The Power of Price

As we have figured it down to command the public's attention, cannot fail to make a clean sweep of our immense stocks of goods, and thus enable us to combine our two stores in the near future. We have never bought anything but the best of merchandise; no imitations, no shoddy ever came into either store. This is self-evident fact, established, and the fact that we bought the Holverson store at our own price is sufficient proof that we are selling better goods for less money than any other firm.

MORE BAD BOYS.

Cement Work Mutilated on East State Street.

A new cement sidewalk has recently been put down in front of the Dick Carey residence, on East State street, by Mr. Veach, the cement worker. After he had done one of his prettiest jobs some bad boys took the trouble to mutilate it in several places. This not only costs considerable extra work and expense, but leaves the marks forever. This kind of behavior on their part is criminal and deserves the full penalty of the law.

OREGON RAILWAY WORKERS

Organizer Apperson Spends the Day at Salem

Wm. R. Apperson, a nephew of Capt. John Apperson, of Oregon City, and secretary of the Oregon Division of the United Brotherhood of Railway Employees, spent the day in the city, interviewing the score or more of members of that organization at Salem. He was accompanied by State Labor Commissioner O. P. Hoff on his calls about the city.

All white railway employes are members of this Union, and it is one of the strongest and most conservative bodies of organized labor in the world, ranking in point of general intelligence with the Printers' Unions, who are recognized as being the very head and front of all labor organizations.

Secretary Apperson is secretary and business agent of the U. B. R. E., and holds a position of great importance and responsibility.

CITY POLITICS BREWING

Republican City Committee Called Together

The selection of the judges and clerks of election, and the polling places, for the coming city election in the seven wards of Greater Salem, and the call of the Republican city committee to meet, has aroused dormant interest in the city election.

The list of election officers are published elsewhere, and will be found to be generally satisfactory, being representative citizens and competent men.

The Republican city committee meets Friday evening, according to following call issued today:

Meeting of City Committee.

The Republican city committee is requested to meet at the city hall police court room, Friday evening, November 6, at 7:30 o'clock to fix dates, for primaries and such other business as may come before the committee. The committee invites Republicans of each of the three new wards to meet with them to select ward committeemen from their respective wards.

E. LAFORE,
Chairman.

Besides selecting a member of the new city committee from each of the new wards, there is a vacancy to fill in the first ward, caused by C. D. Minton having changed his residence to Lincoln county. The other members of the committee are: E. LaFore, chairman; R. A. Crossan, secretary; F. T. Wrightman, for second ward; E. H. Flagg, for third ward; Len Wain for the fourth ward. The new committee will be composed of seven members beside the chairman and secretary.

Kick in the Seventh.

Ed. Journal: Permit an humble seventh warder to say that there are 40 or 50 voters in the Yew Park end of that ward, and the location of the polling place, in the Jory fruit drier, is very inconvenient for us. A location nearer the Lincoln school house would be more just to this large ward, and a judge or a clerk of the election should have been given to our end of the ward. We are not so numerous, but we are all GRAVEL.

There were representatives of the seventh ward at the meeting of the city council last night, but none from the "gravel" end of it. But it may not be too late to change it, and if it can be done the council will move the polling place nearer the center of the ward.

the Republican majority on joint ballot will exceed 74.

Louisville, Ky., Nov. 4.—With the close of an election characterized by an unusually heavy vote, numerous disorders and evidences of many gross irregularities, the re-election of Governor Beckham, Dem., over Colonel Morris B. Belknap, Rep., by a majority of fully 15,900 seems assured. The Republicans concede the election of Governor Beckham.

Boston, Nov. 4.—With returns complete from every town and city in the state, the total vote for governor today stands: Bates, Rep., 199,293; Gaston, Dem., 163,544. The rest of the state Republican ticket was also elected.

The legislature remains practically unchanged, so far as the Democrats and Republicans are concerned, but the Socialistic party will be represented by only one.

Trenton, N. J., Nov. 4.—The Republicans today elected four state senators and enough of the assembly to claim both houses. The entire Democratic assembly ticket was elected in Union county, which is a defeat for United States Senator Kean. The Republican nominees, who were favorable to his return to the senate, were openly opposed at the polls by the anti-Kean faction in that county.

The next state senate will stand 14 Republicans and seven Democrats.

In the house at least 33 of the 60 members will be Republican.

Philadelphia, Nov. 4.—Estimates from the 67 counties of the state indicate a plurality for Methus. Rep., for state treasurer, of 217,784. Snyder, for auditor-general, and Morrison and Henderson, for judges of the supreme court, were given approximately the same immense pluralities.

Providence, R. I., Nov. 4.—At midnight the returns indicate the re-election of Governor Garvin, Dem., by a greatly reduced plurality. The vote is very close, however, and the result probably will be in doubt until the

Omaha, Nov. 4.—At 2 o'clock this morning the defeat of J. J. Sullivan, Democratic candidate, for the supreme bench, by John Barnes, Rep., is conceded. The majority will be between 4500 and 5000. The returns show fusion gains.

Salt Lake, Utah, Nov. 4.—Almost complete returns give Morris, Dem., about 1500 majority over Knox, Rep. The Democrats also elected 13 of the 15 councilmen. Eight are Mormons.
