# DR. J. F. COOK

Has come to the conclusion that all profession of the healing art out side of the vegetable kingdom is a failure. When your system is run out without pure blood. You will only find vitality in the vegetable kingdom. Poisonous drugs nor doctors' knives nor thunder and lightning will not remove the cause, but lay the foundation for all kinds of disease. Those poisons go into your bones, and kill the life of them and create all kinds of diseases, cancerous tumors, consumption, dropsy, bone diseases, etc. You must bear in mind that his medicine is not a poisonous tonic, nor a stimulant, nor temporary relief which you get from poisonous drugs, where the results are sure death sooner or later. Do not blame the medicine, when it takes an effect and stirs up the poisons or disease in the system. You must not expect to be cured in a few days, for your sickness or disease has been a long time coming on, and it will take a long time to get it out of your system. It will take months or a year to build a new body from the bones up. This is what the people do not understand. They are used to being humbugged. His medicines are composed of Nature's Herbs—what the human system requires. When the animals get sick they will help themselves to those herbs, for they have the instinct, and the people have not, so we have to make a study of it. It has been a life study with Dr. Cook. Do not get weary; this life is too short and too sweet to worry out of this world.

# GREAT RUN OF SALMON

## Astoria Canneries are Swamped and Boats are Lying Idle

### Price Dropped to Two Cents, and Many are Being Shipped to Warrendale and The Dalles

Astoria, Or., Aug. 5.—The largest run of salmon of which there is any record is now in the river, and every cannery and cold-storage plant is blocked with enough fish in sight to keep them busy for several days. The gillnetters have been instructed not to go out, as their catches will not be received, but still some cannot refrain from doing it, and many boats are tied up along the river front, loaded down with fish that are spoiling. They offer them for sale at any price, and many are being salted down for winter use. The traps are not being lifted, and the seines are not making but one or two hauls each day. It is conceded by all old fishermen that they never saw such a large run before, and even the famous runs of '80 and '83 have been exceeded. The fish are of good average size, and their quality is remarkably good for this season of the year, which is best shown by the fact that the cold-storage people continue to pack them, and they never use but the choicest grade of fish. The price has become so demoralized that at present there is no regular one. Saturday morning the price was 5 cents flat, and on Saturday evening 4 cents flat. Yesterday as low as 3 cents was paid, and many fishermen offered their catches at 2 cents per pound, but they could not be sold, as every one had already more than they could handle. Saturday night Warren shipped two cars of fish on ice to his Warrendale cannery, and Seufert shipped one car to his cannery at The Dalles. Last evening each doubled his shipment and will continue to do so while the fish are so plentiful. They paid 3 cents per pound for their fish, and it costs them about one-half cent per pound in freight charges to get them to their canneries.

Go to Strong's restaurant for your meals, and you won't be sorry for it. They also run a bakery in connection with the restaurant.

### TWENTY YEARS TRIAL.

There are lots of good things the doctors know nothing about. We frequently cure people of disease after the doctors have given them up. If the disease comes from over work, dissipation, or exposure, causing weak and watery blood, and loss of flesh and strength, we have the one sure remedy in Dr. Gunn's Blood and Nerve Tonic. These tablets taken with meals turn the food into rich red blood, making strong steady nerves, and increasing the strength, building up solid flesh at the rate of 1 to 3 lbs per week. This means health. For nervous prostration, loss of memory, or a pale, sallow complexion, a better remedy was never made. Doctors know nothing about this remedy only the fact that we make cures; as we have been doing this for twenty years; we know our method to be the right one. Druggists sell Dr. Gunn's Blood and Nerve Tonic for 75c per box, or 3 boxes for \$2, or sent by mail on receipt of price. Write us for a pamphlet telling all about this great medicine. Address Dr. Bosanko Co., Philadelphia, Pa. For sale at Dr. Stone's Drug Stores, 1

### Fielding Jones Dead.

Fielding Jones was born in Kentucky in August, 1818; moved to Harrison county, Indiana, in 1827, and to Des Moines, Iowa, in 1843. He crossed the plains to Oregon with an ox-team, arriving in Oregon in 1847, and settled near Hubbard, in this county. He died July 20th, and was buried August 1, 1903.

He leaves four children: Mrs. Mary A. Cooley, of Whiteaker; William R. Fielding, of Lewisburg; Thomas B. of Linton, and Mrs. Ella F. Whitney, of Silverton.

Twenty-nine grandchildren survive him. As a citizen, he was peaceful, honest and unassuming; as a pioneer, active, energetic and true as steel.

