Carrie, the little girl who was always visible in the town, has just graduated from high school and is now attending college. Her parents are very proud of her and are sending her off to a good school. I hope she has a wonderful time there.

If you live in Oregon, you will want to join the Oregon Fire Relief Association. It's a great way to help your community and support a good cause.

We have a fine tract of timber land near Cottage Grove, which will make about 4,000 feet of timber per year. It's perfect for logging or camping. We're asking $50 per acre. This is a great opportunity to get started in the timber business.
