Life Caused Chronic Headaches.

Stomach Trouble All His Life.

Dr. Miles' Anti-Pain Pills Cured Him of Both.

As is very frequently found the stomach trouble and headache in the following case came from the same cause. Dr. Miles' Anti-Pain Pills, like all of Dr. Miles' Remedies, are designed to cure the disease, not the symptoms. This readily explains why these sterling medicines can cure such a variety of diseases. There is no remedy, formula or prescription which in any way equals Dr. Miles' Anti-Pain Pills for the speedy cure and relief of headache and kindred ailments.

"Up to the age of twenty-three my son was greatly troubled with severe pains in the stomach. After he had served his term of enlistment with the army in the Philippines he came home and was unfit for anything because of terrible headaches. He found that Dr. Miles' Anti-Pain Pills not only relieved him of the headaches but would prevent an attack if taken in time. He continued their use for some time and to his surprise and delight he found they had cured the stomach trouble also. You may imagine how grateful both he and myself feel to you for the good the Anti-Pain Pills have done him. I may add that I have used your medicines in our family for many years and keep a bottle of Nerve in the house all the time. I think it an ideal household remedy and all the remedies are just what you recommend them to be. You have my permission to publish this."—Mrs. M. L. FARRAR, Walla Walla, Wash.

All druggists sell and guarantee Dr. Miles' Anti-Pain Pills. They are non-narcotic; contain no opiates, never sold in bulk, 25 doses, 55 cents. Dr. Miles Medical Co., Elkhart, Ind.

## DR. J. F. COOK

Has come to the conclusion that all profession of the healing art outside of the vegetable kingdom is a failure. When your system is run out without pure blood. You will only find vitality in the vegetable kingdom. Poisonous drugs nor doctors' knives nor thunder and lightning will not remove the cause, but lay the foundation for all kinds of disease. Those poisons go into your bones, and kill the life of them and create all kinds of diseases, cancerous tumors, consumption, dropsy, bone diseases, etc. You must bear in mind that his medicine is not a poisonous tonic, nor a stimulant, nor temporary relief which you get from poisonous drugs, where the results are sure death sooner or later. Do not blame the medicine, when it takes an effect and stirs up the poisons or disease in the system. You must not expect to be cured in a few days, for your sickness or disease has been a long time coming on, and it will take a long time to get it out of your system. It will take months or a year to build a new body from the bones up. This is what the people do not understand. They are used to being humbugged. His medicines are composed of Nature's Herbs—what the human system requires. When the animals get sick they will help themselves to those herbs, for they have the instinct, and the people have not, so we have to make a study of it. It has been a life study with Dr. Cook. Do not get weary; this life is too short and too sweet to worry out of this world.

The meeting adjourned subject to the call of the chairman. Committeemen for the three new wards were chosen as follows: Fifth ward, T. J. Cronise; sixth ward, John Knight; seventh ward, Alex. Dams. On resignation of C. D. Minton, H. A. Johnson was appointed.

### Important Freight Rate Case.

St. Paul, Minn., Nov. 7.—Grain shippers and others in the Northwest are awaiting with considerable interest a decision in the case of the Cannon Falls Elevator company against the Great Western and Milwaukee roads which came up for a hearing here today before the interstate commerce commission. It is alleged in complaint that the present grain rates from Cannon Falls to market points are unequal. While the rate on grain, it is alleged, is but 15 cents from Cannon Falls to Chicago, and 7 cents from Cannon Falls to Minneapolis, the through rates from Minneapolis to Chicago, a longer haul, are 7½ cents. The complaint cites rye as an example and alleges that because of the rate to Chicago it is unable to get a foothold on the Louisville market which takes an immense quantity of rye annually, and would be glad to have southern Minnesota grain if it could be put down there on an even basis with that which takes the through rate.
