MAKE PEACE WITH YOUR STOMACH

You Are Certain to Lose if You Attempt the Use of Force and Violence.

You cannot force your stomach to do work that it is unable and unwilling to do. It has been tried time and time again with always the same result. The stomach is a good and faithful servant, but when pushed beyond the limit it rebels. Some stomachs will stand much more abuse than others, but every stomach has its limit; and when that limit is reached, it is a very dangerous and unwise proceeding to attempt to force it into doing further work.

Stuart's Dyspepsia Tablets are the only perfect substitute to take up and carry on the work of tired, worn-out stomachs. They are natural and easy in their work. They contain all of the essential elements that make up the gastric juice and other digestive fluids and will digest any food that a strong healthy stomach will, and do it in the same time and in the same way.

They work independently of surrounding conditions and the fact that the stomach is weak or diseased does not influence them at all in their useful and effective work.

Stuart's Dyspepsia Tablets, by thus relieving the stomach of its work, enable that organ to rest and recuperate and regain its health and strength. The process is perfectly natural and plain. Nature will heal the stomach just as she heals a wound or a broken limb, if she is not interfered with and is permitted to do her work in her own way.

All interference is prevented by Stuart's Dyspepsia Tablets.

Stuart's Dyspepsia Tablets are for sale by drug stores everywhere at 50 cents a box and if you are afflicted with dyspepsia, one box will make you feel 50 times better.

You will forget you have a stomach and rejoice in the forgetfulness. No druggist would be so shortsighted as to try to get along without Stuart's Dyspepsia Tablets, for they are so popular and are so well known for the good they have done and the happiness they have caused that any druggist caught without them would lose the confidence of his customer and be regarded as below the standard.

His business would suffer as a result and his patrons would go to other stores and buy their other drugs there as well as their Stuart's Dyspepsia Tablets.

BAND OF SHEEP KILLED. Destruction is the Supposed Work of Cattlemen of That Section.

A phone message received here at New Pine Creek Tuesday from Silver Lake gives an account of the destruction of the entire band of 3000 head of sheep belonging to the Benham Bros., of Pine creek. The herder, who was in charge of the sheep, brought the news into Silver Lake, the nearest supply station to a large expanse of desert country lying east of Silver Lake valley.

According to the herder's story he was ranging his band of sheep about 20 miles east of Christmas Lake, and about 50 miles east of the town of Silver Lake. He claims that a few night previous to the killing of the sheep in his charge, three men held him up and robbed him of all the ammunition he had in his camp.

On the night of February 1st, a large body of mounted men visited his camp, and with knives and guns, slaughtered his entire band of 3000 head. It is further claimed that those committing the crime gave notice to the herder that they would, the next night, visit another camp belonging to John M. Reid and Benham Bros...

and kill all the sheep found in that camp.

Whether their threat was carried out or not we have not learned.

As to who the parties were who did the dastardly work, there seems to be no information. It is supposed to be that some of the cattlemen of that section. But as the sheep were far out on the desert, and not near any cattle ranches, it is difficult to see what damage they were doing at this season of the year to the cattle ranges.

Mr. Reid, who is largely interested in the two bands of sheep spoken of, is quite ill at his home at New Pine Creek, and is unable to visit the scene of the reported slaughter. Those who know him, know that he would never allow an offense of that kind to go unavenged, and if this report should prove true there will be something doing as soon as he is able to look after matters and things. We hope the report may prove to be a shepherd's dream; that no sheep were killed; and that there is no present or prospective trouble between sheepmen and cattlemen of any part of our country.

New York Dog Show. New York, Feb. 10.—With the largest entry list on record the 28th annual bench show of the Westminster Kennel Club opened today in the Madison Square Garden under auspicious circumstances.

The show, from present indications, will be the most successful ever held in the country. The total number of thoroughbred canines on exhibition is 2493, and every breed known to fanciers is in the list.

The entries come from every section of the United States and Canada, and from several countries of Europe. The exhibits of hounds, St. Bernards and mastiffs are particularly notable, and the smaller variety of lap dogs, such as toy spaniels and Blenheim, are also much in evidence.

ARE YOU SATISFIED. If Not, What Better Proof can Salem Residents Ask For? This is the statement of a Salem citizen.

The testimony of a neighbor, You can readily investigate it. The proof should convince you. G. S. Cooper, farmer, living three miles north-east of Salem on the Garden road, says: "I was raised in the wheat district and when a good lump of a boy I prided myself on having as much strength as any other boy in the neighborhood and when a number of us got together we often tested our strength by lifting. I very often lifted two bags of wheat but have since regretted having done so as the result was that I strained my back and ever after had more or less trouble from dull aching pains across my loins and other symptoms of kidney complaint. In some way Doan's Kidney Pills were brought to my notice and the first time I went to town I dropped into Dr. Stone's drug store and enquired about them. I was told they were highly recommended and advised to give them a trial. I did so, and while I did not follow the treatment as regularly as I should have done, being a poor hand to take any kind of medicine, the benefits I derived from their use stamps them as a remedy which acts fully up to the representations made for it."

Sold for 50 cents a box by all dealers. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name, Doans, and take no other.

Indigestion is caused by trying to compel the stomach to keep too rapid a pace. It is the bane of the present age and is wrecking lives by the wholesale—a little assistance is needed by the digestive organs of half the world.

That distressed feeling can be removed speedily by using Beecham's Pills and can positively be cured by taking a course of this excellent medicine. Your stomach will be kept sweet and clean and your general health will be perfect if you will use

DEEP SNOW AT BLUE RIVER. Report That It is Eight Feet at the Mine—A Hard Storm.

A letter was received from the Blue River mines this morning stating that the snow there had fallen to a depth of eight feet, and that it was impossible to come out or go in.

This is the heaviest snow at the mines for a long time. The storm is general all over the Northwest. About half an inch fell here yesterday morning, but most of it has been melted away. Last night's freeze was the hardest this winter.—Eugene Guard.
