The provisional government of Panama has received a telegram from President Marroquin, of the Republic of Colombia, giving assurance that the Panama canal bill would most certainly pass congress next August, and General Reyes was on his way to the isthmus to make proposals looking to peace and the saving of the national honor. The provisional government has sent a letter to General Reyes, which will reach him on his arrival at Savanilla, advising it is useless for him to come to Panama, as his mission is a hopeless one.

Millionaire's Poor Stomach.

The worn-out stomach of the overfed millionaire is often paraded in the public prints as a horrible example of the evils attendant on the possession of great wealth. But millionaires are not the only ones who are afflicted with bad stomachs. The proportion is far greater among the toilers. Dyspepsia and indigestion are rampant among these people, and they suffer far worse tortures than the millionaire unless they avail themselves of a standard medicine like Green's August Flower, which has been a favorite household remedy for all stomach troubles for over 35 years. August Flower rouses the torpid liver, thus creating appetite and insuring perfect digestion. It tones and vitalizes the entire system, and makes life worth living, no matter what your station. Trial bottle, 25c; regular size, 75c. At all druggists. At Dr. Stone's drug stores.
