Has come to the conclusion that all profession of the healing art out side of the vegetable kingdom is a failure. When your system is run out without pure blood. You will only find vitality in the vegetable kingdom: Poisonous drugs nor doctors' knives nor thunder and lightning wil not remove the cause, but lay the foundation for al kinds of disease. Those poisons go into your bones, and kill the life of them and create all kinds of diseases, cancerous tumors, consumption, dropsy bone diseases, etc. You must bear in mind that his medicine is not a poisonous tonic, nor a stimulant, nor temporary relief which you get from polsonous drugs, where the results are sure death sooner or later. Do not biame the medicine, when it takes an effect and stirs up the poisons or disease in the system. You must not expect to be cured in a few days, for your sickness or disease has been a long time coming on, and it will take a long time to get it out of your system. It will take months or a year to build a new body from the bones up. This is what the people do not un derstand, They are used to being humbugged. His medicines are com posed of Nature's Herbs-what the human system requires. When the ani mals get sick they will help themselves to those herbs, for they have the in stinct, and the people have not, so we have to make a study of it. It has been a life study with Dr. Cook. Do not get weary; this life is too short and too sweet to worry out of this world.

WHAT TIME PROVES.

This thing of being sick and looking for a cure is a mighty serious busi People are not given to joking even at the first symptom of the approach of the grim destroyer. They do not want to be the subjects of experiment, but want medicine that has a the test of years behind it. A medicine that has been made and used for 20 years gives assurance of its worth, and can be taken with a faith that they have the very best cure the world affords. All this can be said about Dr. Gunn's improved Liver Pills as a remedy for sick-headache, dys-pepsia and indigestion, it begins right at the source of the trouble and removes the cause.
