CURSE OF THE COUNTRY.

Free Ranges Are a Curse and Prevent the Nation's Growth.

"The curse of the country is free range," said William Hanley, of Burns, president of the Oregon Cattle Growers' Association, at Portland, before starting for California a few weeks ago.

"The sooner the government gets out of the free grass business the better," said he. "The man who has the strongest pull gets the free range, and the man who makes the loudest noise has the strongest pull. That's how the sheep of the man with the pull in the Cascade reserve are worth \$1 a head more than those of his less fortunate brother."

Mr. Manley declares that the free range system is one of favoritism, unfair privilege and rotteness.

"The cure," he says, "is private ownership or leasing of the lands by the government, when sales are impracticable. Instead of encouraging private ownership of range land, the government puts obstacles in the way, for a man is not allowed to take up more than 160 acres, unless he sees the land himself. The land should pass into the hands of individuals who can use it to the best advantage, in order that it may contribute the highest possible revenue to the public good. But by these very restrictions the government is holding back the growth of this country.—S. F. Examiner.

SAY SPIRITS DO IT.

Make Musical Instruments Play and Trumpets Talk—Holding Seances in Corvallis.

Spiritualism is one of the leading themes of discussion in many Corvallis homes and public places. It takes precedence of the Russian-Japanese subject, notwithstanding the tense relations of those two nations. The sea of public thought had scarcely been calmed after a period of agitation from the Holy Rollers' reign, when two disciples of the occult science fell in and created a wave the extent of which is indetermined now. W. H. Kanouse, physician medium, is one of them, and F. W. Rowe, photo medium, is the other. Both came direct from Seattle, upon invitation of Seymour Simpson, of this city.

Mr. Kanouse is a young man who has been holding public seances only six months, and his demonstrations in Corvallis are the first work he has done away from Seattle and that vicinity. Many advocates of spiritualism believe that Mr. Kanouse will acquire a rare power to demonstrate the claims of the sect. Mr. Rowe professes to be able, through his mediumship, to secure photographs of those who have passed to spirit life. Neither of these persons has the appearance of professional men. They do not resemble persons who would be judged professional fakes, nor yet men who had acquired professional knowledge from study and extensive research. Their powers, they claim, are simply gifts.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circular and testimonials. Address

Bigger Than All of Them. You may call him a "rube" or a "hayseed" or a "yap," but the farmer is nevertheless the biggest man in the country. He could buy all the national banks, pay the national debt, purchase both the steel combine and the Standard Oil trust, and put wall street out of business out of the product of his own honest toil, and still have half a billion dollars left for pocket change. To sum it up in a sentence the farmer, by whichever name he may be called, is the most important class in the United States, and has a right to grow cheery at the showing he makes.—Agriculturist.

Fire! Fire!!

When that cry sounds how people rush to help and sympathize! And when some fireman rescues a woman from the flames, the streets echo with applauding shouts.

And yet if that woman had perished in the flames it is possible that she would have suffered less than she suffers almost daily from the inflammation which disease has lighted in the delicate womanly organism. That fire of inflammation can be put out. The gnawing ulcer can be cured. Dr. Pierce's Favorite Prescription not only establishes womanly regularity and dries encrusting drains, but it heals inflammation and ulcerations and cures female weakness. It makes weak women strong and sick women well.

"I suffered for four years with what four physicians pronounced ulceration and prolapus of the uterus," writes Mrs. Ada Brooks, of Kirksville, Taney Co., Missouri. "Also inflammation of bladder and urethra. My case was chronic and complicated. Had several good physicians, but kept getting worse. Had been confined to my bed five months when I wrote to you. I received your reply very soon and then dismissed my physician and began taking Dr. Pierce's medicine. I took eight bottles of his 'Favorite Prescription' and 'Golden Medical Discovery' and began to get better at once. In two months I could sit up in a chair, and kept getting better. In four months could do all my house work, including washing and sewing."

Where Doctors Agree. When a patient is under the doctor's care for some months, with constantly varying symptoms, but ever increasing weakness from the ravages of disease, all doctors will agree that the first gain of flesh indicates a change for the better. Weak, thin, fleshless people, know they feel better as soon as they gain flesh. The best flesh and blood maker is Dr. Gunn's Blood & Nerve Tonic. For pimply, pale and sickly people, both old and young, a better medicine was never made. It turns the food you eat into strong, red blood making solid flesh and muscle at the rate of 1 to 3 lbs. per week. It is sold by all druggists for 75c per box, or 3 boxes for \$2. To overcome the effect of over-indulgence or dissipation use this medicine.
