## FOOTBALL FRIDAY

Varsity Will go up Against the Strong Boys From Albany

The best football game of the season, to be played on the Williamette University field, is scheduled for next Friday afternoon, when the 'varsity team will go up against the Albany College eleven. This promises to be a most interesting contest, for both teams are in splendid condition, and have only been defeated by the U. of O. team this season, of all the college teams that have gone up against both of these organizations. The Albany team defeated the Corvallis "Farmers," while the latter tied the Pacific University team. The P. U., in turn, tied the Salem aggregation in one of the hardest fights the visitors ever had.

The game will again be played on Friday afternoon, to enable the business men and clerks to attend and enjoy the sport, which is found to be impossible in the case of Saturday games. The teams are both in splendid condition, and promise to put up the fight of their lives, and the exhibition will be well worth seeing. The game will be called at 2:30 p. m., in plenty of time to be finished before the darkness sets in. The management promises to put on a good police force, and prevent the spectators down along the lines from crowding onto the field, a proceeding that somewhat marred the pleasure of the last game, and interfered somewhat with the work of the officials. Everything possible will be done to make the game the most enjoyable of the season.

### IN OLDEN TIMES

People Were Content to Take Things Easier Than Now.

If our forefathers could behold the modern locomotives, automobiles and electric cars, they would hold up their hands in astonishment.

The stage-coach was fast enough then—people were more content to take things easy.

They used to be satisfied with any sort of a hair lotion that came along—if it did not prevent baldness they thought it was because baldness could not be prevented.

It's different now. People know that germs cause baldness and that Newbro's Herpicide kills the germ, thus curing dandruff and preventing baldness.

Sold by leading druggists. Send 10c in stamps for sample to The Herpicide Co., Detroit, Mich.

## We do what We Claim

We kill and remove cancers and tumors without the aid of a knife.

Read the testimony of a prominent Salem man:

**TO THE PUBLIC.** In justice to Dr. Cook, and that the world may know what great work he is doing, I wish to inform them that I have been taking treatment from him for the past fifteen months and in that time he has removed from my alimentary canal three tumors of cancerous growths, as large as a man's hand, all from the larger intestine. Also another cancerous growth from off my right right foot and another from my right thumb. This has all been accomplished through medicines alone, they killing the growth and the spider like roots and nature itself casting them off, without the aid of knife or surgery. I do not believe I could have found equally successful treatment anywhere in the world and cheerfully recommend Dr. J. F. Cook, the Botanical Doctor, to all who read this testimonial.

R. J. Spencer. We can do as much for you or more if you need it.

**J. F. COOK**  
Deutscher Botanical Doctor. Cures all Diseases. Salem, Liberty St.
