The Store Whose Patrons Return Again and Again

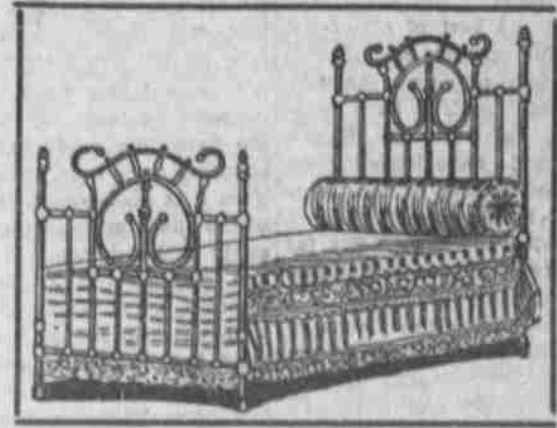

We want your trade today, tomorrow, next year and the years following. These things we well know can not be unless our goods and our conduct merit them.

We are making the most lasting and moderate-priced lounges and couches. One for \$4.50 is not much good, but from \$5.50 up you will not regret your purchase.

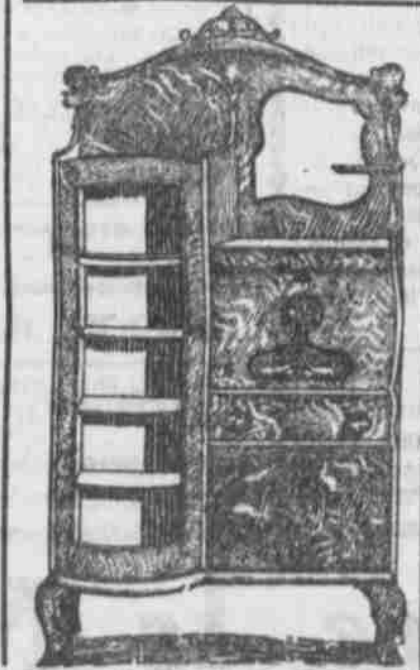

Never before have factories produced such wonderful effects in bedroom sets. Good, substantial, full-size. Three-piece sets at \$14.00; solid oak at \$18.00 and up.

This is truly the Iron Age, and nowhere is it more apparent than in the use of Iron Beds. We start them at \$3.50 and show from 40 to 50 patterns.

Sideboards and Buffets. They are good at \$12.00, \$13.50 and up to \$75.00.

A Combination Desk and Book Case is one of the most handy articles about a well regulated home; \$15.00 gets a nice one; \$12.50 are not so large.

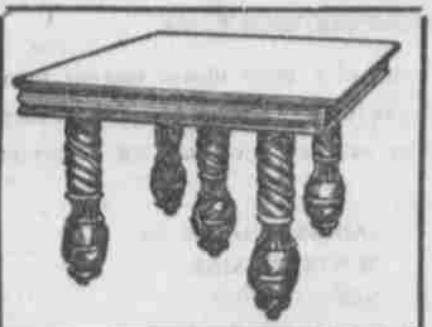

No furniture about the house should be better made nor more carefully selected than Chairs, and Rockers. You will best appreciate what we have in these lines by visiting our show rooms.

Our Carpet Department will be a revelation to you if you have not seen it lately, showing, as we do, more floor coverings than all the other Salem stores combined. We always carry from 50 to 75 pieces of Ingrains, and are prepared to sew or lay all kinds correctly.

We show Room Rugs of standard sizes in Ingrains, pro-Brussels, Tapestry and Body Brussels, Axminster, Smyrna and Wiltons. We certainly can please you in these. Odd sizes made to order.

We are strong in Linoleums for kitchens, dining rooms and halls. It is worth 50c, 55c, 60c, 65c, 75c and up, per yard. Either grade will beautify your floor and lighten your labors.

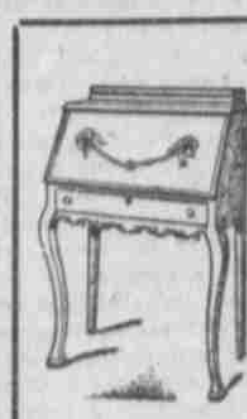

Dining Room Extension Tables. We show the most extensive line in the city of Salem. They will extend to 6, 8 and 10 feet, and are strong and durable at \$4.50, \$5.50 and up.

Bedroom, Parlor and Library Tables to captivate the eye and satisfy the purse.

You can easily touch the heart of your wife or daughter with a Dressing Table, either in Birds-Eye Maple or Golden Quartered Oak.

A nice, neat Desk will not cost you much, and will be found both useful and ornamental.

MATTRESSES

In connection with our upholstering we make mattresses, we make almost any kind but we are particularly proud of our Silk Floss Mattresses. We believe them superior even to the finest sheep wool or long curled hair.
