DR. J. F. COOK

Has come to the conclusion that all profession of the healing art out side of the vegetable kingdom is a failure. When your system is run out without pure blood. You will only find vitality in the vegetable kingdom. Poisonous drugs nor doctors' knives nor thunder and lightning will not remove the cause, but lay the foundation for all kinds of disease.

WHAT SHE HAS DONE

Record of the Reliance in her Trial Runs

Beat Constitution and Columbia Repeatedly and Broke Record for 30 Mile Course

In view of the approaching race, the following resume of the cup defender's performances are of more than usual interest:

Almost exactly two years ago, when the cup challenge committee of the New York Yacht Club selected the old Columbia to defend the America's cup and rejected the new Constitution, there were many yachtsmen of wisdom who declared that the building of ninety-foot yachts for speed had about reached the limit of possible development on this side of the Atlantic.

However, the series of races this summer between the new Reliance, the Constitution and the Columbia, ending in the selection of the Reliance by the cup committee to defend America's cup, tells a very different story. The Reliance was built this spring. The Constitution was built two years ago. The Columbia was built two years before that. In their first appearance, on May 21st, the Reliance beat the Columbia 14 1/2 minutes over a 25-mile course.

On May 26th the Reliance beat the Constitution handily on Long Island sound, while the old Columbia was left far behind. Again on May 30th, the Reliance defeated the Constitution and the Columbia by nearly 25 minutes. On June 11th, again on June 20th, and then again on June 29th, the Reliance beat the Constitution and the Columbia in handsome style. On the latter occasion the Reliance broke all records for time over a 30-mile course, and then, on July 1st, again smashed the new record that she had made.

Additional victories over her two rivals were scored by the Reliance on July 17th, July 18th, July 20th and July 23d. On two of these occasions the victory was given to the Constitution on time allowances, although the Reliance finished well in the lead. In the first three official trial races off Newport on Monday, the Reliance again won in decisive style, and was selected for the honor of defending America's cup without further demonstration.

A study of this series of races should convince the most skeptical that the process of developing the American racing yacht is still unchecked. For 50 years the superior designing ability and mechanical skill of the American people have made the American yacht the queen of the seas, and today the latest effort of American designers and builders is the best.

It must be satisfactory to the American people to know that we shall enter the international races three weeks hence with the best racing machine that this country has ever turned out. It remains only for the American sailors to show their traditional skill. And on this point the people have little fear.

Every cannery and cold-storage plant on the river was blocked today, and the fish caught yesterday will not be cleared up before tonight. Last night the gillnetters were told not to go out, but many of them did so, and, while considerable fish are being salted down for private use, many will have to be thrown away.

FORTUNE TELLING

Does not take into consideration the one essential to woman's happiness—womanly health. There is many a woman whose future seems absolutely unclouded who is marked by her own condition for future disappointment and distress.

Dr. Pierce offers \$500 reward for women who cannot be cured of the above diseases. His "Prescription" has been so successful in curing thousands of cases in the past third of a century that he makes this remarkable offer to show his confidence. "I have taken six bottles of Dr. Pierce's Favorite Prescription," writes Miss M. Wolfe of Orilla, Simcoe Co., Ontario.

Rich Strike in Alaska

A Vancouver, B. C., dispatch of July 31 says: The steamer Amur arrived from Skagway this morning, bringing further advice regarding the new placer strike on the Tagaga river, to which throngs are hurrying. K. P. Henderson, the first man to return to White Horse, spoke enthusiastically of the richness of the place. He said it was richer than Klondike.