Whenever a road was to be made, a house or barn to be erected, the sick to be cared for, or the dead to be buried, one man could be counted on to never fail, and that man was Fielding Jones. I honor his memory. G. W. DIMICK.

### White.

The modern innovation of white castles, white bears and white horses no doubt has come to stay, especially in the case of the obsequies of people below middle age. "Enterprise, foresight and business tact has brought our Capital City up to date in this respect. Kind treatment and best of services guaranteed. W. T. RIGDON, 142 Court Street, 7-24-1m

### CATARH OF THE STOMACH.

When the stomach is overloaded, when food is taken into it that fails to digest, it decays and inflames the mucous membrane, exposing the nerves, and causes the glands to secrete mucus, instead of the natural juices of digestion. This is called Catarrh of the Stomach. For years I suffered with Catarrh of the Stomach, caused by indigestion. Doctors and medicines failed to benefit me until I used Kodol Dyspepsia Cure. J. E. Black, Copied Text. Sold by F. G. Haas, 99 State street.

### CASTORIA.

The Kind You Have Always Bought. Trib for sale at Daniel Fry's.

"I lost courage and thought I would never regain my health."  
"Three years of delicate health trying doctors' prescriptions and patent medicines" without benefit might well sap the courage of any woman. And yet Mrs. Bryant proved that the question of the cure of womanly disease is only a question of using the right remedy. A few doses of "Favorite Prescription" restored her courage and revived her hope, because she could see "a decided change from the first." Three

months' use of the medicine restored her to perfect health. Dr. Pierce's Favorite Prescription cures irregularity, dries weakening drains, heals inflammation and ulceration, and cures female weakness. Mrs. Sarah Bryant, President of Memphis Social Science Club, residing at 211 Atkinson Ave., Memphis, Tenn., writes: "I suffered with delicate health for three years, trying doctors' prescriptions and patent medicines until I lost courage and thought I would never regain my health, but a few doses of your 'Favorite Prescription' made me change my mind. Could see a decided change from the first, so I kept on taking it for three months faithfully and am now in perfect health." Dr. Pierce's Medical Adviser, in paper covers, is sent free on receipt of 21 one-cent stamps to pay expense of mailing only. Address Dr. R. V. Pierce, Buffalo, N. Y.

### Springer Arrested Again.

James V. Springer, whose trial on a charge of assault and battery resulted in a verdict of guilty last week, and which was set aside by Justice of the Peace Horgan, was re-arrested yesterday afternoon, on a warrant charging him with threatening to kill. The charge was preferred by Jon. W. La Follett, and it grows out of the same quarrel and fight. La Follett accuses Springer with threatening to kill him (La Follett). The prisoner was brought into court last evening, and plead not guilty, and his trial was fixed for 2 o'clock this afternoon.

### BEYOND DOUBT.

### These Facts Must Convince Every Salem Reader.

The statement which follows tells the experience of a resident of Salem. Incredulity cannot long exist about this testimony because it can easily be investigated.

Olof Johnson who is a gardener by occupation living at the corner of 15th and B streets, North Salem, says: "Kidney complaint is no new thing for me. I have been bothered off and on from a disordered condition of the kidneys for ten or twelve years. I did not suffer so much from backache as most people do who have kidney complaint but the principal annoyance was a weakening of the kidney secretions, which was both distressing and aggravating. There was a scalding sensation in passing and a heavy brick-dust like sediment appeared after standing in the vessel over night. I had attacks of dizziness in my head and oftentimes a blurring would appear before my eyes and I could scarcely see. I tried numerous remedies but all in vain until I saw Doan's Kidney Pills highly recommended for just such troubles and procured them at Dr. Stone's drug store. Now I don't want to tell the people something that is not true but I will say that in all my experience with doctor's prescriptions and different kidney remedies nothing has given me the amount of relief that I have received from Doan's Kidney Pills.

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name Doan's and take no substitute. 5

A stone structure, to cost \$100,000, for the botanical department of the University of California, at Berkeley, is to be erected at the northeast corner of the campus near the head of University avenue.

### CAUTION!

This is not a gentle word—but when you think how liable you are not to purchase the only remedy universally known and a remedy that has the largest sale of any medicine in the world since 1868 for the cure and treatment of Consumption and Throat and Lung troubles without losing its great popularity all these years, you will be thankful we called your attention to Boschee's German Syrup. There are so many ordinary cough remedies made by druggists and others that are cheap and good for light colds perhaps, but for severe coughs, bronchitis, croup—and especially for consumption where there is difficult expectoration and coughing during the nights and mornings, there is nothing like German Syrup. The 25 cent size has just been introduced this year. Regular size 75 cents. Dr. Stone's Drug Stores.
