TO THE PUBLIC. In justice to Dr. Cook, and that the

world may know what great work he is doing, I wish to

inform them that I have been taking treatment from him

for the past fifteen months and in that time he has re-

moved from my alimentary cahal three tumors of can-

cerous growths, as large as a man's hand, all from the

larger intestine. Also another cancerous growth from

off my right right foot, and another from my right

thumb. This has all been accomplished through medi-

cines alone, they killing the growth and the spider like

roots and nature itself casting them off, without the

aid of knife or surgery. I do not believe I could have

found equally successful treatment anywhere in the

world and cheerfully recommend Dr. J. F. Cook, the

Botanical Doctor, to all who read this testimonial.

I had been in poor health for four years. Buffered greatly with my fight side, also with bearing-down paus, and my nerves were in a dreadful state. After using four bottles of your 'Favorite Prescription' I am now well. I am the mother of two children. With the first child I auffered twenty-eight hours, and with the second I used your medicine and was sick only three hours.
