stands, she is two games behind, and is tied with Roseburg—Eugene Register.

Wonder if it ever occurred to the contemporary that the decisions were correct, and its contentions, possibly, wrong?

Catarh Cannot be Cured.

With LOCAL APPLICATION, as they cannot reach the seat of the disease. Catarh is a blood or constitutional disease, and in order to cure it you must take internal remedies. Hall's Catarh Cure is taken internally, and acts directly on the blood and mucous surfaces. Hall's Catarh Cure is not a quack medicine. It was prescribed by one of the best physicians in this country for years and is a regular prescription. It is composed of the best tonics known, combined with the best blood purifiers, acting directly on the mucous surfaces. The perfect combination of the two ingredients is what produces such wonderful results in curing Catarh.

WOMAN'S DUTIES.

A woman who keeps her house in order and has the care of a family, has just as much responsibility as the man who provides the means to carry on the household. She is deserving of the more credit since the demands on her strength is greater. The everlasting sameness about her duties, and the confinement necessary to carry them out is very trying to the nervous system, this produces a strain on the mind that makes her irritable, cross, and dissatisfied, which is just as much a disease as rheumatism or catarrh. If nerves can be built up and made strong by medicine of some kind this feeling is changed to one of cheerfulness and pleasure in her duties. The medicine that makes strong steady nerves, and prevents disease by building up the entire system, is Dr. Gunn's Blood and Nerve Tonic, a tablet to take at meal time. Cures nervous prostration by making rich red blood, feeding the nerves, and making solid flesh at the rate of 1 to 3 lbs per week. This medicine is sold by druggists for 75c per box, or 3 boxes for \$2.00, or sent by mail, post-paid, on receipt of price. Write us about your case. Address Dr. Bosanko Co., Philadelphia, Pa.
