BEAUTIES OF THE UPPER MISSISSIPPI

He who has made avoyage from has a wild sort of splendor, but it St. Paul to St. Louis by hoat in the does not compare with the Mississspringtime or the autumn has seen ippi in any respect. the finest river scenery that may be In Europe the Danube is more like observed from the deck of a steamer the Mississippi than any other river excepting that of the Hudson and the and drains a similar country. The Rhine. Yet few people are aware of passenger boats are much superior the pleasure and beauty of such a because the proprietors cater to the trip. I have floated down nearly all tourist patronage. For several cenof the great rivers. The Amazon from turies the governments of the pro-Manaos, the great rubber market, vinces through which the Danube about 1,500 miles from the sea, is a runs have been improving its channel vast, ugly volume of water without and walling up its banks so that any beauty whatever. The Orineco along at least half its course it is from Cuidad Bollvar is a small edition now no more than an artificial stream of the Amnzon, although the tropical At one point where it flows through jungles which line its banks are mys- a mountain gorge in the Halkans the terious in their denseness and are scenery is more striking than any supposed to conceal all sorts of wild along the Mississippi, but for the beasts and creeping things. The rest of the way the latter is much su Parana, which flows from Paraguay perior. The Volga in Russia is a down past Buenos Ayres and Monte good deal like the Missouri, a dirty vidio, is more like the Mississippi muddy stream, with clay banks that than any of the others except that are not at all attractive. The Rhine it lacks the bold cliffs and charming of course everybody knows about, towns and villages that overlook the and for romance, ruins and other Father of Waters. The Magdalena of artificial attractions and traditions it Colombia, the fourth largest river in is incomparable.

South America, is a turbid stream The Nile has been utilized by that is either very low or very high, tourist agencies greatly to their proaccording as you travel in the rainy fit and equally to the pleasure of er dry season of the year. Its banks their patrons, although there is very are lined with tropical forests, often little natural scenery, and the greatimpenetrable, and it changes its est attractions are the venerable course as often as the Missouri. It ruins, the mysteries of the desert

The House Furnishing

Salem.

R. J. Spencer.

269 Liberty Street.

We kill and remove cancers and tumors without the aid of a knife.

TO THE PUBLIC. In justice to Dr. Cook, and that the

world may know what great work he is doing, I wish to

inform them that I have been taking treatment from him

for the past fifteen months and in that time he has re-

moved from my alimentary canal three tumors of can-

cerous growths, as large as a man's hand, all from the

larger intestine. Also another cancerous growth from

off my right right foot and another from my right

thumb. This has all been accomplished through medi-

cines alone, they killing the growth and the spider like

roots and nature itself casting them off, without the

aid of knife or surgery. I do not believe I could have

found equally successful treatment anywhere in the

world and cheerfully recommend Dr. J. F. Cook, the

HELVETIA

keeps the essentials on hand.

The first necessity of athletics is sound stomach. Food is the source of all physical strength, but to extract and assimilate the strength from food requires that the stomach and other organs of digestion and nutrition should be in a condition of good health. What is true of the athlete is true of every man and woman; physical health and vigor depend upon the digestion and assimila-

Dr. Pierce's Golden Medical Discovery cures diseases of the stomach and other organs of digestion and nutrition, and by enabling the perfect digestion and assimilation of food, builds the body up

with solid flesh and muscle. with solid flesh and muscle.

"I used ten bottles of Dr. Pierce's Golden Medical Discovery and several vials of his 'Pieusant Pellets' a year ago this spring, and have had us trouble with indigestion slace," writes Mr. W. T. Thompson, of Townsend, Broadwater County, Montana. "Words fail to tell how thankful I am for the relief, as I had suffered so much and it seemed that the ductors could do me no good, I got down in weight to 125 pounds, and was not able to work at all. Now I weigh nearly its and can do a day's work on the farm. I have recommended your medicine to several, and shall always have a good word to day for Dr. Pierce and his medicines."
