

Humbugs are the worst kind of bugs and there is more of this sort of bugs in couches and other upholstered furniture than the uninitiated will believe. It is possible to make a nice looking couch that really is worth but little. We make the very best and sell none that will not bear the closest inspection.

DR. J. F. COOK

Has come to the conclusion that all profession of the healing art out side of the vegetable kingdom is a failure. When your system is run out without pure blood. You will only find vitality in the vegetable kingdom. Poisonous drugs nor doctors' knives nor thunder and lightning will not remove the cause, but lay the foundation for all kinds of disease. Those poisons go into your bones, and kill the life of them and create all kinds of diseases, cancerous tumors, consumption, dropsy, bone diseases, etc. You must bear in mind that his medicine is not a poisonous tonic, nor a stimulant, nor temporary relief which you get from poisonous drugs, where the results are sure death sooner or later. Do not blame the medicine, when it takes an effect and stirs up the poisons or disease in the system. You must not expect to be cured in a few days, for your sickness or disease has been a long time coming on, and it will take a long time to get it out of your system. It will take months or a year to build a new body from the bones up. This is what the people do not understand. They are used to being humbugged. His medicines are composed of Nature's Herbs—what the human system requires. When the animals get sick they will help themselves to those herbs, for they have the instinct, and the people have not, so we have to make a study of it. It has been a life study with Dr. Cook. Do not get weary; this life is too short and too sweet to worry out of this world.

IF THOU COULD'ST LOVE ME

De Mitris, the Famous Soloist, Plays it Tonight

Ellery's Famous Band Will Charm Salem Music Lovers With Splendid Selections

Fresh from their Eastern triumphs, the same great band, the ever interesting and wonderful leader, Chiffarelli "The Great," with the musical baton, Ellery's Royal Italian band will make their appearance at the Grand Opera house Tuesday, October 20. Since last here, the band has finished a most wonderful and successful tour of old Mexico, playing that country under the direction of the government, and creating the most unbounded enthusiasm ever accorded a concert band. The organization also has the distinction of being the first foreign band to visit the land of President Diaz, and the success was so great that they have booked a series of return dates in the spring.

De Mitris, the Greco-Italian trumpet soloist, will play Denza's "If Thou Couldst Love Me." Those who have heard him play it declare it is beyond criticism. De Mitris was with the band on the occasion of its former visit to this city, and created then a most favorable impression. It is to be highly dramatic in quality and arouses the audience to intense enthusiasm. De Mitris soars easily to D flat above the staff, as will be heard in the sextet from "Lucia di Lammermoor," which the Ellery band plays from manuscript in its original keys.

He Supplied the Water.
New York, Oct. 20.—Kenneth McLaren, who is an official in the notorious ship building combine that is now being raked over the coals of the court, has admitted that he was one of the principal factors in the Miller get-rich-quick schemes that ruined hundreds of poor people and sent two of the chief promoters to the penitentiary. Since the admission Miller has been keeping away from the newspaper men and has refused to make any statements concerning the manipulation of the ship building stock or the fraud of Miller until placed on the stand.

McLaren is a very remarkable man. He is only 27 years of age, but he has a wonderful knowledge of financial affairs. While he acted as incorporator and director in the combine he is said to have proposed the plan for watering the stock that resulted in a three million dollar concern growing to a capitalization of over \$80,000,000. The directors, however, were not holders of stock, but merely dummies, and McLaren has not made the fortune out of the stock juggling he is supposed to have acquired.

Does it Pay to Buy Cheap?
A cheap remedy for coughs and colds is all right, but you want something that will relieve and cure the most severe and dangerous results of throat and lung troubles. What shall you do? Go to a warmer and more regular climate? Yes, if possible; if not possible for you, then in either case take the ONLY remedy that has been introduced in all civilized countries with success in severe throat and lung troubles, "Boachee's German Syrup." It not only loosens and stimulates the tissues to destroy the germ disease, but allays inflammation, causes easy expectoration, gives a good night's rest, and cures.
Try ONE bottle. Recommended many years by all druggists in the world. You can get this reliable remedy at Dr. Stone's drug stores. Price 25c and 75c.

Will Not Attack Salvador.
San Francisco, Oct. 20.—Business houses here that do business with Central America have received cablegrams from both Nicaragua and Guatemala denying that there is any collusion between the countries named for the purpose of attacking and conquering Salvador. Salvador has always been suspicious of Guatemala and the rumors of a general war are started in that country.

A Chance for Our Hop Growers.
St. Louis, Oct. 20.—The Busch Brewing company has offered a prize of \$500 for the best sample of hops raised on unirrigated soil. The samples are to be preserved and sent to the St. Louis exposition.

Tired After Mental Exertion—No Rest. Nervous, Irritable and Wretched.

Dr. Miles' Nervine Saved My Life.

There is little joy in living when the disordered nerves prevent sleep and rest; when one wakes from a restless night more tired than the night before; when one is forced to drag through the round of daily duties without energy, ambition or interest. This condition is due to a derangement of the nerves which may be speedily regulated and strengthened by Dr. Miles' Restorative Nervine. This remarkable medicine has a wonderful record of cures. Supplying as it does the exact element needed for the restoration of the nerve force and vitality, its good effects are felt after the first few doses.
"I have used your remedies myself and in my family for the past seven years and it is not too much to say that they saved my life. The tired feeling I used to have after giving a few music lessons has left me entirely and instead of lying in bed three or four hours trying to get sleep, and then getting up and walking the floor until morning, I can now go to bed and sleep eight, ten and twelve hours without any trouble. When I think of my former nervous, wretched, irritable state I want to tell everyone what Dr. Miles' Nervine has done for me. I can do as much work now in a day as I used to take a week to accomplish. I think Dr. Miles' Nervine is the best remedy for nervousness and general debility on earth."—L. D. EDWARDS, Prof. of Music, Preston, Idaho.

A Ministers Mistake.
A city minister was recently handed a notice to be read from his pulpit. Accompanying it was a clipping from a newspaper bearing upon the matter. The clergyman started to read the extract and found that it began: "Take Kemp's Balsam, the best Cough Cure." This was hardly what he had expected, and, after a moment's hesitation, he turned it over and found on the other side the matter intended for reading.
