

Humbugs are the worst kind of bugs and there is more of this sort of bugs in couches and other upholstered furniture than the uninitiated will believe. It is possible to make a nice looking couch that really is worth but little. We make the very best and sell none that will not bear the closest inspection.

DR. J. F. COOK

Has come to the conclusion that all profession of the healing art out side of the vegetable kingdom is a failure. When your system is run out without pure blood. You will only find vitality in the vegetable kingdom. Poisonous drugs nor doctors' knives nor thunder and lightning will not remove the cause, but lay the foundation for all kinds of disease. Those poisons go into your bones, and kill the life of them and create all kinds of diseases, cancerous tumors, consumption, dropsy bone diseases, etc. You must bear in mind that his medicine is not a poisonous tonic, nor a stimulant, nor temporary relief which you get from poisonous drugs, where the results are sure death sooner or later. Do not blame the medicine, when it takes an effect and stirs up the poisons or disease in the system. You must not expect to be cured in a few days, for your sickness or disease has been a long time coming on, and it will take a long time to get it out of your system. It will take months or a year to build a new body from the bones up. This is what the people do not understand. They are used to being humbugged. His medicines are composed of Nature's Herbs—what the human system requires. When the animal gets sick they will help themselves to those herbs, for they have the instinct, and the people have not, so we have to make a study of it. It has been a life study with Dr. Cook. Do not get weary; this life is too short and too sweet to worry out of this world.

...PROPRIETOR OF...
STONE'S DRUG STORES
SALEM, OREGON.

The stores (two in number) are located at No. 235 and 297 Commercial street, and are well stocked with a complete line of drugs and medicines, toilet articles, perfumery, brushes, etc. Has had some 25 years experience in the practice of medicine, and now makes no charges for consultation, examination or prescription.

IS YOUR STOMACH ON A STRIKE?

There is nothing to prevent you employing a substitute to do its work.

There is such a thing as forbearance ceasing to be a virtue even in the case of one's stomach. There is no question but that some stomachs will stand a great deal more wear and tear and abuse than others, but they all have their limit and when that limit is reached, the stomach must be reckoned with as sure as fate. The best way and really the only effective way to treat your stomach when it rebels is to employ a substitute to do its work. This will give the weakened and worn out organ an opportunity to rest and regain its strength and health.

Stuart's Dyspepsia Tablets relieve the stomach of its work by taking up the work and doing it just as one set or shift of workmen relieves another. They actually digest the food in just the same manner and just the same time as the digestive fluids of a sound stomach do. In fact when dissolved in the stomach, they are digestive fluids for they contain exactly the same constituents and elements as the gastric juice and other digestive fluids of the stomach. No matter what the condition of the stomach is, their work is just the same. They work in their own natural way without regard to surrounding conditions.

The stomach being thus relieved by Stuart's Dyspepsia Tablets, is restored and renewed by Nature and the rest of the human body does not suffer in the least by reason of its failure to perform its work.

A Wisconsin man says: "I suffered the pangs of dyspepsia for 10 years. I tried every known remedy with indifferent results until I was told of the remarkable cures of Stuart's Dyspepsia Tablets. I bought a box, began taking them and forgot I had a stomach. Three boxes cured me completely. I have had no trouble whatever for a year and have an appetite like a harvest hand and can eat anything that is set before me without fear of bad results."

Stuart's Dyspepsia Tablets are for sale by all druggists at 50c a box. The druggist never fails to have them in stock because the demand for them is so great and so pronounced that he cannot afford to be without them. People who could not get them of one druggist would go to another and would get in the habit of buying their other drugs there as well as their Stuart's Dyspepsia Tablets.

BEYOND DOUBT.

These Facts Must Convince Every Salem Reader.
The statement which follows tells the experience of a resident of Salem. Incredibly cannot long exist about this testimony because it can easily be investigated.

Olof Johnson who is a gardner by occupation living at the corner of 15th and B streets, North Salem, says: "Kidney complaint is no new thing for me. I have been bothered off and on from a disordered condition of the kidneys for ten or twelve years. I did not suffer so much from backache as most people do who have kidney complaint but the principal annoyance was a weakening of the kidney secretions, which was both distressing and aggravating. There was a scalding sensation in passing and a heavy brick-dust like sediment appeared after standing in the vessel over night. I had attacks of dizziness in my head and sometimes a blurring would appear before my eyes and I could scarcely see. I tried numerous remedies but all in vain until I saw Doan's Kidney Pills highly recommended for just such troubles and procured them at Dr. Stone's drug store. Now I don't want to tell the people something that is not true but I will say that in all my experience with doctor's prescriptions and different kidney remedies nothing has given me the amount of relief that I have received from Doan's Kidney Pills.

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

Remember the name Doan's and take no substitute.
