# Father

And Son Suffered Chronic Headache. Almost Constant Pain For Thirty Years.

Dr. Miles' Nerve Has Cured Me.

There is nothing so good in cases of chronic headache as Dr. Miles' Nerve. It restores the disordered nerves to their normal condition and banishes headache forever.

"My trouble was headache, chronic so as to be almost continual. I had been in this condition ever since I could remember and I am now forty-seven years old. My father was a great sufferer from the same complaint and my son has shown signs of similar affection. When the attacks would appear, my stomach would often become affected and I would grow dizzy and faint and often had to quit my work and lie down. I am a stationery engineer and found it hard to hold a place with such a heavy handicap. About six years ago I began taking Dr. Miles' Restorative Nerve and since that time I have used in all fourteen bottles. The number of bottles taken was not really required as I think the cure was completely effected after taking the second bottle. Having scarcely seen the time in thirty years I was free from headache, I could not believe the permanent cure to be made so soon, so I continued its use until I was thoroughly convinced. Six periods to whom I have recommended the remedy have experienced equally gratifying results, the only difference between their case and mine being in the severity of the trouble cured."—Edgar W. Wilson, Alcott, Colorado.

## We do what We Claim

We kill and remove cancers and tumors without the aid of a knife.

Read the testimony of a prominent Salem man:

TO THE PUBLIC. In justice to Dr. Cook, and that the world may know what great work he is doing, I wish to inform them that I have been taking treatment from him for the past fifteen months and in that time he has removed from my alimentary canal three tumors of cancerous growths, as large as a man's hand, all from the larger intestine. Also another cancerous growth from off my right right foot and another from my right thumb. This has all been accomplished through medicines alone, they killing the growth and the spider like roots and nature itself casting them off, without the aid of knife or surgery. I do not believe I could have found equally successful treatment anywhere in the world and cheerfully recommend Dr. J. F. Cook, the Botanical Doctor, to all who read this testimonial.  
R. J. Spencer. We can do as much for you or more if you need it.
