Brigade Has a Reunion

Chattanooga, Tenn., Sept. 18.—The famous Wilder Brigade is celebrating the 40th anniversary of the battle of Chickamauga by holding a three day's reunion on the battlefield. The reunion was formally opened today, the veterans rendezvousing at the handsome Wilder monument on Widow Glenn's Hill. This afternoon the survivors assembled at Alexander's bridge and listened to an interesting historical address by General Wilder, he reviewing the events leading up to the battle and described the position and the operations of the brigade on the first day of the bloody conflict. The reunion will continue through Sunday. Many veterans from Illinois, Indiana and other states are in attendance.

Britons are Coming to Learn

London, Sept. 18.—The sub-committee of the Royal commission on London street traffic to study American railway systems sails for New York today.

The committee comprises Lord Ribblesdale, George Gibb, general manager of the North-Eastern Railway; Sir David Barbour, Sir J. Dickson Poynder and Sir Francis Hopwood. The commission will visit Boston, Chicago, Indianapolis and other cities, with a view to their adoption in London of any of their valuable features.

Trentons old Church

Utica, N. Y., Sept. 18.—The Unitarian church at Trenton today began a three day's celebration of its centennial. The first pastor of the church was Rev. John Shemran, a grandson of Roger Sherman, the Revolutionary patriot. The present church building was erected nearly one hundred years ago and is one of the finest specimens of colonial architecture in the state.

Rice Crop a Large One

Crowley, La., Sept. 18.—The rice mills in Louisiana and Texas started up this week and judging from all indications the harvest will be an exceptionally big one. The yield is from 16 to 21 sacks per acre above the last year, but the second crop promises to be the best in the history of the rice industry. The quality is pronounced by experts to be superior to that of the Japanese rice.

Found Spurious Coin.

Los Angeles, Sept. 18.—The graders on the Sunset Boulevard, just outside the city limits, have turned up a peck of spurious coin, buried by counterfeiters. The coin had apparently been buried many years. All the spurious coins were \$5 and \$10 pieces, and, although corroded from contact with the damp earth, were good imitations of the real article.

About 11 years ago the house situated on the land where the bogus money was turned up was rented to a party of Italians. They occupied the place about a year, and subsequent events identified them as members of a band of counterfeiters, known in police circles as the Triggiani gang. The men were stopped by the police, and the entire gang of four captured, tried and sentenced to eight years each in the state prison. They served the sentences and were liberated.

Question Answered.

Yes, August Flower still has the largest sale of any medicine in the civilized world. Your mothers and grandmothers never thought of using anything else for indigestion or biliousness. Doctors were scarce, and they seldom heard of appendicitis, nervous prostration or heart failure, etc. They used August Flower to clean out the system and stop fermentation of undigested food, regulate the action of the liver, stimulate the nervous and circulatory action of the system, and that is all they took when feeling dull and bad with headaches and other aches. You only need a few doses of Green's August Flower, in liquid form, to make you satisfied there is nothing across the matter with you. You can get this reliable remedy at Dr. Saxe's drug stores. Price 25c and 75c.

DISTRESS AFTER EATING CURED.
Judge W. T. Holland, of Greensburg, Pa., who is well and favorably known, says: "Two years ago I suffered greatly from indigestion. After eating great distress would invariably result, lasting for an hour or so and my nights were restless. I concluded to try Kodol Dyspepsia Cure and it cured me entirely. Now my sleep is refreshing and digestion perfect." Sold by F. G. Bass, 96 State Street.
