DR. J. F. COOK

Has come to the conclusion that all profession of the healing art outside of the vegetable kingdom is a failure. When your system is run out without pure blood. You will only find vitality in the vegetable kingdom. Poisonous drugs nor doctors' knives nor thunder and lightning will not remove the cause, but lay the foundation for all kinds of disease. Those poisons go into your bones, and kill the life of them and create all kinds of diseases, cancerous tumors, consumption, dropsy, bone diseases, etc. You must bear in mind that his medicine is not a poisonous tonic, nor a stimulant, nor temporary relief which you get from poisonous drugs, where the results are sure death sooner or later. Do not blame the medicine, when it takes an effect and stirs up the poisons or disease in the system. You must not expect to be cured in a few days, for your sickness or disease has been a long time coming on, and it will take a long time to get it out of your system. It will take months or a year to build a new body from the bones up. This is what the people do not understand. They are used to being humbugged. His medicines are composed of Nature's Herbs—what the human system requires. When the animal gets sick they will help themselves to those herbs, for they have the instinct, and the people have not, so we have to make a study of it. It has been a life study with Dr. Cook. Do not get weary; this life is too short and too sweet to worry out of this world.

LIVELY TIMES AT NEWPORT

She Waited Patiently and Floated with the Tide

A Married Man Who Liked Milk Samples the Yeast can by Mistake in the Dark

The Corvallis Times tells of four accidents at Newport Friday of last week, the first being the close call of a clergyman, already noted in these columns, the others the Times describes as follows:

A man and his wife were enroute via the Richardson barge to Newport. The wife missed her footing as she attempted to pass from boat to wharf and fell into the deep water. The husband leaped in after her, and there was a prospect that both would be lost. Then another man jumped in, only to be followed by still another. In brief time, all had hold of each other, that one nearest the boat was hauled in by willing hands. The woman was last to appear, but beyond the wetting and floods of salt water swallowed, the incident was dangerous.

A lady of 180 pounds avoirdupois sat contemplatively on the big rock that makes into the sea near Jump Off Joe. The tide was coming in while she mused, and as is so often the case, was well up on the rock before she noticed it. The customary big wave came along just then, and in her frightened effort to avoid it, she slid from her perch into the frigid wave. She was rescued, however, in time to cheat the undertaker.

Sudden, however, of all the happenings on this blackest of black Friday was the accident to a cottager. It is his custom to drink a bowl of milk each eve before retiring. It was dark when he felt about in the pantry for his usual draught. In about the same place as usual, his hand found a bowl. "Of course, it is the bowl of milk," he thought, and he put it to his lips and began to gulp down the contents. It is a philosophical fact that in drinking, the tasting apparatus doesn't work until there has been swallowing. It worked slower than usual this time, and nearly all the contents was down before the brackish, sour taste hit the drinkers palate, what he had swallowed was his wife's hop yeast. Made active by the heat of his stomach, the yeast was rising when the wires went down, and the result of the incident is not known.

CAUTION!

This is not a gentle word—but when you think how liable you are not to purchase the only remedy universally known and a remedy that has the largest sale of any medicine in the world since 1868 for the cure and treatment of Consumption and Throat and Lung troubles without losing its great popularity all these years, you will be thankful we called your attention to Boschoe's German Syrup. There are so many ordinary cough remedies made by druggists and others that are cheap and good for light colds perhaps, but for severe coughs, bronchitis, croup—and especially for consumption where there is difficult expectoration and coughing during the nights and mornings, there is nothing like German Syrup. The 25 cent size has just been introduced this year. Regular size 75 cents. Dr. Stone's Drug Stores.

BRANSON & RAGAN.

Recently there have been several cases of prominent men suddenly falling in collapse just after eating a hearty meal. These men have all been under treatment for gastric "trouble," and yet the result shows that the treatment they had received had smothered the symptoms but had not retarded the progress of the disease.

There is a real danger in the use of palliatives when there is disease of the stomach and its allied organs of digestion and nutrition. The disease in such cases goes on, while the distressing symptoms alone are stopped. Presently, like a smothered fire, the disease breaks out in new places, involving heart, lungs, liver, kidneys, or some other organ.

The case of Dr. Pierce's Golden Medical Discovery results in a radical cure of diseases of the stomach and other organs of digestion and nutrition. It cures diseases of heart, lungs, liver, kidneys, etc., when the disease of these organs has its origin in the diseased condition of the stomach and digestive and nutritive system.

"I will tell you what myself and family think of your medicine," writes Mr. M. M. Wardwell, of Linwood, Leavenworth Co., Kansas. "I will do all you say, and more. I was taken sick nine years ago; I got so weak I couldn't lie down, nor hardly sit up; was that way two or three months. I picked up one of Dr. Pierce's Golden Medical Discovery in the house that was got for my mother. You recommend it for catarrh of the stomach, as I went to taking it. The one bottle nearly cured me. I got two bottles next time and took one and one-half and was well. Your medicine cost me three dollars and the doctor cost me fourteen dollars."

Dr. Pierce's Common Sense Medical Adviser, in paper covers, is sent free on receipt of 21 one-cent stamps, to pay expense of mailing only. Address Dr. R. V. Pierce, Buffalo, N. Y.

The gross earnings of the Lake Erie & Western railroad during the month of June, were \$466,026.39, the largest earnings for one month in the history of the road.

WOMAN'S DUTIES.

A woman who keeps her house to order and has the care of a family, has just as much responsibility as the man who provides the means to carry on the housekeeping. She is deserving of the more credit since the demands on her strength is greater. The everlasting sameness about her duties, and the confinement necessary to carry them out is very trying to the nervous system, this produces a strain on the mind that makes her irritable, cross, and dissatisfied, which is just as much a disease as rheumatism or catarrh. If nerves can be built up and made strong by medicine of some kind this feeling is changed to one of cheerfulness and pleasure in her duties. The medicine that makes strong steady nerves, and prevents disease by building up the entire system, is Dr. Gunn's Blood and Nerve Tonic, a tablet to take at meal time. Cures nervous prostration by making rich red blood, feeding the nerves, and making solid flesh at the rate of 1 to 15 lbs per week. This medicine is sold by druggists for 75c per box, or 3 boxes for \$2.00, or sent by mail, post-paid, on receipt of price. Write us about your case. Address Dr. Bosanko Co., Philadelphia, Pa.
