## BRIGHT LITTLE FOLKS

Lilliputian Company Will Delight Playgoers

The Belle of New York Tonight—An American Millionaire at the Matinee

A treat for amusement lovers is in store at the Grand Opera house tonight, when the Pollard Lilliputian Opera Company, sixty strong, will make their appearance in the famous comedy opera, "The Belle of New York." This organization of clever juvenility first appeared in this country about two years ago, and made tremendous hits in all the cities in which they appeared. Their success in San Francisco especially was phenomenal, where they sang for six

consecutive weeks, and afterward played a return engagement. They have just returned from an extended tour of the Orient, where they met with continuous receptions in all the large towns. In Manila they were taken in charge by the exclusive army set, and many social events were arranged for their benefit. The company is stronger, both numerically and artistically than when they were here before. Master Teddie McNamara is the new comedian, and he is said to be as clever as the best in that line of more mature years. Daphne Pollard, the sparkling soubrette of the company, will have her great part of Cora Angelique in "The Belle," and is a bigger hit than ever. New scenery and costumes will be shown, designed especially for the Lilliputians.

No one should miss this opportunity to hear the brightest bunch of children in the world, in the brightest of musical comedies. "An American Millionaire" at the matinee Saturday afternoon, and "A Gaiety Girl" Saturday night. Popular prices.

### Climatic Cures.

The influence of climatic conditions in the cure of consumption is very much overdrawn. The poor patient, and the rich patient, too, can do much better at home by proper attention to food digestion, and a regular course of German Syrup. Free expectation in the morning is made certain by German Syrup, so is a good night's rest and the absence of that weakening cough and debilitating night sweat. Restless nights and the exhaustion due to coughing, the greatest danger and dread of the consumptive, can be prevented or stopped by taking German Syrup liberally and regularly. Should you be able to go to a warmer climate you will find that of the thousands of consumptives there, the few who are benefited and regain strength are those who use German Syrup. Trial bottle, 25c; regular size, 75c. At all druggists. At Dr. Stone's drug stores.

### Notes in the Political World.

Hon. Claud Gatch, of Salem, who made such a gallant fight for the nomination for congressman last spring, has announced that he will not again be a candidate at this or at any other time.

Deputy District Attorney McNary of Marion county has been mentioned for the district attorneyship; but he has announced positively that so long as Mr. Hart is a candidate he will support him, and that he is not a candidate.

Judge H. H. Hewitt of Albany, is out in a letter in which he says he is not a candidate for the nomination for district judge. The purport of the letter is that he does not intend to get out and fight for it, but does not say he would not take it, if it came his way. It is also denied that there are any combinations between any of the candidates.—McMinnville News.
