Few Going Home to Vote. Washington, D. C. Oct. 31 .- It is customary on the Saturday preceding election day for a large number of department employes, amounting sometimes to several thousands, to leave Washington for their homes in the various states in order to cast their votes. This year, however, has not witnessed the customary exodus. Inquiry at the headquarters of the inational committees shows that very few are taking advantage of the op-

little expense. In nearly all of the states the result of the election can be forecasted with certainty, and only in Ohio is the situation believed to be sufficiently close to act as an incentive for the Buckeye employes to journey home.

portunity to revisit their homes at

President Roosevelt believes it to be the duty of a citizen to vote at every election and in consequence of this belief he will be one of the few public officials who will go home to rote. He has arranged to leave Wash ington Monday night, on a special train, so as to arrive at Oyster Bay in time to vote early and be back in the White House Tuesday evening.

WHAT MRS. LAVIGNE FEARED IS FELT BY MANY OTHERS.

An Unnatural Decline Made Her Think She Was Going Into Consumption, Until She Acted Upon the Advice of a Friend.

"I was going into an unnatural decline, says Mrs. Charles Lavigne, of No. 1317 Third avenue, Detroit Mich., and my health was seriously low when i began using Dr. Williams' Pink Pills for Pale People. They cured me;

"I was weak and thin, nervous and without appetite, took cold easily and was afraid of consumption. I could not sleep, I was always tired and worn out, my color all went away and I felt miserable. Good doctors treated me, but failed to do me any good, and I was discouraged of ever getting beter, until a friend told me of Dr. Williams' Pink Pills for Pale People. I began to take them, and kept on until I had used three boxes. By that time

I was an entirely different person. The nervousness had all gone, I could eat and sleep, I gained in weight, and felt strong and well. My friends began to remark on the color in my checks, and I told them Dr. Williams' Pink Pills had done it and had restored me to health. That was several years ago, but from that day to this have retained my health and my strength."

Dr. Williams' Pink Pills for Pale cople are not only of inestimable vally to women, but restore to health men, women and children who are thin, pale, nervous and depressed. They embody Dr. Williams' wonderful discovery and have cured stubborn cases of locomotor ataxia, partial par alysis, St. Vitus' dance, sciatica, neuralgia, rheumatism, nervous headache, and the after-effects of the grip, palpitation of the heart, pale and sallow complexions and all forms of weakness, either in male or female. Dr. Williams' Pink Pills for Pale People are sold by all dealers, or will be sent postpaid on receipt of price, 50 cents a box, or six boxes for \$2.50 (they are never sold in bulk, by the dozen or hundred) by addressing Dr. Williams Medicine Company, Schnectady, N. Y.
