

OLD FITZ GETS A DECISION

Plucky Old Cornishman Surprises Every-body

Record of the Young Irishman Who Went Against His Scientific Sparring

San Francisco, Nov. 27.—Robert

A Great Agency

We Have Secured Control for This City of the Fulton Compounds, the Only Things Known to Medicine That Cure Kidney Diseases in Both the Primary and Secondary Stages.

The kidneys are not sensitive and the disease is sometimes fastened and already chronic with the very first symptoms. It has been on eight to ten months it is surely chronic. Is either case why take chances? Why not take at first the only thing known that cures kidney disease in the chronic as well as the primary stage.

On May 1st, 1929, the son of R. C. Pell, the manager of the Pacific Coast Hosiery Company of Second and Fulton streets, San Francisco, was afflicted by the family physician to have chronic kidney disease and incurable. Another physician was called in and confirmed the diagnosis. The whole body was swollen with dropsy, and a fatal termination looked for.

Palace Pharmacy, 118 State St.

"WE FOUND ONE"

Saturday Night Play. In the farce comedy, "Looking for a Wife," the management claim that they have one of the best attractions that will be seen in our city this season.

Fitzsimmons proved Wednesday night that he was not a "dead one," when he outboxed and outgeneraled George Gardner for 20 full rounds. Fitzsimmons was as awkward and as cunning as of yore, and, apparently realized that he must foster his strength, there was not a moment when he was not carefulness personified.

From his performance, Gardner is not in Fitzsimmons' class. He landed on the old-timer once in a while, but Fitzsimmons was always going away from him, and the blows were harmless. Several times Fitzsimmons apparently had Gardner almost out, but he was either too tired, or lacked his old strength, and could not land a knockout punch.

the plot is not much, but the play is one round of pleasing musical numbers, and the latest songs and dances are freely interspersed. It is said to provide three hours of solid fun, such as does men and women good after a hard day's work.

Record of Victories. Fitzsimmons was born in Elston, Cornwall, England, June 4, 1862. He stands 5 feet 11 1/2 inches in height.

On May 10, 1890 Fitzsimmons landed in San Francisco and 19 days afterward defeated Billy McCarthy before the California Club in the 9th round. On Jan. 14th 1891 he defeated Jack Dempsey at New Orleans in the 13th round and on March 8, 1893 he won from Jim Hall in the 4th round.

George Gardner's Record. Gardner is a native of County Clare, Ireland; he was born March 17th 1877 and during his ring experience has only lost three contests—one on a foul and two decisions against him.

On October 31, 1902, Gardner was defeated by Jack Johnson in 20 rounds at San Francisco, Jack Root by a foul in the same city, in 7 rounds and Walcott in 20.

Two men are after the winner of the fight; one is Jack O'Brien of Philadelphia and the other is Jack Root of Chicago who is listed to box Jim Flynn at Pueblo, Colo. at a near date.

The recent statistics of the number of deaths show that the large majority die with consumption. This disease may commence with an apparently harmless cough which can be cured instantly by Kemp's Balsam for the throat and lungs, which is guaranteed to cure and relieve all cases.

For a good banjo, guitar, mandolin, violin and French harmonica call on W. Calvert, 158 State street, practical watchmaker, who will sell you all these articles at rock-bottom prices.

CASTORIA. The Kind You Run Always Buy. Deutscher Botanical Doctor. Cures all Diseases. Salem, Liberty St.

No Dessert More Attractive

We do what We Claim. We kill and remove cancers and tumors without the aid of a knife. Read the testimony of a prominent Salem man: TO THE PUBLIC. In justice to Dr. Cook, and that the world may know what great work he is doing, I wish to inform them that I have been taking treatment from him for the past fifteen months and in that time he has removed from my alimentary canal three tumors of cancerous growths, as large as a man's hand, all from the larger intestine.
